GOLDEN CROSS

A Healing Ministry of The United Methodist Church

*“And He sent them out to
proclaim the kingdom of God,
and to perform healing”
– Luke 9:2*

Established 1921

More than 85 years of helping and healing

Established in 1921, Golden Cross ministry assists with the medical needs of United Methodists who lack the financial resources to seek treatment. Today, with so many people in need, we must continue to make the ministry of healing as important as our ministry of preaching by putting God's teachings to work.

To help those who might otherwise forego medical attention, Golden Cross depends on compassionate contributions from individuals like you and the nearly 280,000 Methodists in the Texas Annual Conference. As a result of your generosity, thousands have received previously unattainable medical treatment. And there are many more awaiting our assistance.

GOLDEN CROSS WORKS WHEN WE ALL WORK TOGETHER

Working closely with doctors and hospitals, Golden Cross is able to provide assistance as economically as possible. It is this unique, caring collaboration among church, doctor, hospital and you that makes the healing touch of Golden Cross a reality for those who need it most.

A GOLDEN OPPORTUNITY GOLDEN CROSS SUNDAY

The Texas Annual Conference observes the first Sunday of May as Golden Cross Sunday. Some churches, however, choose another time to observe this offering. Your church is encouraged to set a Communion Offering in support of this healing ministry sometime during the year. This will be your golden opportunity to prayerfully commit to being a healing partner.
