

2010 Group Health Benefits Wellness Rebate for First-Time TAC Clergy Appointments

The Group Health Benefits Committee is pleased to announce that clergy who are in first-time TAC appointments effective June 1, 2010 will be eligible for a Group Health Benefits (GHB) Wellness rebate of 10% of their GHB personal contribution amount for the period June 1, 2010 through December 31, 2010, following their participation in a Day of Wellness with Methodist Hospital in 2010. The value of the rebate will be calculated by taking 10% of their June 2010 GHB personal contribution amount and multiplying it by 7.

Clergy attending a Day of Wellness event during 2010 will be mailed a rebate check following their completion of the Day of Wellness with Methodist Hospital.
