

In keeping with its long-held ministry commitment to serve the poor and populations in despair, and to provide sound educational opportunities for the children in Cote d'Ivoire, The Conference of the United Methodist Church - Cote d'Ivoire has worked to establish schools across the country since 1926.

Let the world be your parish. Give an African child a new tomorrow.

Even a meager donation provides an exponential opportunity for a brighter future.

It's easy, inexpensive and life-changing. Be encouraged by the words in Psalm 82:3, "*Defend the cause of the weak and fatherless; maintain the rights of the poor and oppressed.*"

A partnership of
The Texas Annual Conference
and
The Cote d'Ivoire Conference
of the United Methodist Church

Today, the United Methodist School System of Cote d'Ivoire (UMSS-CI) is a structure of 49 kindergarten & elementary schools, 7 high schools, 1 technical/vocational institute and 1 university that serves a population of over 17,000 students in both the towns, cities and throughout the rural regions.

Although many of the schools in the UMSS-CI are located in rural, economically depressed areas, the United

Methodist schools have developed a reputation for providing high quality, Christian-based education for the families of Cote d'Ivoire.

One student can be educated in a well equipped school, with books, supplies and all tuition paid for your donation of \$50 per month.

The Texas Annual Conference will assist these students and their families by implementing an

Adopt a Student Program

Each student needs \$600 to complete one year of education. Churches of the Texas Annual Conference have been asked to adopt as many students as possible.

All monies will be sent through the Texas Annual Conference for Cote d'Ivoire
