

RESTORING LIVES WITH THE WORD OF LIFE

2015 ANNUAL CONFERENCE MISSION PROJECT

Children's bibles for prison family visitation rooms
and
Disciple Bible Study packets for inmates

Where can a child, faced with weekly or monthly visits to a parent in prison, find hope? Where can those who are incarcerated by the criminal justice system find hope?

In the Word of Life!

What if children of inmates had children's bibles of their own that they could read and share with their family members? What if more inmates had access to Disciple Bible Study materials?

Together, we can make these "what if's" come true! We can cover the prisons of the Texas Annual Conference with the Word of Life!

Here is how:

The **CENTER FOR MISSIONAL EXCELLENCE** is asking every church in the Texas Annual Conference to take up an offering toward the cost of one or more Children's Bibles and Disciple Bible Study Packets! A donation of \$50.00 covers the cost of one set with bible and packet. How many sets can your church help us buy?

We hope you will bring your donation to the 4th floor Mission Project table at annual conference or you can mail it in advance to the conference office. Checks should be made out to "**TEXAS ANNUAL CONFERENCE**", memo: "**Restorative Justice Mission Project.**" Or send your donation by mail to Shirley Broome at 5215 Main Street, Houston, TX 77002. Contact Shirley at 713-521-9383 or by e-mail at sbroome@txcumc.org with any questions.

We are working with Disciple Bible Study Outreach <http://disciplebibleoutreach.org/> to launch more bible studies at prison units and are looking for more volunteers to lead these programs. We hope to have your support to help us purchase the kits that will be needed as we go forward. Contact Shirley Broome if interested in helping.

Let's cover the prisons of the Texas Annual Conference with the **Word of LIFE** to restore lives!
