

JOIN OUR YEAR-LONG MISSION TO FIGHT HUMAN TRAFFICKING!

The districts of the Texas Annual Conference are raising awareness and funds to support the fight against human trafficking in the state of Texas and around the world. During 2017, through run/walk/bike events and as the Annual Conference Mission Project, each district will raise funds for **one local organization and one international organization**. The goal for each district is **\$100,000**.

FUNDS RAISED BY DISTRICTS
AS OF APRIL 2017

HERE'S WHO YOU ARE SUPPORTING WHEN YOU RAISE MONEY IN THE CENTRAL NORTH DISTRICT

INTERNATIONALLY

Along with the Southwest, South, and West Districts you are raising funds for **International Justice Mission (IJM)**.

International Justice Mission works internationally within local justice systems (police, prosecutors, judges, and social workers) to rescue victims of human trafficking and restore them to fullness of life. They also work to restrain perpetrators (including corrupt officials within broken justice systems who aid, abet and benefit from human trafficking) and to represent victims in legal proceedings.

LOCALLY

Redeemed Ministries offer restoration services to adult survivors of domestic sex trafficking with a trauma-informed holistic healing program and the support of our community partners. Some of their core strategies are to: raise awareness and encourage our communities to engage in anti-human trafficking activities; seek healing and wholeness for survivors through holistic trauma care and recovery programs; advocate on behalf of victims to receive aftercare; and restore honor, dignity, worth, and reputation.
