

2016 MISSION PROJECT

WE ARE GOING BACK TO THE BORDER WITH SCHOOL SUPPLIES!!!

The **CENTER FOR MISSION EXCELLENCE** mission project this year is to help raise funds for school supplies to distribute on both sides of the border in Texas/Mexico.

We all know that education is the way to improve the future for so many disadvantaged children who attend school in the poorest communities. For a \$25 donation you will provide a backpack filled with supplies. For a \$100 donation you can supply a teacher's box with necessary valuable supplies. Any donation will be appreciated - \$5, \$10, \$15 or more. Please ask your Sunday school classes to purchase a teacher's box or your membership to take up an offering to support this worthy project.

Monetary donations may be brought during annual conference to the 4th floor outside the Grand Ballroom. A table will be there to make it easy to drop off your checks. Or, you may send your donations to the conference office at **Texas Annual Conference, 5215 Main St., Houston, TX 77002**. Make checks payable to the Texas Annual Conference or TAC and add "School Supplies" in the notation.

To see what is in a back pack or teacher's box, go to our website at <http://www.txcumc.org/centerformissionalexcellence>.

The project donations will be administered by **Susan Hellums, Border Area Mission Coordinator in McAllen** and **Willie Berman, Coordinator for the Mexican Methodist Border Mission in Reynosa, Mexico**.

Contact: Missional Excellence if you have questions at 713-521-9383, ext. 301.
