While interns often build fruitful relationships with Associate Pastors and other staff persons, the CPIP Committee will only place interns in congregations where the Senior Pastor is willing to take the primary mentoring role for the summer. Considering this:

What gifts do you possess that would be useful as a mentor to a young person considering ministry?

What arrangements do you plan to make to house an intern this summer?

Host Churches are asked to provide funds for incidental expenses related to ministry, mileage for ministry activities, and lodging for at least 2 nights of annual conference (interns are required to be present for the U 35 event on the second night of conference). Will your church be willing to provide such funds?

Please indicate any vacation time or time away for continuing education expected by the pastor during the internship.

Can you be present for the Orientation Retreat on **May 18-19, 2020** at Lakeview?
