

Are you expecting a pastoral transition soon?

When clergy relocate, clergy-persons and congregations experience stress...

This Itineracy and Relocation Event, based on "The Right Start" by Dr. Lovett Weems, is designed to help clergy and congregations work together to reduce the stress of relocation and facilitate healthy, graceful transitions.

At the direction of the Bishop and Cabinet, all relocating clergypersons and P/SPRC chairpersons (or a lay representative) are expected to attend.

All clergypersons and P/SPRC chairpersons are invited to attend.
