

JOIN OUR YEAR-LONG MISSION TO FIGHT HUMAN TRAFFICKING!

The districts of the Texas Annual Conference are raising awareness and funds to support the fight against human trafficking in the state of Texas and around the world. During 2017, through run/walk/bike events and as the Annual Conference Mission Project, each district will raise funds for **one local organization and one international organization**. The goal for each district is **\$100,000**.

FUNDS RAISED BY DISTRICTS

AS OF APRIL 2017

HERE'S WHO YOU ARE SUPPORTING WHEN YOU RAISE MONEY IN THE WEST DISTRICT

INTERNATIONALLY

Along with the Southwest, South, and Central North Districts you are raising funds for **International Justice Mission (IJM)**.

International Justice Mission works internationally within local justice systems (police, prosecutors, judges, and social workers) to rescue victims of human trafficking and restore them to fullness of life. They also work to restrain perpetrators (including corrupt officials within broken justice systems who aid, abet and benefit from human trafficking) and to represent victims in legal proceedings.

LOCALLY

Children at Risk is working hard to change the culture of Texas regarding commercial sex. They work to pass and enforce laws that hold perpetrators and users accountable for the sexual exploitation of children and youth. It also works within the judicial system to enforce laws and to ensure that victims are not treated as criminals.
