Regaining a Heart for Your Mission Field

This two-day workshop is designed for a team of people. Each team must include the pastor and a *minimum* of three key lay people (preferable 5-8 laity non-staff), and all must participate in the whole workshop. Because lay involvement is so vital, this has been scheduled for Saturday and Sunday. Pulpit supply needs to be arranged so pastors can fully participate with the team.

Topics will include: Aligning Your Ministry to Reach Your Mission Field, Networking with and Gathering Underchurched People, and Paying Attention to 1st impressions.

Do you wish your church was more effective in bringing people to Christ?

Do you wish you knew how to connect with people in a way that would draw them to Christ and your church?

Do you wish you could get more members for your congregations?

If you answered "yes" to any or all of these questions, this workshop is designed with your church in mind?

Each event is limited to 200 people, so sign up early! Fill out the registration form below and send to: Texas Annual Conference, Attn: Debbie Sutton, 5215 Main Street, Houston, TX, 77002, along with your payment. Remember, each team MUST include the pastor along with a minimum of three lay people.

Non-Refundable Registration Fee: \$40.00 per person. Includes lunch and materials.
