

THE PERMANENT ENDOWMENT FUND OF MOODY METHODIST CHURCH

Advancing the care of people in the Name and Spirit of Jesus Christ

December 14, 2017

The Permanent Endowment Fund (PEF) of Moody Methodist Church is excited to announce the launch of their new online grant application system, along with a new website that is currently under construction. For potential applicants, the new online grant application system and website will be able to provide up-to-date information as the PEF moves to a new grant calendar and the online grant application system beginning in 2018. For Texas Annual Conference (TAC) related grant requests, applications will now fall into a single grant cycle each year.

With these changes, all letters of intent and grant applications must now be submitted using the PEF's online grant application system. Texas Annual Conference churches, affiliated institutes, and TAC staff who may be applying for a grant, are able to create an account in the PEF's online grant application system now, however the online application forms for TAC related grants will not be available until early January 2018.

For 2018, the deadline to submit the online letter of intent (LOI) form for Texas Annual Conference related grants is March 12, 2018. For those approved to submit a full application, the application deadline is April 12, 2018.

For more information on how to apply, including a link to the online grant application system, please visit the PEF's new website at www.moodypef.org and select **How to Apply** under the **Applicants** menu.
