

UNITED METHODISTS ARE RESPONDING FOR NEPAL

Here Is How You Can Help:

1. **PRAY, PRAY, and continue to PRAY for:**

- Comfort for all who have lost loved ones
- Healing for those injured in the quake;
- Rescue for any remaining survivors- that God would direct relief workers to their whereabouts;
- Protection and safety for the community and all aid workers;
- Gratitude for the outpouring of generosity from the international community and for a continuation of that generous spirit;
- God's peace and order to reign in the midst of the chaos
- Wisdom and strength for cleanup and rebuilding of the community;
- As the Spirit leads you.

2. **Donate to the UMCOR ADVANCE for this response:**

Churches and individuals can make donations to the UMCOR INTERNATIONAL DIASTER RESPONSE # 982450. UMCOR has authorized an initial \$90,000 for emergency relief in Nepal. As of April 28, there is not a specific Nepal Advance Number. A Direct Nepal advance number will be created once UMCOR evaluates the long term rebuilding efforts necessary for the people of Nepal. Donations can be made in one of three ways:

- directly on line for international disaster response Advance# 982450 at the following link <http://www.umcor.org/Search-for-Projects/Search-for-Projects>
- local churches who want to take up offerings and collections can do so and send one check from the church to the Texas Annual Conference, Attn: Missional Excellence, 5215 Main Street, Houston, TX 77002. Checks should be made out to the "Texas Annual Conference," memo: "UMCOR Nepal Relief" and the annual conference will advance the funds to UMCOR.
- Individuals can also donate via credit or debit card by sending a text to 41444 with the message: UMCOR. A responding text will appear that will direct you to the donation site.

3. **Assemble UMCOR Health, Layette or School Kits.**

Organize a group to put together Health Kits, Layette Kits and School Kits (**NO Cleaning Kits, Birthing Kits or Bedding Kits at this time**). Find the contents of these kits complete with videos on how to assemble them for delivery at <http://www.umcor.org/UMCOR/Relief-Supplies>. We request that you transport your collection to Fair Haven UMC at 1330 Gessner Rd. Houston TX 77055, Phone (713) 468-3276 on May 14 or 15. TACCOR will arrange delivery to UMCOR that weekend.
