CONFERENCE RULES & STRUCTURE

These are the new rules from the “Discipling Document” and adopted at the Texas Annual Conference 2020
Adopted at Texas Annual Conference 2021

OUR LIFE TOGETHER

Preface to the Texas Annual Conference Rules and Structure

From the very beginning Methodists have believed in both organizing for mission and in the idea of “think and let think.” This has translated over into distinct expressions detailing how we live together in the most basic of all Methodist connections, the annual conference. The following rules and structures are thus intended not to restrict or control the free expression of any, but rather to guide us into how we may live out our shared faith and witness within the Texas Annual Conference. They serve as a further delineation of the ideals established in our denominational *Book of Discipline* and are offered in hopes of strengthening our core values as an annual conference and our common mission of making disciples of Jesus Christ so that the world might be transformed to the glory of God.

Our Core Values

In the pursuit of our calling and mission as a conference, we affirm the following values of discipleship:

- Diligent study of scripture
- Fervent prayer
- Radical Hospitality
- Passionate Worship
- Faith Forming Small Groups
- Risk Taking Missions
- Extravagant Generosity
- Connectional Ministry

SECTION 1: GENERAL

- I. The Texas Annual Conference (Conference) establishes Rules by which it operated (Rules) and its Structure for Ministry under authority of paragraph 610 of *The Book of Discipline of the United Methodist Church, 2019* (BOD or Discipline)
- II. The Structure for Ministry and Rules describe Conference Ministries and the procedures by which they operate.
- III. Any conflict between the Structure for Ministry and Rules and *The Book of Discipline of the United Methodist Church* shall be decided in favor of *The Book of Discipline*.

SECTION 2: OFFICERS

- III. A Chancellor(s) shall be nominated by the Bishop and elected by the Conference (BOD 603.8)

- IV. The Treasurer/Director of Administration shall be elected by the Conference, on nomination of the Conference Council on Finance and Administration, at the first session of the Conference after the quadrennial session of the General Conference. RESOLUTIONS BEFORE THE ANNUAL CONFERENCE

#1-THE BLEDSOE RESOLUTION IN SUPPORT OF CREATING A U.S. REGIONAL CONFERENCE

WHEREAS, the seven Central Conferences and five U.S. Jurisdictions of The United Methodist Church engage in mission together in 136 countries; and

WHEREAS, the connectional ties between the church in the United States and the Central Conferences are significant and vital to the continued mission and ministry of the worldwide United Methodist Church; and

WHEREAS, the existing structure of The United Methodist Church at the general church level has historically impeded each region from effectively tailoring its ministry to its specific contexts; and

WHEREAS, the existing structure of The United Methodist Church at the general church level diminishes our ability to be a vital and effective church and needs to be re-envisioned to achieve more fair and equitable church governance; and

WHEREAS, the Apostle Paul gave us a beautiful example of the value of a church established in diverse places with shared beliefs alongside local and regional differences in structure, worship, and style best suited to particular contexts; and

WHEREAS, the creation of a U.S. Regional Conference and the conversion of the Central Conferences to Regional Conferences, as outlined in the [Christmas Covenant](#), developed by Central Conference leaders in Africa and the Philippines, would establish structural parity throughout the worldwide church; and

WHEREAS, the creation of a U.S. Regional Conference, as outlined in legislation put forward by [the Connectional Table](#) will establish the governance necessary to allow each region to design ministry for its particular contexts, and thus more effectively make disciples of Jesus Christ for the transformation of the world; and

WHEREAS, the Texas Annual Conference aspires to vital, thriving, multicultural, and diverse ministries that are open to all people and can be a beacon of hope for the worldwide United Methodist Church; and

Whereas, in November of 2022, and in historic fashion, a resolution in support of a U.S. Regional Conference was adopted at all five Jurisdictional Conferences.

THEREFORE, be it resolved that the Texas Annual Conference supports the expressed intents of the Christmas Covenant and Connectional Table legislation, including the creation of Regional Conferences in Africa, Europe, the Philippines, and the U.S., respectively; and

BE IT FURTHER RESOLVED that the Texas Annual Conference recognizes and supports the leadership of our

Central Conferences in the creation and furtherance of the Christmas Covenant as well the Connectional Table's future visioning on behalf of our worldwide fellowship; and

BE IT FURTHER RESOLVED that the Texas Annual Conference urges the Council of Bishops to expedite the process of voting on the constitutional amendments necessary to enact the regional conferences legislation, calling special sessions of annual conferences where necessary; and

BE IT FURTHER RESOLVED that the Texas Annual Conference secretary shall send copies of this resolution to all delegates to General and Jurisdictional Conferences, including alternates, to the Commission on the General Conference, and to the Council of Bishops.

**#2-THE THAT WE MAY BE ONE RESOLUTION
OUR NEW LIFE TOGETHER IN
THE TEXAS ANNUAL CONFERENCE**

WHEREAS, the Texas Annual Conference of The United Methodist Church voted to allow 294 local churches to disaffiliate from the TAC in 2022,

WHEREAS, the Texas Annual Conference of the UMC is recovering from a season of conflict, division, power politics, and competition,

WHEREAS, though this kind of culture might have benefited a few, it has not served us well as a whole, and has left us divided, fractured, and dismayed, rather than united, focused, and hopeful,

WHEREAS, those remaining in the Texas Annual Conference of the UMC affirm our faith in Jesus Christ, who gives us hope of resurrection and is always making things new,

WHEREAS, we renew our commitment to the Scriptures and the historic creeds of the church, which remind us to not lose heart because the Spirit is moving,

WHEREAS, it is a new day in the Texas Annual Conference, with the opportunity before us to shed our old ways of being, to repent of our sins, and to embrace the revival that the Spirit is stirring in our midst,

THEREFOR BE IT RESOLVED that the Texas Annual Conference moves forward in a spirit of hope and embraces a season of reformation for making disciples of Jesus Christ for the transformation of the world.

BE IT FURTHER RESOLVED that in this season of reformation, we commit to the revitalization of The United Methodist Church through planting new ministries, and through structural reform and to the revitalization of our relationships with one another as a connectional people.

BE IT FURTHER RESOLVED that the Texas Annual Conference works for a culture marked by compassion, courage, and companionship, such that the following measures are true in our life together:

- Annual Conference is an occasion of reunion marked with joy and hospitality
- Districts are strengthened by the sharing of knowledge and resources between congregations
- Clergy health is improved because of deep, meaningful friendships
- Young clergy and candidates for ministry find and connect with mentors, who equip them for a life of friendship.

REPORTS TO THE ANNUAL CONFERENCE

Assistant to the Bishop
Rev. Kip Gilts

Every year there seems to be scripture that speaks profoundly into the moment. This year it has been Genesis 15:1-6. It is the very first time in scripture when Abram (later to be renamed Abraham) speaks. He has been around for several chapters, picking up and going to a land the Lord would show him, building an altar when God appeared to him beyond the familiar boundaries of home, and stepping off the dimensions of a new home. From Genesis 12:1 to Genesis 15:2 a pattern was established where God spoke and Abram acted, but then in Genesis 15:2, Abram spoke. At first it was a mild protest, "I continue childless," but then it grew in its boldness. The very next verse, Abram said, "YOU have given me no offspring!" Frustration, anger, disappointment all proceed from the patriarch's mouth.

Genesis 15:1-6 seems to me to depict a Bridge of Belief that spans the Land of Problems and the Land of Promise. The land of pain has obstacles and impossibilities. The Land of Promise is filled with divine assurances. Between the two stands the bridge of belief where "Abram believed the Lord and the Lord reckoned it to him as righteousness."

I don't have to be the most creative person to recognize the connection between Abram's world in Genesis 15 and our world in 2023. The Land of Problems is easy to see: a coronavirus that continues to cause alarm, racism that continues to be persistently present, and disaffiliation that has generated many false accusations and deep hurt.

Yet, God's promises do not yield any ground, "Look toward the heaven and count the stars, if you are able to count them. So shall your descendants be." I used to think God was presenting a math problem to Abram, suggesting that he calculate the number of stars. I researched this once and discovered that there about 9,110 naked eye stars (stars you can see in your backyard if you live in the middle of nowhere with an arid climate and no ambient light). Astronomers estimate between 70 sextillion and 300 sextillion stars in the universe. I can't even fathom that, but am entertained that people who study this have a high range that is more than 4 times the low range! However, I am convinced that God was not challenging Abram to count stars that seem to move. I now have this image of the Lord standing out in the backyard with Abram as he surveys the sky, puts his divine arm around the patriarch and says, "If I can do all of that, I'm quite capable of addressing your problems."

I had dinner with a retired pastor from the East Coast about a month ago. He is now an amazing coach and was sharing with me that in one of his clergy groups that he coaches, a group of high capacity leaders from all around the world, he noted that none of the churches were growing. He asked me, "Where is God moving in this world?"

I felt God's arm drape around my shoulders and whisper, "Look toward the heaven and count the stars..."

I told my new friend, that I'm sure God is moving in places beyond the church, but I am also sure that God will not abandon the church as a principal conduit of conveying grace upon a world that needs that grace as much, if not more, than ever.

It has been a busy year as I reflect on all that has occurred since last we gathered at the Hilton Americas in our *Together Again* Conference last year. The summer was filled with Future Discernment Task Force meetings. The fall had so many painful conversations that quickly degenerated into us/them conversations. The winter had us gathering in a Special Session of Annual Conference, saying “good-bye” to one bishop, saying “hello” to our new bishop with “At the Table” sessions and Celebration worship services. And now it’s spring – a season for new growth and revived souls. I can already see it. I can already feel it. And as I do, I sense the arm of the Lord draped around as God whispers, “Look toward the heaven and count the stars...”

Below are reports from teams that see clearly the land of promise even while walking and working in a land of problems. These teams are made up of people who believe the Lord and it is reckoned to them as righteousness. I am grateful to be partner with each and every one of them.

Nominations Committee
Rev. Kip Gilts, Chair

The Disaffiliations of December and subsequent withdrawals of clergy members of the annual conference created a considerable number of vacancies in the quadrennial terms that expire in 2024. Therefore, the entire roster of officers is included with the asterisks identifying the new nominees that the Conference Leadership Team has reviewed and approved for TAC consideration:

Quadrennial Nominations:

2024 will be the start of a new quadrennium. We will be seeking new members for our Conference teams, boards, agencies, committees, commissions and councils. Included in this report are the descriptions of each Conference Team that has elected members. The Timeline for developing the Quadrennial Nominations Report is as follows:

- TAC 2023 a list of Ministry Teams is distributed to our lay and clergy delegates who are encouraged to take it back to their congregations encouraging participation.
- Interested persons submit a biographical profile by November 15, 2023, that includes interest and preference to serve on a particular team or teams.
- District Superintendents, Conference Leadership Team members, Center Directors and District Leadership Team members are also encouraged to make nominations.
- The Assistant to the Bishop prepares all profiles and nominations for the Conference Committee on Nominations by January 1, 2024, which will meet before January 15, 2024, to make nominations from the pool of names submitted.
- The Committee on Nominations will submit the preliminary report of the committee to the Church & Society Team to review with regards to guidelines regarding diversity from the Commission on Race and Religion. The Church and Society Team will make its recommendation by March 1.
- The final report of the Committee on Nominations will be complete by March 15 and printed in the 2024 Pre-Conference Journal. Any necessary additions to the final report of the Committee on Nominations will be presented at the 2024 Session of the Texas Annual Conference.
- Other rules guiding the TAC nominating process can be found in our Conference Rules and Structure; Section 4.

Texas Annual Conference Committees and Guiding 2016 United Methodist Book of Discipline Paragraphs for Elected or Designated Conference Officers include:

- Recording Secretary of the Annual Conference (¶603.7)
Statistician (¶603.7)
Chancellor(s) (¶603.8)
Lay Leader (¶607)
Assistant to the Bishop (Director of Connectional Ministries ¶608.7)
- Director of Communications (¶609)
- Treasurer (¶619) (Director of Connectional Resources)
- Conference Leadership Team (CLT)
In order to facilitate collaboration between Districts and simplify and streamline communications, the Core Leadership Team (CLT) will be re-structured and re-named in this proposal. It will be re-named the "Conference Leadership Team," to mirror the language used for the District Leadership Teams (DLTs). Instead of Center Directors, one District Superintendent, and District representatives (the current model), the new CLT will include:

Composition:

- Bishop (chair, with voice, non-voting)
- All 9 District Superintendents (with voice and vote)

- All 9 District Leadership Team Chairpersons- the District Superintendents will necessarily need to collaborate in their selection of DLT Chairpersons in order to maintain our commitment to lay and clergy representation and all aspects of diversity in the TAC (with voice and vote)
- 4 at-large positions to ensure laity, young lay and clergy leaders, and TAC ethnicities are well represented (with voice and vote)
- Conference Lay Leader (with voice and vote)
- Conference Communications Director (with voice, non-voting)
- Center Directors (2) (with voice, non-voting)
- Assistant to the Bishop (with voice, non-voting)

The Bishop will preside. The Assistant to the Bishop will help organize and direct the work of the CLT. To reorient Conference work from generating programs to facilitating, resourcing, and empowering District and local church ministries to implement contextually appropriate missions and ministries in their geographic areas, the CLT as a whole will focus on collaboration, accountability and innovation, and organize itself into sub-teams to focus in those three areas and on other areas, as needed.

- **Collaboration Sub-Team**

The CLT Collaboration Sub-Team will seek to facilitate collaboration throughout the connection by focusing on how local churches, Districts, and Conference centers and ministries can cooperate in partnership with one another by sharing best practices and creating channels through which these practices can be disseminated, and by creating cross-connection task forces, as needed, through which people can work together toward common goals

- **Accountability Sub-Team**

The CLT Accountability Sub-Team will work to assure that this strategic proposal is implemented and all strategic foci are accomplished. In covenant with one another, this Sub-Team will seek to hold themselves and their CLT colleagues accountable to accomplish the work the Conference has entrusted to them.

The Accountability Sub-Team will be responsible for scheduling an external “Ministry Audit” every two years. During this “Ministry Audit,” an outside professional will be engaged to review Conference progress toward implementing this proposal and accomplishing its strategic foci, help the CLT articulate measurable outcomes and set clear benchmarks, and then make a full report to the CLT and to the Annual Conference.

The Accountability Sub-Team will also maintain regular contact with District Leadership Teams (DLTs). The CLT will offer guidance and direction regarding the structure, scope and functioning of each DLT, and will ensure that DLTs across the conference function consistently and with integrity, while allowing for contextualization.

- **Innovation Sub-Team**

As part of the 2020 TAC Strategic Mapping Team proposal, funds were allocated to the Conference Leadership Team to support innovative ministries designed to make disciples of Jesus Christ. A “task force” within the Conference Leadership Team was created to design a process by which districts would access these new Conference Funds.

In 2022, the Innovation Task Force presented two opportunities for local churches to participate in an “Innovation Lab” – a day conference with innovation presenters and exercises and introduction of the application process. These labs were well attended and surveys support that those in attendance found the information and exercise valuable.

The Innovation Task Force held 2 Innovation Labs (in Kilgore and Houston) with a total of 75 church leaders representing all districts in attendance. We had two grant cycles (spring and fall). In total, 17 grants were awarded funds totaling \$123,522.24.

Some of the churches and projects receiving grants include:

A Blessing Barn community feeding program – Canton, Holly Springs UMC

G.R.A.C.E. after school program – Pasadena, Sunset UMC

Sawmill Park, a community park – Lufkin, Keltys UMC

Catapulting Into Innovation, livestream equipment – LaPorte, St. Mark's UMC

Galveston Transitional Housing Project – Galveston, Central UMC

Fishing 2.0 program to reach millennials and GenZ – LaMarque, McKinney Memorial

The Disability Project: Circle of Love – Houston, CrossRoads UMC

The Community of Love evangelism program – Angleton, Community of Love UMC

HART Ministry (Healing Artistic Relational Transformation) fine arts – Fannett, Faith UMC

Good Samaritan Ministry food program – LaMarque, First UMC

Special Needs Social Club – Houston, Glenbrook UMC

The Soul Food Café introducing ALPHA to 3rd Ward – Houston, Trinity UMC

Digital Evangelism – Houston, Servants of Christ UMC

In 2023, we will follow-up with all of the 2022 grant recipients as the grant application clearly defined that a report on how funds were spent was required. We will also reconvene the task force and anticipate implementing suggestions from our previous attendees to reach a greater number of churches and to elevate our communications.

○ **Structure:**

- To fulfill its missional mandate, the CLT will convene after Annual Conference to begin orientation and training and begin meeting together quarterly. In order to maintain momentum and communication while saving both travel time and travel costs, the CLT may also meet monthly via video conference.
- In order to be both efficient and effective, the CLT may divide into Sub-Teams or task forces in addition to the Sub-Teams listed above. All Sub-Teams and/or task forces would meet, as needed. For example, the CLT may choose to create one additional Sub-Team focused on recommending and approving Specialists, to work with the Associate Director of Church Leadership and the Center for Leadership Formation's Church Leadership Team; and a task force might be created to train District Leadership Teams.
- The large composition of the CLT creates an opportunity for any and all Sub-Teams and/or task forces to be well staffed, according to the gifts and graces of the team.

Conference Lay Leader's Report
Mr. John Esquivel,
Conference Lay Leader

Sisters and Brothers,

I look forward to seeing all of you at Annual Conference in May!

This has been a difficult season for many of us. With many of our dear friends and churches choosing to go in a different direction, we find ourselves a smaller Conference when measured in number of churches. Many of the faces we had grown accustomed to seeing every May may not be here. The reality of their departure may be sinking in for the first time for many of us. Some of us may still be grieving over the loss. Some may be mad or disappointed. If you are feeling any of those emotions, please know that it is ok. Everyone processes loss in different ways and over different timelines. However, please know that your church, your Conference and more importantly, your Lord and Savior, Jesus Christ are with you. Your local church, Conference and Jesus Christ are ready to join you as we look to the future of ministry together.

Clearly, our conference has been pruned in the number of churches that make up our conference. But as any gardener will tell you, pruning prepares the vine for even greater fruitfulness. Pruning forces a vine to put out new branches and thus produce abundant fruit. Pruning forces a vine to focus on its purpose. At Annual Conference I will share with you a true story of a lemon tree that was severely pruned back due to a deep freeze. That tree focused all its efforts on its mission in life (to produce lemons) and thereby produced lemons beyond everyone's expectations. I think you will be amazed when I show you at Annual Conference a picture of the fruitfulness of that tree.

I believe that is where the Texas Annual Conference is today. We have the opportunity, in the words of Bishop Bickerton, President of the Council of Bishops, to Reclaim, Revive and Renew.

Let us reclaim who we have always been; a church with an evangelical mission to "make disciples of Jesus Christ for the transformation of the world." Let us focus on what it means to BE the Church and less on WHERE we go to Church. Let us Be the Church to a hurting world that is in need to hear the Good News of Jesus Christ. Let us focus on what it means to BE the Church to a world that seeks to see His love through our actions such that when we see hunger, we give food; when we see thirst we give drink; when we see a stranger we welcome them; when we see sickness we comfort; when we see the un-housed, the underserved or those that are down in spirit we show God's love through our words and action. Let those outside of our church walls want to know more about these people called United Methodist because of how we share through words and deeds the Good News of Jesus Christ.

Let us Revive our Church with new energy that comes from a fresh start. Whether you are a new faith community that has blossomed from former members of a disaffiliated church or a 100 plus year-old church that has remained United Methodist, let the Holy Spirit breathe fresh air into all of us. I believe there is great opportunity in change. I believe, once we overcome any resistance to or fear of change, there is excitement and new energy from a fresh start. May we receive a fresh outpouring of God's life-giving Spirit on His people and His church. Let Him make a new thing out of our fresh start as a Conference and the local church.

Let us Renew our love of and commitment to Jesus Christ. We may have been pruned as a Conference when measured in number of churches; but, let there be no doubt whatsoever, brothers and sisters that we have not pruned our:

“[belief] in God, the Father Almighty, maker of heaven and earth;
And in Jesus Christ his only Son, our Lord; who was conceived by the Holy Spirit, Born of the Virgin Mary, suffered under Pontus Pilate, was crucified, dead and buried.”

We have not pruned back whatsoever our belief that:

“The third day he rose from the dead; he ascended into heaven and sitteth at the right hand of God the Father Almighty; from thence he shall come to judge the quick and the dead.”

We steadfastly:

“Believe in the Holy Spirit, the holy catholic church, the communion of saints, the forgiveness of sins, the resurrection of the body and the life everlasting. Amen.”

Yes, brothers and sisters, our Conference may have been pruned back as measured by the number of churches; however, let there be no doubt, whatsoever, that we have not pruned back our beliefs as contained in the Apostles Creed or the Articles of Religion as contained in the Book of Discipline. In fact, our beliefs are the nourishment that flows through the vine of Jesus Christ to the branches of the local church and the Conference. These beliefs will propel us to new and greater fruitfulness. These beliefs will guide us as we seek to Reclaim, Revive and Renew our Conference and local church.

This is an exciting time of a fresh start for all of us. Let us not underestimate what God has in store for us; but let us be amazed at the great things He will do through us.

I am honored to be on this journey with you.

May God continue to bless you and your ministry.

Conference Leadership Team

It has been a year of transition for the CLT. Like many churches, we were just emerging out of the pandemic and a season of restructuring, only to find ourselves dealing with matters of disaffiliation. The last half of 2022 was spent being prepared for a called session of the Annual Conference and the first half of 2023 has been spent adjusting to a whole new landscape. To put it bluntly, the Conference Leadership Team has experienced the paralyzing impact of distractions. And yet, we have hope and we have purpose. We do have a Discipling Document that guides us into a decentralized, value driven, nimble ministry as a Texas Annual Conference. We will continue to focus on innovation, foster collaboration, and promote accountability.

Regarding Innovation:

- In 2022, 2 Innovation Labs were held (in Kilgore and Houston) with a total of 75 in attendance. We had two grant cycles (spring and fall). In total, 17 grants were given out totaling \$123,522.24. Some of the churches and projects receiving grants include:

- A Blessing Barn community feeding program – Canton, Holly Springs UMC
 - G.R.A.C.E. after school program – Pasadena, Sunset UMC
 - Sawmill Park, a community park – Lufkin, Keltys UMC
 - Galveston Transitional Housing Project – Galveston, Central UMC
 - Fishing 2.0 program to reach millennials and GenZ – LaMarque, McKinney Memorial
 - The Disability Project: Circle of Love – Houston, CrossRoads UMC
 - The Community of Love evangelism program – Angleton, Community of Love UMC
 - HART Ministry (Healing Artistic Relational Transformation) fine arts – Fannett, Faith UMC
 - Good Samaritan Ministry food program – LaMarque, First UMC
 - Special Needs Social Club – Houston, Glenbrook UMC
 - The Soul Food Café introducing ALPHA to 3rd Ward – Houston, Trinity UMC
 - Digital Evangelism – Houston, Servants of Christ UMC
- In 2023, we are anticipating opening up new grants for innovation in the local setting.

Regarding Collaboration:

After the Annual Conference in May of 2022, the Collaboration Team did not meet, as there were no new initiatives to undertake. As this was a year of transition, time was devoted to monitoring the objectives from last year: continued review of the Discipling Strategic Plan, review of Ministry Specialists and addition of new Ministry Specialists as they were approved. We anticipate holding a meeting after this year's Annual Conference (2023) to discuss future objectives and directives for this team. We look forward with great anticipation to what the future holds for our Conference, and the role this team will play in bringing these objectives to fruition!

Regarding Accountability:

One year ago, the Accountability Sub-Team reported that a lot had changed since our last in person gathering as an Annual Conference in 2019. We re-stated our task to keep us faithful to the direction and vision of the Texas Annual Conference. We reported the good news that the implementation of the Strategic Mapping Plan and Discipling Document was completed ahead of schedule. We were excited to report that we built new things like the Innovation Lab. We talked about working to collaborate with each other more. The end of Annual Conference we were excited about what was to come. But we did not get to any of that. Instead the summer and fall was spent in discernment and disaffiliation conversations. When CLT met in the Fall we were not doing the work that we thought we were going to do. Instead of beginning an internal audit in January 2023, we were meeting with our new Bishop to strategize about how to minister in this time. But God has been faithfully at work in our midst, even when we didn't know it. We have begun the work of internally asking what is working and what hasn't even when we didn't label it as auditing. We've been asking, not just ourselves, but others, what do we need more of and what do we need less of. Organically we began to live into a more collaborative process that had been outlined but not yet lived. We know that God is not finished with the Texas Annual Conference of the United Methodist Church. We know that we are a work in progress and God's grace and love leads us through this time in the wilderness. But God is faithful and we will keep on pressing on.

We will continue to work with District Leadership Teams encouraging contextual ministry and connecting ministry specialists in areas of need: whether that is a coach for clergy, a youth ministry specialist, a consultant for men's ministry, or a host of other opportunities. We will continue to host Innovation Labs that prove to be catalytic in so many settings ignite imaginations for fresh ministry in growing mission fields.

Church & Society Team
Rev. Kate Flint, Chair

In its second year, the Church and Society Team of the Texas Annual Conference has continued to develop action steps in the areas of justice and mercy. Many concerns are held dear by the members of the team but in order to make progress in any of them, the team has identified five main areas where we will focus our energy at this time: Environmental Stewardship, Early Childhood Development, Voting Access, Intercultural Dialogues, and the Status and Role of Women. Each of these areas has a dedicated team member leading and is supported by the work of the team as a whole to develop short- and long-term goals for each area. We are developing a Church and Society page that will connect your congregation with United Methodist Church and Society initiatives and offer specific resources for each of our focus areas.

Environmental Stewardship

Responding to our God-given task of Creation care, team members have begun collecting resources that will help congregations build more sustainable habits and systems. We are creating content which will be distributed through the TAC website and periodical publications so that congregations have resources for starting Green Teams and educating members on more ecologically friendly choices. Once a foundation is established, we will encourage United Methodists to engage with environmental issues more broadly, including through public policy.

Intercultural Dialogues

We recognize that paradigm-shifting encounters are better facilitated through relationship than lectures. In order to create intentional space for these relationships, we aim to build partnerships between congregations of different cultures. Each partnership will be given a curriculum for structured dinner conversations where members can meet around a table and share a brave space of learning and vulnerability with the goal of greater understanding and healing. Beyond these conversations, we look for ways that congregations may serve their communities side-by-side, working together as the Body of Christ.

Status and Role of Women

Much of our work in this area is related to measurements of progress for gender equality in appointments, voice, and representation. Following the tremendous denominational shift, this team is gathering updated information about where we see female clergy appointed in our Conference.

We support the identification of liaisons between clergy and lay leadership in churches where gender is a concern.

Early Childhood Development

Jill Daniel, leading the We Love All God's Children initiative, has continued to support and celebrate UM Children's Centers opening around our Conference to serve local communities. In addition to resourcing, updating and promoting these day schools, WLAGC is partnering with the Barbara Bush Parent Center to distribute books in the Houston area and expanding further north. The Conference will also provide training workshops for teachers, childcare staff, church volunteers and parents, connecting developmentally appropriate practices for Early Childhood with our Wesleyan theological values. We continue to match churches across the Connection that can share children's ministry resources, from swapping VBS supplies to co-hosting community events.

Election Access

We believe that it is crucial to the health of our communities that all eligible voters have equal access to opportunities to vote. Representing the Texas Annual Conference of the United Methodist Church on the board of Texas Impact, Scott Atnip is working to connect congregations to ways to help. We encourage our churches to hold voter registration events, and prepare members to participate in election staffing by offering training or sending members to local trainings.

Texas Impact also provides information and action steps to empower Texans of faith to engage with legislation that reflects our values of justice and mercy.

In addition to these main areas of focus, the Church and Society Team has brought attention to community resources for families of children with special needs, consulted with Conference leadership to support holy conferencing in our gatherings, and collaborated with our TAC Missions Committee to seek out ways to support vulnerable populations locally and globally.

For congregational resources, service opportunities, and other information, visit our Church and Society display table during TAC 2023.

Missions Team
Rev. Michelle Hall, Chair

God is faithful! We are all mindful that life at the Texas Annual Conference of the United Methodist Church has experienced a significant transition since the last report. The Missions Team has continued to be cognizant that the needs remain constant during the changes. The team has persevered in remaining connected and continues to seek the most meaningful and effective ways to share mission opportunities and resources with the local churches throughout the Conference.

During the year, good things have occurred. Please note the following:

The Missions' website has been recreated and provides access to the most current opportunities and resources, <https://www.txcumc.org/missions>.

Grants Awarded:

- \$50k grant to Hope Disaster Relief and Safe and Happy Homes
- \$6k grant to the University of Houston Wesley Foundation – 3rd Ward Community Garden
- \$40k grant to Mission Milby Community Development Cooperation – three-year disbursement.

Human Trafficking
Chris Harrison, Chair

One of the most horrific human conditions, human trafficking, lurks in most of our communities, and we are called to be more mindful and prepared to address it.

Please consider getting involved. There are multiple ways to do so, and they do not compromise the safety of anyone. <https://www.txcumc.org/missions/mission-opportunities/human-trafficking-ministry/>

Grant Committee
Pam Woody, Chair

Leading into the next appointive year, significant opportunities and substantive resources support your church's vision to equip the people to do and be in transformative ways throughout the community and beyond. We hope you will recognize, get inspired, and become the transformative agent in tandem with others as we disciple and are agents equipping others to become disciples of and for Jesus Christ.

The TAC has been blessed to have an endowment that allows the local church to envision what ministry could and should look like. The resources are not unlimited, but they are available to support ministries enabling the local church to collaborate, and partner with the community beyond the building walls as members and the community grow in (re)creating life-giving, life-changing missions.

Consider the impact your church could have on the community by engaging in the following missions or perhaps another transformative mission/ministry that God has placed on your heart.

50/50
Cesar Martinez, Chair

We believe that we are stronger together. The team continues to explore various ways to collaborate with Mexico and Laos. Partnerships with local churches would afford opportunities for you and your congregation and move Conference efforts to extend support in substantive ways. How might you respond to these international mission opportunities? <https://www.txcumc.org/missions/mission-opportunities/in-mission-together/>

We have been pleased to follow many of the grant recipients. We are thankful for their creativity, commitment, and compassion in responding to some of the more obvious needs and out-of-the-box ingenuity in outreach to less apparent needs.

It was expressed last year, and it holds equally as valid and urgent this year that we cannot lose sight of our goal to offer compassionate and impactful responses to the needs in the mission field and join the Holy Spirit in making disciples for Jesus Christ to transform the world.

Local Schools
Lauren Bedevian, Chair

Our communities need support like never before. Allow your church to be the heart, hands, and feet of Christ by connecting with the kids and youth. We are here to support you as you apply for a grant to launch or enhance ministry to the children and youth in the church and beyond. To learn what is being offered and organizations with which you may partner, as well as additional information, visit the website, <https://www.txcumc.org/missions/mission-opportunities/local-schools/>.

Disaster Readiness and Response
Rev. Godfrey Hubert

Texas Annual Conference Disaster Response continued to respond to past disasters, and in preparation for what may come. We could not have accomplished it without our collaborative partners, including Hope Disaster Recovery, The Restoration Team, Southwest Houston United Responds, and 4-B.

- **Home Repair Program:** Repaired 232 homes in 13 counties with \$1,783,600 in funding. Additionally, we rolled out the Help at Long Last program, funded by UMCOR in the amount of \$350,000 to repair 35 Hurricane Harvey damaged homes during the first half of 2023. Finally, the Safe and Healthy Homes campaign totaling \$50,000 got under way to make “honey-do” repairs to 50 homes of the elderly and disabled.
- **Donations/Hunger Relief Program:** We received and distributed basic needs, including food, appliances, cleaning products, sanitation products, personal care kits, etc. valued at over \$750,000 to 75 organizations and congregations in 12 counties, and 3 parishes.
- **Covid Relief:** Assisted 63 families with rental assistance (to avoid eviction), utility assistance, and food assistance. Additionally, we concluded an 18-month-long campaign to make the vaccine available to over 20,000 individuals living in low-income housing projects.
- **Disaster Readiness Program** (Texas Congregational Disaster Readiness.org): Trained over 500 participants for 770 hours on 11 facets of disaster response. Additionally, UMCOR provided Early Response Training (ERT) to 18 volunteers.

Congregations are encouraged to participate in two ways.

- 1) Provide skilled volunteers to help make home repairs.
- 2) Schedule disaster readiness training so the congregation will be ready to respond effectively after a disaster.

Conference Advance

Transformation and sustainability are becoming more of a reality due to the partnership and relationships between the TAC Board of Ordained Ministry and the Methodist Church in Laos. BOM members have led in the education, resourcing, and credentialing of those who have responded to God’s call as ordained and licensed pastors. The Missions Team has collaborated with BOM to further educate and extend opportunities through the TAC to join God in the work that he began and that we have the privilege of participating in.

Through the support of the Texas Annual Conference, our partners in Laos have identified as our Conference Advance Special the priorities as WELD (Water, Education, and Leadership Development). Safe water is becoming more accessible. Support is needed for the children to become educated and reverse generational poverty. The goal of the LMI Laos Mission Initiative is to scholarship 20 students for a year; the cost is \$550.00.

Our Laotian partners thirst for education and empowerment and, as a result, continue to grow in their faith and financial strength. The Seed Project is a micro-loan program for women and their families to start small family businesses or support their existing livelihood and farming jobs. Equally as helpful is the CHAD program, Combined Health Agencies Drive to aid with sanitation projects and raising farm animals.

As God advances the people in Laos and beyond in discipleship, we have the privilege and opportunity to make a difference for the Kingdom of God through our giving to the Advance of the TAC.

We Love All God's Children
Rev. Jill Daniel, Director

WE LOVE ALL GOD'S
CHILDREN

In the past year, We Love All God's Children has continued to strive to fulfill its mission to assist churches of the Texas Annual Conference in engaging with their communities to develop, expand, and enhance discipleship, early childhood literacy and positive health outcomes for all young children in a local church's mission field. Through various training events, gatherings of local church leaders, the generosity of Moody's Permanent Endowment Foundation and the furthering of partnerships with such entities as Texas Workforce Solutions, University of Texas' Children's Learning Institute, Barbara Bush Literacy Foundation, Neuhaus Education, Collaborative for Children and Lakeshore Learning, We Love All God's Children – by the power of the Holy Spirit – has assisted in discerning and devising successful strategies to equip congregations to change the trajectory of the lives of underserved and unchurched children and families throughout the Texas Annual Conference. Since we gathered last May, We Love All God's Children has...

- Opened 4 new United Methodist Children's Centers where the trajectory of the lives of underserved and unchurched children are being changed through age-appropriate discipleship, excellent early childhood education and literacy programs, and provided health resources and therapies to both children and their families.
- Worked with our 13 United Methodist Children's Centers as they strive to reach their goal of becoming Texas Rising Star 4-star centers, the highest accreditation offered by the state of Texas for licensed childcare centers. Congratulations to Bear Creek United Methodist Church Day School for leading the way as our first Rising Star 4-star center.
- Remained on target to open new or enhanced existing early childhood or after school centers at Westbury United Methodist Church, Ebenezer United Methodist Church, Fairwood United Methodist Church, and Huntsville First United Methodist Church.
- Trained new and current directors as well as other weekday staff in both our United Methodist Children's Centers and other weekday schools throughout the Texas Annual Conference.

- Coordinated connectional Vacation Bible Schools with upwards of \$20,000 worth of curriculum and decorations shared by larger congregations with smaller congregations, thus allowing more of our congregations to engage their community with the Good News of Christ through Vacation Bible School.
- Consulted with 26 local congregations regarding revitalization or the start-up of ministries to children and families.
- Partnered with the Barbara Bush Literacy Foundation to distribute more than 600 home libraries containing 12 age-appropriate books to underserved children in both our United Methodist Children's Centers and day schools.
- In partnership with Ebenezer UMC and Houston Independent School District, engaged school-age children with our 2023 Spring Break Camp. This camp gave the children of working parents a safe, healthy environment with daily breakfast and lunch as well as Vacation Bible School each morning followed by sports camp in the afternoon.
- Strengthened or began building relationships with strategic partners including those with the Barbara Bush Literacy Foundation, Collaborative for Children, University of Texas' Children's Learning Institute, Children's Museum of Houston, University of Houston, Texas Southern University, Scholastic, Discount School Supply, Lakeshore Learning and others.
- Implemented a board-led model for the discernment of various children's ministry opportunities, new United Methodist Children's Centers, and financial dealings of We Love All God's Children.

In the upcoming year, We Love All God's Children will...

- Continue to build a network of United Methodist Children's Centers throughout the Texas Annual Conference to provide a strong foundation in faith, excellent early education, health and wellness habits, parental engagement, and pathways for unchurched families to become actively involved with the local church.
- Bring additional licensed after-school centers into the ministry of United Methodist Children's Centers in order to equip local churches to answer God's call to serve a more diverse age group with unique student and family needs.
- Plant summer literacy day camps which will provide a means of preventing the summer slide in reading proficiency. Day camps will have a strong Christian ethos and will provide pathways for families to become part of local church congregations.
- Offer two Conference-wide trainings for those who work with children in Fall, 2023 featuring experts in the field of children's ministry and education. As a follow-up to the trainings, District in-person gatherings will be held to strengthen the Texas Annual Conference's commitment to love all God's children.
- Strengthen the We Love All God's Children board through trainings, feedback from local churches, and through the assignment of board members to ministries matching their individual gifts and interests.

CENTER FOR LEADERSHIP FORMATION

Center for Leadership Formation
Rev. Deborah Hawboldt, Director

The purpose of our center is: “to recruit, develop, and support clergy leaders, and to equip and empower the lay and clergy leaders of the Texas Annual Conference”. 2022 was a year of transition in our newly created (in 2021) center. As our churches and clergy spent time in discernment, momentum forward with our purpose was difficult to maintain. We experience staff transition in our center, and begin 2023 more lean in staff, but fully committed to living fully into our purpose.

We begin 2023 excited to move forward into a future with hope for the Texas Annual Conference – our clergy and our churches. Below you will find the reports on our center. We invite you to join us in seeing the possibilities for what God can do in the years to come. Don’t hesitate to reach out to our team to find out more and see how we can best serve you.

Clergy Leadership Team
Rev. Marquice Hobbs, Chair

In the second year of our convening, the Clergy Leadership Team continued to focus on its goal to design, implement, and evaluate programs and systems to be most effective in recruiting, developing, and supporting the clergy of the TAC so that clergy leaders experience and re-present Jesus Christ and function as effective and accountable leaders in the TAC.

However, this year was unique. Knowing many of our clergy where in the process of disaffiliation, or processing the impact of disaffiliation, we sought to emphasize our support of the clergy in emailing targeted ways to promote mental and wholistic health. Emails spearheaded by our support sub-committee. One of which encouraged therapy and reminded clergy of the benefits they have through the conference.

Additionally, we hosted several events and programs:

- U-35 for young adults at Annual Conference
- Conference Pastoral Leadership Program
- Partnering pastors with coaches at specified intersections of ministry
- The Gathering
- And many more

As we continue to recover from the impact of the special session in December, the Clergy Leadership Team will eagerly purpose its purpose in recruiting, developing, and supporting the many beautiful, gifted, and diverse clergy of the Texas Annual Conference for years to come.

Board of Ordained Ministry
Dr. Linda Christians, Chair

I am honored to serve as the BOM Chair and grateful to be serving along with the members of the Conference Board of Ordained Ministry (BOM), the nine District Committees on Ministry; and in coordination with the Conference Center for Leadership Formation and its staff, and with our Bishop and Cabinet. My admiration for the Conference and District staff continues to increase and it is a joy to serve with them.

The BOM's work is to be guided by our vision and mission:

Vision: Fruitful ministerial leadership in every charge of the Texas Annual Conference

Mission: The Texas Annual Conference BOM recruits, discerns, and guides individuals who feel called to ministerial leadership and credentials fruitful leaders.

The BOM coordinates the enlistment, recruitment, candidacy, and mentoring for the candidates for minister; and is responsible to ensure that the candidate's theological education is complete, the candidates are examined, and recommended to the clergy leadership on behalf of the Texas Annual Conference. The laity and clergy who comprise the BOM hold this as a privilege and high responsibility.

With this privilege and high responsibility, comes hearts that are dedicated to serve relationships that are born out of a common love for God and for one another. The BOM is also concerned for the well-being of the clergy of the TAC and plans activities to help support and provide encouragement. As such, with the events of this past year, with hearts broken and relationships fractured, the BOM worked with the Cabinet and Bishop Cynthia Fierro Harvey to provide the Reconnect Clergy Gathering held in February this year. The timing and space created for our fellow clergy to come together to be encouraged and provided hope for their future and the future of the UMC.

With fewer candidates coming for interviews, the BOM was able to modify the interviewing process so that each member of the BOM would have an opportunity to meet and interview each candidate. This proved to be worthwhile for both the candidates and the BOM.

In addition to the change in the interviewing process for the candidates, the Candidacy Leadership Team within the BOM is preparing a group mentoring plan that will better serve the candidates and those who serve as mentors.

In February, the BOM interviewed seven candidates to be provisional members of TAC. Of those, four were approved to come before the full clergy session at Annual Conference. The four candidates for provisional membership are:

David Lee - Elder

William Murphree - Elder

Ellen Elizabeth Thornburg - Elder

Kyle Austin Tremblay - Elder

At the time of this writing, the BOM has not interviewed the candidates for full membership. These interviews are scheduled for April 11.

In August of 2022, representatives of the BOM traveled to Laos to further the work of the Laos Mission Initiative. It is inspiring to hear how people have come to faith in Jesus Christ and to see churches continuing to grow in the midst of an environment that is predominantly animist and Buddhist, and not receptive to the Christian faith. During our visit, two individuals, one female and one male, were ordained as Local Pastors in Mission. Six other individuals were commissioned as Local Pastors in Mission. The goal of the TAC BOM is to: help the Laotian pastors and their congregations grow to the level that it becomes self-sustaining, that there is a sufficient number of pastors to create their own Provisional Annual Conference, and that they become more fully equipped to lead with less reliance on the TAC BOM.

If you have any questions about the work of the BOM, please feel free to contact me at lchristians@westumethodist.org.

Thank you in advance for your prayers and support for those who serve on the BOM. Again, it is an honor and privilege to serve.

Transitional Intentional Interim Ministry
Rev. Bonnie Osteen, Program Coordinator

Transitional Intentional Interim Ministry Specialist (TIIMS) is committed to equipping congregations to make disciples of Jesus Christ for the transformation of the world, especially during transitional times of ministry. Opportunities are provided for continued learning, as well as training seminars for those wishing to be certified interims. The TIIMS are experienced clergy who have received advanced training in ways to process critical needs. Some of the TIIMS in the Texas Annual Conference have also received Approval Status from GBHEM, acknowledging their experience in working with churches in transition. In 2022, there were 21 transitional intentional interim ministry specialist appointments to serve in churches located within 8 of the nine districts.

The goals for this year are to continue providing highly effective interims for appointments with various transitional needs in this conference and beyond. Interims are placed for a variety of situations which may include churches experiencing conflict, anxiousness, or grief. There may be times in which an interim pastor is placed in a church when their pastor is taking a sabbatical, maternity, paternity, or medical leave. For these transitional situations and others, interims provide an intentional focus on the specific needs of that congregation.

TIIMS training is an important element of interim ministry. Over the last 14+ years, over 97 individuals have taken the Transitional Intentional Interim Ministry (TIIMS) training in the Texas Annual Conference. This training offers expertise in systems, conflict, grief, and other important skills needed in transitional needs. Rev. Bonnie Osteen is a current Lead Trainer with the national team of trainers for United Methodists Interims - TIIMSA. Trainings are offered yearly, and the information can be found on the TIIMS website - www.tiims.org. Those interested in interim ministry should speak to their District Superintendent, who is key to identifying pastors who have the skills to serve in the fast pace of transitional intentional interim ministry. The training also may be taken by a pastor wanting to learn more about the topics taught in the seminar for their own study of advanced skills. The training seminar has been offered by Zoom and at Perkins School of Theology, SMU, as well as other locations across the country.

One of the focuses for the use of Transitional Intentional Interims is clergy sabbatical. Pastors are encouraged to speak to their district superintendents to discuss an appropriate time to take a sabbatical. This 'stepping away'

allows for a time of reflection, learning, and renewal. Not only is this transformation process life-giving to pastors, but it also serves well for congregations who experience a time of looking at their identity, direction, leadership, and connection, while their pastor is away. Churches have the opportunity to grow in their faith journey as they serve in ministry with an Intentional Interim, and specifically address transitional needs. When requested, a certified interim may be provided to the congregation.

The Board of Directors for Transitional Interim Ministry Specialists Association (TIIMSA) continues to share information from conference to conference to discover ways to be the most effective in interim ministry and to be a resource to conferences who are introducing interim ministry. This group consists of 14 members of trained and experienced TIIMS from all jurisdictions in the United States. Rev. Bonnie Osteen, the Coordinator of Interim Ministry for Texas Annual Conference, serves on the National TIIMSA Board of Directors, and is currently serving as the Treasurer of the TIIMSA Board of Directors. The 16th Annual Gathering for United Methodist Intentional Interims was held by Zoom Conference in April 2022. The focus was ‘How to Lead When You Don’t Know Where You Are Going, Leading in a Liminal Season’ with Susan Beaumont as the keynote speaker. In April 2023, the TIIMSA Gathering by Zoom, focuses on ‘Embracing the New Normal’ with Rev. Rebekah Simon-Peter.

<p>Ministry Specialist Initiative Rev. Bonnie Osteen and Rev. Julius Wardley</p>
--

The church leadership team met in 2020 and 2021 to create the Ministry Specialist Initiative (MSI). This initiative was created to provide tools for clergy and churches to better serve their communities and to make disciples of Christ for the transformation of the world.

Once it was created and operational, the committee was available to assist Rev. Robert Besser for implementation. There have been several clergy and congregations who have used this initiative to strengthen their ministries. We are grateful as more faith communities lean into this resource.

Ministry Specialists in the Texas Annual Conference are devoted to helping congregations with the next steps of their journey. The new Ministry Specialist Initiative (MSI) reflects a commitment of empowering churches with experts and the tools needed for success.

With the MSI, the local church will assess their needs for improvement. Then, with the help of the District Superintendent and the Coordinator of MSI, Rev. Bonnie Osteen, a specialist will be matched to assist them in the next steps. This may include phone conversations, virtual discussions, in-person dialogue with leadership, or church wide gathering.

There are 62 categories, each match one of the Conference values, practices, or areas of focus and over 135 qualified specialists, both laity and clergy. The cost of the first consultation, or “engagement,” with the Ministry Specialist is covered by the Conference. The remaining expenses will vary depending on the congregation’s needs and the expert involved, each project will be different.

The MSI is a vast resource for churches, providing expertise to take them to a whole new level and help them better serve God’s kingdom.

Board of Education & Campus Ministry (BHECM)
Rev. Adam Muckleroy, Chair

It is an honor for me to serve as chair of the Board of Higher Education and Campus Ministry at this significant time for our campus ministries. As I write, college campuses and universities across the nation, including some within the bounds of our Annual Conference, are becoming focal points for Christian revivals leading to times of repentance and renewal. Students are committing themselves to Christ and to walking in faith as a disciple. Our campus ministries are uniquely poised to be part of this revival begun within the Wesleyan tradition. Through our Wesley Foundations, students are equipped for works of piety and mercy, empowered for acts of service and justice, and prepared to go forth as strong lay and clergy leaders in churches within our Conference and throughout the world.

Your individual gifts and the gifts of your local church are vital to making their ministries successful. Through your partnership, our campus ministries are able to fulfill their mission to make disciples of Jesus Christ for the transformation of the world. When you invest in a Wesley Foundation, you are making an investment in the faith formation of people at a pivotal moment in their lives, and a long-term investment in the future of the Church. If you are not already a partner, consider adding your support along with the many individual donors and churches rallying around our campus ministries!

We have several new members coming on to our board, and I welcome them. We will continue our work of past years to find creative ways to resource and fund campus ministries in order to secure their long-term future.

We also welcome our new campus ministers recently appointed to their campus ministry. Rev. Tabitha Rankin has returned to campus ministry as she leads the Wesley Foundation of Texas Southern University. Rev. Kyle Tremblay now leads the campus ministry at Lamar University. And Rev. Sadie Brink is now appointed to the Wesley House at Tyler Junior College. If you are at a church nearby these campuses, please go and welcome them to the area. This would also be a wonderful opportunity to talk to them about how your church can partner with them. Our other campus ministries also eagerly desire to find partners and supporters in their mission. Consider reaching out to one of the below campus ministries near you, supported by the Board of Higher Education and Campus Ministry:

- Lamar University Wesley Foundation – Rev. Kyle Tremblay
- Prairie View A&M Wesley Foundation – Rev. Dwayne Thompson
- Sam Houston State University Wesley Foundation – Rev. Greg Oberg
- Stephen F. Austin State University Wesley Foundation – Rev. Tom Teekell and Rev. Ben West
- Texas A&M University Wesley Foundation – Rev. Katy Haislet
- University of Houston Wesley Foundation – Rev. Denise Caulfield
- Texas Southern University Wesley Foundation – Rev. Tabitha Rankin
- Tyler Junior College Wesley House – Rev. Sadie Brink

Racial & Ethnic Ministries
Rev. Dayimi Pimentel, Coordinator

Bishop, Members of the Cabinet, Delegates of Texas Annual Conference, sisters and brothers in Christ, the peace and grace of our Lord Jesus Christ be with you.

We have had to live through one of the most challenging historical moments for the United Methodist Church, not only because of the churches that disaffiliated, but also because of the challenge of seeking new opportunities to multiply and make ourselves visible where we do not currently have a presence of the United Methodist Church.

And in the midst of this process that we are experiencing, we have ethnic and racial Methodist communities that continue to worship the Lord and that need our help to multiply and grow in their mission fields through Bible studies, prayer groups, and community outreach training workshops. The Racial and Ethnic Ministries must be the answer to this need for attention and service to people of different ethnic and racial minorities.

Racial and Ethnic Ministries must work on Leadership Development, offering training and development programs that include teaching and preaching skills, and program and project management. We must focus on reaching the new generation through youth programs, Bible study groups, cultural and sporting events, and community projects.

Above all, we must serve as cultural bridge between cultures and races within the church and collaborate with other ministries and organizations.

We have had to reorganize the Hispanic Ministries and try to reconnect with the pastors that continue to serve in the UMC. In reference to Hispanic Ministries, we have eleven Hispanic congregations and three United Methodist Churches that have outreach programs to the Hispanic community. Our office has been in conversations with pastors who have seen how their communities around their churches have changed in recent times, reaching more Hispanics and we are looking for a way to open new worship services in Spanish or other possibilities to reach those communities.

We are not paralyzed as a Ministry; with the Lord's help we will seek opportunities to serve the ethnic and racial communities of the Texas Annual Conference.

Racial & Ethnic Ministries Team
Rev. David Johnson, Chair

Last year I presented to the annual conference a year of beginnings. We launched this committee in 2021 with the focus of helping the conference decentralize its support while still offering quality assistance to churches, pastors, and lay leaders looking to make an impact for the Kingdom of God. Our specific focus at inception was to offer aid in recommending specialists and other resources to equip Districts and local churches to minister with and to racial and ethnic constituencies. Yet, we find ourselves in a new season of ministry. A season that has included a great deal of change in team membership and conference demographics.

Our team began dreaming and visioning for what this new season may require of us. We begin asking questions that focus around three key themes that follow from the Apostle Paul’s teaching to the church in Ephesus in chapter 4 when Paul charges that we are to use our gifts “¹² to equip the saints for the work of ministry, for building up the body of Christ, ¹³ until all of us come to the unity of the faith and of the knowledge of the Son of God, to maturity, to the measure of the full stature of Christ.”

1. How can we be a support to, or build up, minority clergy and their families.
2. How shall we go about the work of equipping the saints for ministry in this season?
3. How can we support racial equity so that we can “come to the unity of the faith”?

This is the work we see as the natural flow from our original mission. We also will strive for greater cohesion with committees to allow our team to achieve our mission and purpose. We will focus in on these goals for the coming year. We ask for your prayers and look forward to partnering with you in ministry.

African-American Church Initiative
Dr. Elijah Stansell, Director

Purpose: The purpose of this initiative is to craft strategies for strengthening the predominantly black congregations of the Texas Annual Conference.

AACI: Transitioning Toward the Future requires us to address the challenges of emerging and diverse, urban, and rural communities in the Texas Annual Conference. This strategy includes broader scopes than historical African American congregations. We recognize that the greatest concentration of African American congregations is in urban areas, but this process will work with every African American congregation that wishes to engage—current churches and churches into the future. This strategic initiative is designed to meet the transitions that have occurred in our communities.

Rationale: To address the changing dynamics within the present communities of faith that will empower & enable them to be vital congregations in their mission fields.

Disciplinary Statements: 2016 Book of Discipline, Part VI: Organization and Administration, Section IV: Churches in Transitional Communities

¶ 212. Since many of the communities in which the local church is located are experiencing transition, special attention must be given to forms of ministry required in such communities. The local church is required to respond to the changes that are occurring in its surrounding community and to organize its mission and ministry accordingly. (See points 1, 2, 3, 4, 5, 6 following)

¶ 213. *A Process for Assessment of Local Church Potential*—Since every congregation is in a community in some type of transition, every local church is encouraged to study their congregation’s potential. Upon the request of the congregation the district superintendent shall appoint a study task force to assist in an extensive study of the past, present, and potential ministry of that local church. Alternatively, the district superintendent may appoint such a task force when the future viability of the congregation is in question or whenever he/she deems it

necessary for other reasons. The task force shall be composed of an equal number of lay and clergypersons and shall include persons from that congregation. (See points 1, 2, 3 following)

Implementation: Through a process of consultation and collaboration, congregations will be invited to participate in this process, which yields a framework and opportunity for vibrancy; outcomes that lead to health and vitality in the local church.

Activities of Engagement

- Transforming Pastoral Leadership Cohort #4, started with 10 congregations including lay and clergy. The participants will engage in the concept of “Normalizing Next” utilizing resources geared to the post-Covid world. The goal is to equip leaders with tools which will meet the “ever-changing landscape” the Church in general faces today. Consultant Rev. Olu Brown completed the Cohort with the pastors and congregations having outstanding results in transformation.
- Congregational engagement in Generosity Cohort #5, will begin in May 2023. The focus will include Generosity Templates, Strategy Seminars, Congregation Assessment, Coaching and methods of raising and exceeding your budgets.
- In 2022 several predominantly African American congregations disaffiliated. The AACI initiative held quarterly sessions with clergy intentionally focused on healing, blessing and finding God’s creative movement for a brighter future.
- May the winds of the Holy Spirit bless each and every clergy and congregation into God’s preferred future.

The leadership of the AACI is grateful for the opportunity to partner with the lay and clergy leadership in strengthening their congregations. Many thanks for your prayers and support. Looking forward to a successful 2023.

Equitable Compensation
Rev. Melinda Owens, Chair

The Commission on Equitable Compensation (COEC) is charged by the *2016 Book of Discipline* (§ 625) to: support full-time clergy serving as pastors in the charges of the annual conference by:

- a. recommending conference standards for pastoral support;
- b. administering funds to be used in base compensation supplementation; and
- c. providing counsel and advisory material on pastoral support to District Superintendents and committees on pastor-parish relations.

The elimination of exceptions to COEC guidelines, stricter enforcement of the 5-year rule for equitable support, adjustments of pastoral appointments, and realignment of charges should continue to reduce the financial burden of our Conference to ensure equitable compensation for all of our pastors. A question on the affordability of Pastors Minimum Salary was discussed this year. As we are in a time of uncertainty and

fluctuation, we have made provisions to help the Bishop and cabinet to address this issue on a case-by-case basis.

With the anticipated rising costs of relocations, the inability of many charges to make significant progress in being self-sufficient in their clergy support, and the necessity to reduce apportionment loads on local congregations require that the COEC continues to take necessary steps to work with the Cabinet, the Conference Centers, the District Offices, and the Local Church Charges to reduce equitable support costs and bring greater fiscal responsibility to our support of clergy throughout the Annual Conference. Our goal is vibrant growing fruitful congregations served by transforming clergy leaders. COEC funds should be used to help churches fill a short-term need to a healthier more vibrant place, so God may be glorified.

The Notes Are Important

COEC wants this report to be user-friendly. Thus, we’ve attempted to give you the information you need in an easily to read format. The Notes in the body of the report and at the end of the report are important and could pertain to you! Please read them.

What Makes Up Your Salary

“Salary” means all compensation paid by a charge as lined out on the Total Compensation Worksheet (completed at Charge Conference) PLUS any other compensation/assistance from denominational sources:

$$\text{SALARY} = \text{Total Compensation} + \text{Other Denominational Compensation}$$

Minimum Salary (MS)

Equitable Compensation (EC) is based on what is known as “minimum salary” (MS). **Minimum salary only applies to full-time appointments.** There are no minimum salary requirements for part-time appointments. Minimum Salary consists of the following:

1. Total cash salary
2. Housing-related allowances and utilities (includes utilities paid FOR the pastor)
3. Accountable reimbursements (does not include utilities paid FOR the pastor)

The Equitable Compensation and Texas Annual Conference Minimum Salaries for 2021 – 2024 as are as follows:

<u>Conference Relationship</u> Designations	Minimum Salary by Year for Full-time Appointments			
	2021	2022	2023	2024
	(\$)	(\$)	(\$)	(\$)
FE, FD, AM, PE, PD, OE, OD, OA, OF, OPD, OPE	42,000	43,000	44,000	44,500
FL	36,000	37,000	38,000	38,500
FL-SS	33,000	34,000	35,000	35,500
FL-US	30,000	31,000	32,000	32,500

All churches / charges receiving equitable compensation are encouraged to provide an annual salary increase of 2.5% with the understanding that the above-mentioned salaries are the starting point for equitable compensation and minimum Conference salaries for the respective years.

EC Is Available for a Maximum of Five Years

EC is designed to help charges grow through the benefit of having the appropriate pastoral staffing even though they might not initially be able to afford it. The goal is to enable charges to grow in ministry and mission so that they can, after a maximum of five years, afford to pay the full MS for their clergyperson without any assistance.

Although an exception to this five-year rule may be granted by a unanimous vote of COEC and the Cabinet, in the past few years, these exceptions have become so many that they are depleting COEC funds for the assistance of charges/churches who meet all requirements. In order to properly steward its resources, COEC will hold more steadily to the five-year maximum.

How Your Charge Can Qualify for EC

To qualify for EC, your charge must pay 75% of your clergyperson's salary. To qualify for EC, your charge must pay 100% of the **Medical Benefits Program**.

To qualify for EC, your charge must pay 50% of the following apportionments:

- World Service
- Ministerial Education Fund
- Pensions (Conference Claimants)
- District Superintendents Fund
- Episcopal Fund
- Equitable Compensation Fund
- Center for Congregational Excellence
- Center for Clergy Excellence
- Center for Missional Excellence
- Center for Connectional Resources Excellence

WHEN to Request EC for a Charge

The pastor, PPRC chair, or the DS may initiate the request for EC. For clergypersons to receive EC in a timely fashion, the pastor should submit the request to the DS and the DS should deliver the request to COEC as soon as possible. PPRCs and pastors should work together in an ongoing, transparent dialogue about the ability of the church(es) to sustain a fulltime pastor and seek counsel from the DS about creative solutions for future ministry opportunities.

EC Grant for Pastor's Portion of the Conference Health Insurance Program

Clergypersons who serve EC charges can apply, through their DS, for a grant from EC that pays the clergyperson portion of the Conference Health Insurance Program. The DS must forward the application to the Chair of COEC (by no later than January 15th), with detailed reasons for the request. All applications must be approved by COEC before any grants can be awarded.

Note: Requests for Health Insurance grants MUST be made separately from EC requests. In other words, being granted EC funds does not automatically guarantee a Health Insurance grant.

Additional EC Assistance for Full-time Clergy (100% appointment) Serving More than Two Churches in a Charge.

These clergy whose charges consist of more than two churches may request additional support. For the third church they may request an additional \$400 per year. For a fourth church or more they may request an additional \$400 per year. The total requested may not exceed \$800 per year.

Note: Requests for this additional assistance MUST be made separately from standard EC requests. In other words, being granted EC funds does not automatically guarantee additional assistance for charges consisting of more than two churches.

One Round-Trip-Per-Week Commuter Allowances for Student, Retired, Part-time Local, and Lay Appointments

Those listed are eligible to receive a commuter allowance for ONE round trip per week (equal to 30 cents per mile) from their school or residence to the parsonage or the logical center of the parish, up to a maximum of 300 miles per week. Full-time appointments are NOT eligible for a commuter allowance.

Note: To be considered for a Commuter Allowance, you must fill in the commuter mileage on the “Other Items” page of the electronic Salary Sheet System and apply through your DS. The DS must forward the application to the Chair of COEC (by no later than January 15th), with exact information about the mileage and locations driven between. All applications must be approved by COEC before any allowances can be awarded.

Note: Requests for Commuter Allowances MUST be input into the electronic Compensation Administration System and will be considered along with EC requests. In other words, being granted EC funds does not automatically guarantee a Commuter Allowance.

Clergy Move Policy

Procedures and Guidelines may be found on the Conference Website – www.txcumc.org under Leadership Formation > Relocation Information. The proposed move policy effective 7/1/2023 is also found as addendum 1 at the end of this report.

Please Note – Paid Moving Expense are Taxable Income

The Tax Cuts and Jobs Act (the “Act”) made numerous changes to the taxation of both individuals and organizations. Several of the changes relate to deductions available to individuals. One such change involves moving expenses.

The end result is that (1) moving expenses incurred will not be a deductible expense (except for certain members of the Armed Forces) and (2) any reimbursement by, or payment of, moving expenses by an employer will need to be reported as taxable income to the employee.

Thus, for example, if a local church covers some or all of the moving expenses of an employee, such as its pastor, the church will need to report that amount on Form W-2 as taxable income to the employee. And, as another example, **if the payment of moving expenses is made by an annual conference on behalf of a pastor serving a local church, the conference will need to issue that pastor a Form 1099-MISC reflecting the amount paid** (the instructions to Form 1099-NEC state Box 1 should include “taxable fringe benefits for nonemployees,” which will presumably include moving expenses for the years during which Sections 217 and 132(g) are suspended).

Housing and Parsonage Standards for the Texas Annual Conference.

The church today demands the clergy to be not only a preacher, as was the early circuit rider, but a resident pastor and responsible citizen in the community. In order to meet these felt needs, and to call men and women

to a dedicated ministry, the church must provide living conditions that will establish an adequate base from which to operate. Fulltime Elders (including Provisional Elders), Associate Members, and Fulltime Local Pastors shall be provided either a parsonage or a housing allowance.

Minimum Housing Allowance

In the case of no parsonage, the minimum housing allowance amount for clergy (and clergy couples) will be set using a rate of 25% of pension cash for each clergy. The calculated allowance(s) will be compared to an amount (i.e., annual cost) determined to be the fair market value for homes in the respective neighborhood where the clergy home is located. If the annual cost for fair market value is greater than the calculated housing allowance, then the allowance is increased to equate to the fair market cost.

Note: The above Clergy Housing Allowance Policy and the requirement for either a parsonage or housing allowance in lieu of parsonage pertain only to Fulltime Elders (including Provisional Elders), Associate Members and Full-time Local Pastors. The primary concern in establishing a minimum housing allowance amount was to ensure that clergy at the lower end of the compensation range and that clergy couples each receive an adequate housing allowance.

It is the privilege and responsibility of the members of each congregation to provide a physical setting which will give the parsonage family the comfort and convenience so that the energies of the pastor may be more concentrated on his or her task and willing service in the Church of God. It is the responsibility of the parsonage family to provide cleaning and care of the parsonage, which will protect the interior facilities and amenities such as paint and floor coverings.

Because the parsonage, like the church building, reflects upon the congregation and pastor, it should be in such condition that all concerned can be justifiably proud of it. In view of this, we make the following recommendations regarding parsonage Standards for this Annual Conference.

1. **Size of Building and Living Areas.** The new or remodeled parsonage should be large enough to accommodate the pastor's family. It should provide adequate space for the entertainment of guests. It should be remembered in selecting a parsonage that the present parsonage family is not the only one who will live in that parsonage and that the house should be adaptable for a variety of family sizes and situations.

We **recommend** the following minimum standards:

- a. 1800 square feet of living space
 - b. 3 bedrooms and 2 bathrooms
 - c. Adequate major appliances (stove, refrigerator, washer, dryer)
 - d. Hot and cold running water in bathrooms, kitchen, and laundry
 - e. Adequate heating and air conditioning
 - f. Adequate closet and storage space
 - g. Adequate garage or carport space with outdoor storage area
2. **Health and Safety**
 - a. Proper sewer disposal according to the standards of local and/or State Department of Health
 - b. Fire extinguisher in kitchen with yearly inspection
 - c. Provide smoke detectors for kitchen, living, and bedroom area
 - d. Provide carbon monoxide detectors in kitchen and bedroom area

3. Furnishings

- a. Window covering, drapes, curtains, and blinds should be provided to ensure adequate privacy.
- b. If the parsonage family is expected to maintain the lawn, the church should provide a mower, lawn tools, and hoses.

4. Miscellaneous

a. Discovering Needs: The Chairperson of the Pastor Parish Committee, the Pastor and the Chairperson of the Trustees or Parsonage Committee should inspect the parsonage at least once a year using the standards identified in Paragraph 258 g (16) of the 2016 Discipline to discover needed repairs, improvements, and decorations. The Committee or Trustees should assume the initiative since it is their responsibility to maintain the parsonage in good condition, and since prompt attention lessens total cost of maintenance. An evaluation form will be provided by the Conference Commission on Equitable Compensation to the District Superintendents and be included in the Charge Conference packets.

It needs to be remembered that the parsonage is the PASTOR'S HOME and inspection should be scheduled in plenty of time to meet the convenience of the parsonage family.

b. Insurance: The Trustees should be certain that the church owned house and contents are insured for at least 80% of replacement cost against fire, wind, and other hazards. Public liability insurance should be carried on parsonage property. A separate flood insurance policy should be provided by the church.

c. It is highly recommended that all ministers purchase tenant homeowner's insurance to cover personal possessions and liability.

IT IS THE SOLE RESPONSIBILITY OF THE PASTOR TO INSURE PERSONAL PROPERTY BELONGING TO THE PASTOR AND FAMILY.

Parsonage Record Book: It is recommended that each church establish a Parsonage Record Book containing an inventory of parsonage furnishings owned by the church, any warranties on items purchased for the parsonage, a service and repair record with dates of repair or service copies of the annual inspection and moving day checklist, and any other receipts, printed materials, or pertinent information.

A copy of these standards shall be distributed at Charge Conference by the District Superintendent to each church with a copy of the Evaluation forms. The PPR Committee, Trustees or Parsonage Committee shall conduct a review of the parsonage and how it related to these standards (below average, average, meet standards, needs immediate attention) and submits their findings at each Charge Conference. Action should be taken as soon as possible to bring each parsonage within an acceptable range based on these minimal standards.

Addendum 1

Clergy Relocation Committee Guidelines and Moving Policy

The Texas Annual Conference (TAC) has approved this moving policy, effective for moves related to appointments starting on and after July 1, 2023. **The TAC will reimburse up to \$4000 for a clergy move.**

This Moving Policy applies to appointments in the TAC where the clergy person will have the Conference Status of FE, PE, AM, or FL (unless the clergy is also attending seminary); it also applies when a member of the clergy retires, dies, or is appointed to Incapacity Leave. Clergy appointed to an Extension Ministry under the provisions of ¶ 344.1.a.1 are eligible. Failure to comply with the provisions of this Moving Policy will result in forfeiture of this benefit.

A. General Procedure

1. Once an appointment is made, the Center for Leadership Formation will complete and sign Part 1 of the Clergy Relocation Form (CRF) and then send it to the clergy via E-mail. This E-mail also includes the Moving Policy, with important information about moving and clergy benefits. Copies of this email are sent to the District Superintendent (DS) and District Administrative Assistants (DAA(s)) of the districts involved.
2. Clergy are responsible for packing their own belongings. The Conference will pay up to a total of \$550 (included in the \$4,000 maximum) moving reimbursement for special packing (mattresses, mirrors, etc.) by the moving company and also for moving supplies. The charge for special packing is usually included in the quote from the moving company and paid to them. If the moving company provides boxes and moving supplies, the cost will be also included in their quote. For items purchased by the clergy, reimbursement to the clergy for these supplies can be obtained by submitting the original invoices to the Center for Leadership Formation at the address on the Contact Information sheet. Please include your mailing address with the invoices. Please note that any packing materials billed by the moving company and shown in the estimate they submit are included in the \$550 total. Electronic detailed receipts are permitted but must be legible.
3. Clergy are responsible to submit a W-9 on agreement to their moving terms.

B. Using A Moving Company Billing the Annual Conference

1. The clergy chooses a moving company and sets up an appointment with the moving company for an estimate. This should be done within 7 days of receiving the e-mail from the Center for Leadership Formation office. We recommend that the clergy obtain two or more estimates and chose the one that seems best.
2. When the moving company has agreed to bill the annual conference directly, then the clergy completes and signs Part 2 of the Clergy Relocation Form (CRF) and sends it with the selected moving company estimate to the Center for Leadership Formation office.
3. Following the move, the clergy submits all documentation and receipts to the Center for Leadership Formation office for reimbursement.
4. The Center for Leadership Formation sends an approval letter (with copies of the Relocation Form and quote) to the moving company to authorize the move.
5. A copy of the approval letter and attachments is also sent to the clergy.
6. After each move, the moving company will bill the TAC directly for the portion of the move that has been approved. Any additional amounts are the responsibility of the clergy and should be paid at the time of the move.
7. In the event clergy do not live in a parsonage, clergy must complete their move no later than 120 days after the date of their appointment. Exceptions must be approved by Cabinet.

C. Self-Move

1. Clergy may elect to move themselves and will have to pay up front for all of the costs of the move. Reimbursement up to \$4000 will be provided upon receiving the receipts.
2. TAC will reimburse the clergy for reasonable expenses for a self-move. These include truck rental, moving/packing supplies, and gas used for the rental truck (or mileage at the current IRS rate for moving). The TAC reserves the right to determine which expenses are "reasonable".

3. Original receipts must be sent to the Center for Leadership Formation at the address on the Contact Information Sheet together with the Clergy Relocation Form. Electronic receipts are permitted but must be legible.

D. Special Situations

1. In the event of a move originating from outside (or moving to outside) the Texas Annual Conference, the TAC will only pay for the cost incurred inside the Conference boundary.
2. When a pastor is moving to an appointment as Student Pastor inside the Texas Annual Conference, expenses will be reimbursed up to a maximum of \$500. In this case, the clergy will submit a Clergy Relocation Form and receipts for reimbursement after the move.
3. When a clergy couple is moving to a new appointment, an additional \$500 may be approved to allow for additional books and additional stops.
4. Deacon moves are not currently covered by this policy, but the local church is encouraged to assist deacons with expenses incurred during a move to a new appointment.
5. The Conference reserves the right to make a decision (based on the intent of the policy) if a particular issue is not specifically covered by the Policy.
6. Seminary students moving to the TAC for an appointment may be reimbursed the full amount of eligible expenses incurred for a self-move. Policies under Section E are applicable.
7. Seminary students moving to the TAC may be reimbursed for Storage fees needed for the time between graduation and the start of an appointment. This is handled on a case-by-case basis.

E. Relocation Costs Over the Approved Amount

1. Clergy will be obligated to pay for amounts not covered by the Moving Policy and this is a matter between the clergy and the moving company.

F. Moving Dates

1. There will need to be some flexibility of moving dates with a range of 2 or 3 days.
2. Clergy will need to check with the clergy at the new appointment to see when the parsonage is available. This should be done early in the move process, to allow for coordination of the moves.

G. Tax Implications

1. Under the 2018 changes to the Income Tax Code, all moving expenses paid or reimbursed by either the Texas Annual Conference or your church will now be treated as taxable income to you. You will receive the appropriate documentation at year-end and should be prepared to withhold extra taxes to cover your liability.
2. For further information see IRS Publication 521 or consult your income tax professional.

New Faith Communities
Rev. Morris Matthis, Director

It's the story of a wandering people who no longer have a home being cared for by a mighty God and being led to a promised land. It's the story of a broken hearted group of disciples who found renewed hope in the presence and power of a risen Savior. That's the Biblical story and it has been the story of many of the people called United Methodist in the Texas Annual Conference. Certainly, the disaffiliations of so many churches has loomed large in our life together over this past year. But what will be remembered and celebrated by so many in our conference in the years to come is the faithfulness and courage of so many who were committed to the continued proclamation of the gospel in a United Methodist voice in their communities. Their stories have inspired pastors and church members in our conference and even beyond. During this past year churches have been started in Jasper, Woodville, Baytown, Jacksonville, Bryan and Conroe. A church has also been started in northwest Houston with plans for another in the south. In addition, there are conversations about churches in other places as well. While not totally abandoning conventional wisdom about church planting, this unique moment, which represents significant kingdom opportunity, has required out of the box thinking. These are plants like no others. Not parachute drops. Not mergers. Not second campuses. The core of these churches are people who have a mature understanding of what it means to be a follower of Jesus, what it means to be the church, and what it takes for a church to fulfill its mission. While the conference has made a significant commitment to supporting these new churches, not a one of them would exist without the faithfulness of these leaders. Even as we celebrate the launch of these new churches, their future and the future of additional new churches yet started will depend on the continued commitment of the conference to provide funding, support, and pastoral leadership to these churches. That means not only starting churches as we have traditionally known them but also being open to learning new models for church planting that may take us back to our Biblical roots of people gathering in places that don't look like church and yet being the church in every way. As God's people crossed the Jordan river, as the disciples first saw their risen friend and Savior, they couldn't imagine the future God had in store for them. We don't know what God has for us in the years to come. But as they were faithful, when we are faithful amazing things can happen. Let it be so friends! Let it be so!

United Methodist Men
Robert Wright, Interim President

The Texas Conference leadership held an online meeting on March 17 and made several decisions, which included the holding of the half-day men's ministry event—*Men of the Spirit*-- in Houston on July 23.

In May we made site visits to St. Matthew's UMC and St. Paul's UMC, both in Houston. There had been previous contact with both via phone and email. The former was the planned site for a *Men of the Spirit* half-day event on July 23; the latter was to be the site for a *Lead Like Jesus* Encounter in September.

Robert Wright preached at St. Matthew's UMC (Houston) on Father's Day (June 19). The title was *The God You May Not Know*; the theme was developing a closer relationship with the Holy Spirit.

On July 11 we spoke to the men at Clear Lake UMC about the United Men's Ministry platform and the connection between GCUMM, the jurisdictions, conferences, and local units.

On July 12 we met with Jeff Springer, of Suit Up Ministries (Magnolia, TX), a group that focuses on discipling dads. We hope to contact other groups in the Houston area to help promote each others' events and collaborate on future events.

On October 5 we met with the UMM of Naples UMC. This was more of a general discussion and needs assessment. They want to grow their ministry, with a focus on attracting younger men into the group. We have gathered and synthesized relevant GCUMM resources and will make a follow-up presentation in February

We hope to continue to meet with local men's ministries. Much of our past efforts have focused on the Houston-Galveston area of the conference. We now seek to focus on the more northern districts and smaller, rural churches.

Events

The Men's Ministry had a display at the 2022 Annual Conference (May 27-June 1). It was well-received and several new contacts were made.

We worked with St. Matthews UMC in Houston to hold a half-day *Men of the Spirit* event on July 23. Bishop Scott Jones was the keynote speaker. Other speakers included:

- Bob Neal, UMM President, Covenant of Faith UMC (Houston, TX)
- Ken Rheingans (virtual), The Epworth League
- Reverend Marvin Hood Pastor, Newgate Fellowship UMC (Spring, TX)
- Jim Boesch (virtual), Deployed Staff, General Commission for United Methodist Men

The event was attended by 32 men. In the future, such events will be planned for either before annual conference or after Memorial Day; scheduling a summer event is difficult as it conflicts with people's vacations plans.

We worked with Mark Lubbock to create a presentation for the SCJ Conference in November. Robert Wright made the presentation to the conference on November 5.

Live Bold & United Men's Ministry Platform

We have stopped promoting the United Men's Ministry platform after receiving reports that there are no new offering since the initial March release. We did not want to lead groups into investing in a dead end.

We are pushing the *Live Bold* app and are using that as the tip of the spear for our promotional activities.

We are working with Greg Arnold of the General Commission on United Methodist Men on a study of the *Live Bold* app; once approved by the University of North Texas Institutional Review Board (an ethics committee), we hope to begin the study in the first quarter of 2023.

Membership

We are looking at the 2022 conference journal to identify the more active men's ministries in the conference, with the plan to contact and visit them. The preoccupation with disaffiliation hindered interest in UMM activities.

Of the 598 congregations of the TAC, 298 (49.8%) chose to disaffiliate and were approved at the December 3 Special Session. An early list of remaining churches was distributed by an unofficial lay group; but this proved to be inaccurate; we are getting an updated list from the conference and will contact remaining UMM units and their congregations.

United Women in Faith celebrated in 2022. More than 3,000 gathered in Orlando, Florida, and online for United Women in Faith's Assembly 2022, held May 20-22 at the Orange County Convention Center. Twenty-four countries and all 50 states were represented at the event with the theme "Turn It Up!"

Our Conference started our year with a Leadership Development Training Event in January, followed by the Texas Legislative Event held in Austin, in-person and virtually: <https://www.umwriotexas.org/legislative-event>.

Our Spring Spiritual Growth Retreat was held virtually. During the summer we had great attendance at our Mission U event. The study was centered around the theme "Who Can We Be Together?"

In cooperation with Texas Annual Conference Mission Center, United Women in Faith collected materials and money for Care Bags for children and adults. The items were assembled in backpacks to assist people during disasters, homelessness, being released from incarceration. We donated 200 Adult Care Bags, 200 child Care Bags and \$28,366.80.

The United Women in Faith Legacy Endowment Fund campaign is ongoing as we strive to meet our goal of \$60,000.00, to date the value is \$36,033,499.69.

We have inherited a rich legacy of women who pray for each other and are generous with their resources, diligent in turning faith, hope and love into action on behalf of women, children and youth around the world. We will continue our legacy by Faith, Prayer and Perseverance, just as our fore Mothers did 150+ years. We will pray to connect with women who want to share in God's work through participation in mission opportunities that are available through United Women in Faith.

CENTER FOR CONNECTIONAL RESOURCES

Center for Connectional Resources
Rev. Robert Besser, Director

The City of Houston and the great State of Texas are known across the globe for our natural resources—gas and oil, trees, water, land, cattle, solar, wind, battery and much more—to provide all that is necessary to empower our cities, communities, residences, and businesses across our vast state for the success of all. However, the most important resource, is its people. When partnered together and moving in the same direction, we are unstoppable. We can accomplish more than we ever dreamed possible! The past – the present – and the future state of Texas depends upon all her people pulling together to use our limited resources to enable everyone to reach their full potential.

The same is true for the Texas Annual Conference. Our past, our present, and the future of the United Methodist Church depends upon all of us using our resources in the best possible ways to make disciples of Jesus for the transformation of the world. The world needs us!

The Center for Connectional Resources seeks to be in partnership with every clergy and congregation of the Texas Annual Conference. We are here to enable all our ministries to be successful. We provide necessary resources for clergy, laity, and congregations, including fiscal oversight, property management, health and pension benefits, and archives and records to undergird the mission and ministry of the Texas Annual Conference. We seek to be good stewards of the human and financial resources entrusted to us, and to serve and support lay and clergy leaders, staff members, churches, and districts in the Texas Annual Conference as together we make disciples of Jesus Christ for the transformation of the world. Contact our leaders and/or staff if we can serve or support you or your church!

Receipts & Expenses

In 2022, Conference receipts exceeded expenses by \$1.382 million. Investment returns resulted in losses totaling \$2.371 million. The net effect was a decline in Conference operating reserves in the amount of \$0.989 million during the year. In 2021, Conference expenses exceeded receipts by \$0.432 million. Investment returns resulted in gains totaling \$1.046 million. As a result, Conference operating reserves increased by a net amount of \$0.614 million during the year.

90.42% (\$15.374 million) total apportionment income was received in 2022, which was an increase of 16.69 percentage points over 2021 (73.73%). Much of this was a result of the disaffiliated churches required to pay both their 2021 and 2022 apportionments.

As of January 1, 2023, 300 churches remained in the Texas Annual Conference. Of those, 233 (77%) of the United Methodist churches in the Texas Annual Conference paid 100% of their General Church, Jurisdictional, and Conference apportionments in 2022.

Please refer to Addendum A at the end of this report. It compares apportionment receipts in all three categories of connectional giving for 2021 with 2022. If you look at the “apportionments total” (including General & Jurisdictional, Texas Annual Conference and Fair Share Goals totals), you’ll see we received a total of 88.00% in 2022 vs. 72.17% in 2021, approximately 15.83 percentage points more.

Addendum B at the end of this report compares budgeted receipts to actual receipts for 2022. However, considering the challenges faced by our local churches in 2022, we are grateful members and churches were willing and able to be very generous. It also has the 2023 Spending Guide summary.

Please remember: Apportionments are divided into three categories of connectional giving:

- **Texas Conference -**
Texas Conference apportionments are conference budget funds that serve the ministries of the Texas Annual Conference and are apportioned to our local churches. Each year, the Council on Finance and Administration recommends a budget for Annual Conference approval for the coming year, which determines these totals.
- **Fair Share Goals**
Fair Share Goals are optional benevolent giving opportunities which benefit wonderful conference and connectional ministries. Fair Share Goal ministries and dollar goals are determined by the Council on Finance and Administration.
- **General and Jurisdictional**
General and Jurisdictional apportionments are general church and South Central Jurisdictional budget funds apportioned to Annual Conferences. By the Book of Discipline, our conference cannot change or reduce these amounts. Our 2024 General Church Apportionments is reduced by 45.77% from \$6,629,997 to \$3,595,604. Our 2024 Jurisdictional Apportionments is unchanged at \$232,667.

2. Fiscal Assets

Please refer to Addendum C at the end of this report. (As of 12/31/2022)

The chart labeled Addendum C at the end of this report is a “Visual Balance Sheet,” if you will; a way of “seeing” on one page all conference fiscal assets as of the end of 2022 and how they can be used.

Rectangles on the right side of the Visual Balance Sheet show our total fiscal assets: \$2.659 million in **Cash** at Hancock-Whitney Bank; \$27.338 million **Nonrestricted Investments** (funds invested with Wespath and Texas Methodist Foundation; which are not permanently restricted, but either temporarily restricted or available to use as needed for ministries and/or operating expenses); and \$11.103 million in **Restricted Investments** (funds invested with Wespath and Texas Methodist Foundation; which are permanently donor restricted, and can only be used for certain types of ministries). Fiscal assets total \$41.100 million.

Rectangles on the left side of the Visual Balance Sheet show the same fiscal assets categorized differently. Fiscal assets still total \$41.100 million. However, after subtracting the **Restricted Investments** (which can only be used for certain types of ministries), we see that of the assets available for use as needed (**Cash + Nonrestricted Investments** on the right side), at the end of 2022, we had \$0 in **Current Liabilities**, \$19.888 million in **Designated Reserves** and \$10.109 million in **Operating Reserves**.

Total Assets minus **Current Liabilities** minus Restricted Investments minus **Designated Reserves** = **Operating Reserves**:

Total Assets	\$41.100M
<i>Less:</i>	
- Current Liabilities	\$ 0.000M
- Restricted Investments	\$11.103M
- Designated Reserves	<u>\$19.888M</u>
= Operating Reserves	\$10.109M

A few definitions:

Cash is literally the cash in our checking account at Hancock-Whitney Bank, used for ministries, compensation, and other operating expenses.

Nonrestricted Investments include our Designated Reserves, which are temporarily restricted. However, all the remaining funds within them and all earnings on these investments are Operating Reserves which can be used as needed for ministries and/or operating expenses. A list of Nonrestricted Investments can be found in *Addendum E* at the end of this report.

Most **Restricted Investments** are governed by endowment documents, which permanently restrict the initial investment or principal, and restrict the earnings on those investments for specific purposes, often with specific withdrawal instructions designed to fund ministry without depleting the original investment. Examples of Restricted Investments include the Missions Endowment invested at Vanguard and the Emerging Leaders Endowment invested at TMF. A list of Restricted Investments can be found in *Addendum E* at the end of this report.

Designated Reserves are temporarily restricted funds our council has chosen to restrict for certain purposes or ministries. They include some donor restricted funds (like the proceeds from conference-wide appeals for disaster relief) and funds which were temporarily restricted for a specific purpose (for example, property proceeds reserved for campus ministries). A list of Designated Reserves can be found in *Addendum D* at the end of this report.

Current Liabilities are amounts owed to others, which we cannot claim as unrestricted assets. These are mainly the result of timing issues; funds owed at the end of the fiscal year and are paid in Quarter 1 of the following year.

Operating Reserves are the funds which remain when all other claims on our assets are subtracted from the total. These funds can be used as needed for ministries and/or operating expenses. Total Assets minus Restricted Investments minus Current Liabilities minus Designated Reserves = Operating Reserves. A common “rule of thumb”: organizations should keep a minimum of 10% of their annual budget in operating reserves. At the end of 2022, we had over 100% of our annual conference budget in operating reserves. We are financially stable and ready for future opportunities!

3. Designated Reserves

Please refer to Addendum D at the end of this report. (As of 12/31/2022)

Designated Reserves are temporarily reserved funds our council has chosen to restrict for certain purposes or ministries. As you can see in the list labeled Addendum D at the end of this report, these reserves include some donor restricted funds (which were donated for certain ministries under one of three categories: Assistant to the Bishop, Center for Leadership Formation, or Center for Connectional Resources).

The Council on Finance and Administration plans to keep all Designated Reserve funds restricted, unless at some point in the future the intended ministries no longer exist. In that case, the council could redesignate those funds to be used for similar purposes.

Of course, Designated Reserve fund totals change every month as funds are used for ministry and as new funds are established. Fund balances are reported each year here in the journal, reported to center directors monthly, and made available to others as needed through the conference fiscal office. At the beginning of 2022, the balance was \$9,908,014.63 and ended the year with a balance of \$19,887,800.85.

4. Fiscal Investments

Please refer to Addendum E at the end of this report. (As of 12/31/2022)

Fiscal non-restricted investments increased by \$9.311 million in 2022. Investment returns were negative during the year. Aggregate performance across investment positions netted a loss of \$2.371 million; a negative return for the year of -13.2%. Net contributions to investment positions in 2022 totaled \$11.682 million. The ending market value of the non-restricted investments totaled \$27.338 million as of December 31, 2022.

Beg balance 1-1-22	\$ 18,026,886
Net contributions	11,681,948
Investment losses	<u>(2,371,202)</u>
End balance 12-31-22	\$ 27,337,633

For a complete report on conference fiscal and benefits investments and earnings, please refer to the Investment Committee Report.

The spreadsheet labeled Addendum E (effective 12/31/2022) at the end of this report shows all fiscal funds except those in our Hancock-Whitney Bank Checking Account, including funds invested with Wespeth and TMF (Texas Methodist Foundation). Shaded areas highlight our **Nonrestricted Investments**. Every line item not shaded is a **Restricted Investment**.

Most **Restricted Investments** are governed by endowment documents, which permanently restrict the initial investment or principal, and restrict investment earnings for specific purposes, often with specific withdrawal instructions designed to fund ministry without depleting the original investment. Examples of Restricted Investments include the Missions Endowment invested at Wespeth and the Emerging Leaders Endowment invested at TMF.

As of December 31, 2022, **Nonrestricted Investments** totaled \$27.338 million, of which \$19.889 million was identified as designated reserves.

6. Projections and Expenditure Guidelines 2023

Please refer to Addendum 2023 Spending Guide at the end of this report.

Each year, the Council on Finance and Administration relies on the conference fiscal office's end-of-year projections to help conference staff align spending with expected receipts. This year's need for every congregation to pay 100% of their apportionments is critically important. For the ministries of the Texas Annual Conference to continue, we must pull together as one body—to continue serving and making disciples of those inside the church, while at the same time reaching those outside the church.

The chart below shows the 300 congregations in the Texas Annual Conference by district. Their apportionment amounts in 2022 were \$5,217,604. In 2023, their apportionments totals are \$5,018,162. If every church paid 100% of their apportionment asks, our income for the ministries would receive \$5,018,162 in receipts. Our 2023 spending guide (budget) is based upon 100% payout of every United Methodist church.

District	# of Churches	2022 Apportionment	% Paid 2022	2023 Apportionment
CN	15	\$ 354,410	89.86%	\$ 334,882

8. Apportionment Giving

What is an apportionment?

In the United Methodist Church, the vital web of the interactive relationships of connectionalism are funded through apportionments, “a portion meant” for others.

Apportionments are divided into three categories of connectional giving:

- **Texas Annual Conference Ministries**
Conference apportionments are conference budget funds apportioned to local churches. Each year, the council recommends a budget for Annual Conference approval for the coming year, which determines these totals.

- **Texas Annual Conference: Fair Share Goals Ministries**

Fair Share Goals are optional benevolent giving opportunities which benefit wonderful conference and connectional ministries. Fair Share Goal ministries and dollar goals are determined by the council each year.

- **General and Jurisdictional Ministries**

General and Jurisdictional apportionments are general church and South-Central Jurisdictional budget funds apportioned to annual conferences. By discipline, our conference cannot change or reduce these amounts. Recommendations to lower general church apportionments (by about \$1 million/year for our conference) have been delayed because of the pandemic-caused postponement of General Conference 2020.

How are apportionments calculated?

After a budget for the following year is approved at Annual Conference, budget totals are apportioned to local churches using an expenditure-based formula. An explanation of how apportionments are calculated can be found on our conference website txcumc.org. For more information, contact our Conference Treasurer at rbesser@txcumc.org

Each fall, apportionment statements for the following year are sent to a representative of each church by email. By discipline, apportioned amounts must be paid monthly by local churches to the conference fiscal office. During each year, monthly apportionment statements showing amounts and percentages paid are sent to a representative of each church by email. If your church is not receiving apportionment statements, please contact Staff Accountant Rochelle Cebrun at rcebrun@txcumc.org.

How are apportionments paid?

By discipline, apportioned amounts must be paid monthly by local churches to the conference fiscal office. There are several ways to pay:

- **Online:**

Yes, you can pay apportionments online. The first time you pay online, and any time you pay before or after the calendar year in which the apportionment is due (for example, if you send in 2023 apportionments in early 2024), please contact Rochelle Cebrun at rcebrun@txcumc.org, for set up and instructions.

- **Mail:**

Please do not pay by cash.

If you are paying by check, please make your check **payable to:**

“Texas Annual Conference”

Please do not make the check payable to “Treasurer” or “Robert Besser.”

Mail your check directly to our bank’s lock box:

Texas Annual Conference
Department 0447
P.O. Box 120447
Dallas TX 75312-0447

- **Delivery:**

Please do not pay by cash.

If you are planning to deliver a check to the conference office, please write the check payable to “Texas Annual Conference” and deliver your check to our physical address:

Texas Annual Conference Service Center
5215 Main Street
Houston TX 77002

- **Paying 2023 apportionments in 2024:**

Apportionments for 2023 must be paid by **January 10, 2024**. Feel free to mail or deliver your 2023 apportionments by January 10, 2024. If you want to pay your 2023 apportionments online on or after January 1, 2024, please contact Rochelle Cebrun rcebrun@txcumc.org for set up and instructions.

8. Giving beyond the Budget

- **Fair Share Goals**

Fair Share Goals are optional benevolent giving opportunities which benefit connectional ministries. Fair Share Goal ministries and dollar goals are determined by the council each year. A complete description of the current Fair Share Goals ministries can be found on the website txcumc.org.

- **UMC Special Sundays and Offerings**

The council recommends the observance of 2024 Special Sundays and encourages each church to receive an offering.

Special Sundays recommended by the General Church (*The Book of Discipline* ¶1824):

Human Relations Day – Sunday before Martin Luther King Jr.’s birthday, *January 14, 2024*

UMCOR Sunday – Fourth Sunday in Lent, *March 10, 2024*

Native American Sunday – Third Sunday of Easter, *April 14, 2024*

Peace with Justice Sunday – First Sunday after Pentecost, *May 26, 2024*

World Communion Sunday – first Sunday in October, *October 6, 2024*

United Methodist Student Day – last Sunday in November, *November 24, 2024*

Special Sundays recommended by the Texas Annual Conference:

Wesley Community Center Sunday – third Sunday in February, *February 18, 2024*

Golden Cross Sunday – first Sunday in May, *May 5, 2024*

Methodist Retirement Services Sunday – second Sunday in May, *May 12, 2024*

Christian Education Sunday – fourth Sunday in August, *August 25, 2024*

Disability Awareness Sunday – second Sunday in October, *October 13, 2024*

- **Offerings during Annual Conference Sessions**

During Annual Conference Sessions, May 28 through May 31, 2023, delegates, and guests will be invited to consider three offerings:

1. **Sunday's Opening Celebration Service:** At the opening celebration we will receive an offering going toward our New Faith Communities initiative. As you know the events of the past year have created some unique opportunities for New Faith Communities. Sunday night we will have the opportunity to contribute to these exciting ventures.

2. **Monday's Memorial Service:** Monday afternoon at our Memorial Service we will have the opportunity to continue to partner with the Laos WELD Project: Water, Education, and Leadership Development. This project focuses on bringing clean water to communities deeply impacted by illnesses associated with the lack of clean water; education of children who do not have access to public education; and Leadership Development as we continue to equip pastoral leaders for this country that is experiencing revival in wonderful ways.

3. **Tuesday's Ordination/Commissioning Service:** On Tuesday night we will celebrate the commissioning and ordination of clergy for the Texas Annual Conference. Bishop Harvey has a custom of taking ordinands on a trip to The Holy Land every other year. This coming January, she hopes to take those who were ordained last year and those being ordained this year with her to the land often referred to as the Fifth Gospel. Few things impact a clergy person's pastoral ministry as much as a trip to The Holy Land where one has the opportunity to stand by the Sea of Galilee and read the Beatitudes, kneel at the Pool of Bethesda and almost hear Jesus ask, "Do you want to be made well?", walk down the Palm Sunday road with Jerusalem in sight remembering Jesus weeping over the city, and so many other moving experiences. It's an honor to invest in this trip for our clergy.

So, this year come to the Texas Annual Conference prepared to invest in these ministries that are guaranteed to have an exponential return on their investment through kingdom impact.

- **Conference-wide Appeals**

From time to time, when the opportunity to address extraordinary needs arises, the council approves a conference-wide appeal, an offering for a specific purpose for a specific time.

10. Report Day 2024

What is Report Day?

After the end of each fiscal year in January, each local church submits an End of Year Report (local church statistics) to their district and any remaining apportionment payments to the conference on what is traditionally referred to as "Report Day." Report Day is scheduled for **January 9 and 10, 2024**. Each district may choose one or both days to report.

Why is Report Day so early?

The conference would love to schedule Report Day for late January or February to give every local church plenty of time to complete reports and forward apportionments. However, general church apportionments are due to the General Council on Finance and Administration during the week of Martin Luther King, Jr. Day, usually on or about January 19 or 20. And End of Year Report statistics are used by our Texas Annual Conference Cabinet during inventory and appointment season, which begins in late January. Thanks so much for reporting 2022 statistics and paying 2022 apportionments by January 11, 2023.

11. Annual Audits

Each year, the Texas Annual Conference fiscal, episcopal, and benefits offices are audited by an independent certified public accountant. As we write this pre-conference journal report, the CPA firm, Ratliff and Associates, is reviewing our accounts. Copies of our completed audits will be available in the Conference Office. Please contact Controller Mark Hellums mhellums@txcumc.org for additional information.

<p>Board of Trustees Hal Sharp, Chairperson Rev. Robert Besser, Treasurer Rev. Dr. Will Reed, Chief Operating Officer</p>

The Board of Trustees serve as directors of the Texas Annual Conference of the United Methodist Church, incorporated as a Texas nonprofit corporation, and registered with the office of the Texas Secretary of State. Your Conference Board of Trustees (BOT) is charged with the responsibility for all properties owned by the Texas Annual Conference (TAC), plus any local church properties within the Conference that have closed or been declared discontinued or abandoned.

The Board of Trustees works to advance the vision and mission of the Annual Conference by being good stewards of the properties and resources entrusted to it. This includes the responsibility “to invest, reinvest, buy, sell, transfer and convey any and all funds and properties that it may hold in trust, subject always to the terms of the legacy, devise, or donation.” ¶12512.3c (2016 United Methodist Book of Discipline)

We also assist local churches and pastors by providing wisdom and consultation regarding property and insurance issues facing local churches through the Office of Connectional Resources which supports the work of the Trustees.

The BOT maintains appropriate insurance, manages, and maintains all properties owned by the TAC, including those properties that have been acquired as churches have closed, been discontinued, or abandoned. (See details on spreadsheet at the end of this report.)

Principles Regarding Local Church Requests for Disaffiliation
(approved by the 2020 Texas Annual Conference)

In anticipation of the General Conference to be held in August of 2021, it is possible that local churches will seek to leave The United Methodist Church. The Texas Annual Conference hereby clarifies the principles governing its approval process for any such request. We believe these to be fair to all. As of this date, ¶2548.2 and ¶2553 of the *Book of Discipline* govern procedures by which a local church can be granted permission to disaffiliate from The United Methodist Church and depart with its property and other assets. We are aware that ¶2553 may be revised by General Conference or by the Judicial Council, and that other proposals may supersede these Disciplinary paragraphs in the future.

Both paragraphs of the *Book of Discipline* require approval of the annual conference for a church to disaffiliate. While other approvals may be necessary as well, the following are the minimum requirements for the annual conference to approve such a step under the current *Book of Discipline*:

1. First, the Pastor and Lay Leadership of the Church (Lay Leader, Church Council Chair and/or Lay Delegate to Annual Conference) meet with their District Superintendent to discuss ‘why’ to disaffiliate.
2. Members of the local church must complete an appropriate process of discernment. The determination of whether a process is appropriate is made by the church’s District Superintendent.
3. After the local church nears completion of the process of discernment, the annual conference will calculate apportionment and unfunded pension liability estimates for that local church.
4. The local church may vote to move forward with the disaffiliation process. To move forward, disaffiliation must be affirmed by a simple majority (¶2548.2) or a two-thirds majority (¶2553) of a duly called church conference.
5. The local church must pay in full the previous year’s apportionments and the current year’s apportionments.
6. The local church must pay in full the unfunded pension liability, as calculated by the TAC Board of Pensions in accordance with Wespath’s guidance.
 - a. The valuation is based on a market valuation of unfunded liability
 - b. The valuation takes in to account the local church’s share of the liability
 - c. The valuation gives the local church credit for its contributions to the Conference’s pension reserves with credit for earning over time.
7. The local church must complete all forms in accordance with GCFA’s disaffiliation guidance.
8. After all the foregoing steps have been completed, the TAC may vote to release the local church from any obligations under the trust clause in ¶2503 in accordance with the then applicable *Book of Discipline*.

Board of Pensions
Greg Williams, Chairperson
Rev. Robert Besser, Treasurer

The Texas Conference Board of Pensions brings this report to the 2023 Annual Conference in full and appreciative recognition of the sacrificial giving, careful planning and dedicated stewardship of predecessor Annual Conferences and Conference Boards of Pensions. We owe a debt of gratitude to our laity and to our clergy who have established the pension infrastructure on which the Texas Conference now stands. We are grateful as we make this report for the work they have done and for the opportunity to continue to work on the pension programs of the Texas Annual Conference and the United Methodist Church which helps grow transforming clergy that lead vibrant growing congregations.

The Board of Pensions supports the Vision and Mission of the Texas Annual Conference by funding and administering the outstanding retirement benefit programs for Clergy which helps empower Clergy to make disciples for Jesus Christ for the transformation of the world to the glory of God. This strategy allows clergy to Invest in the Young, Grow Fruitful Churches and Create Transforming Lay and Clergy Leaders.

Section I. Basic Recommendations

1. Funding Pensions for Past Service Rate

Past Service is that service rendered prior to January 1, 1982, by clergy members and Full-Time Local Pastors which has been approved for pension credit. Funding for pensions for past service is provided through earnings on pension reserves. The Texas Annual Conference's past service rate for 2023 is \$912.00. In 2023, the Texas Annual Conference's past service rate was the third highest across 52 Conferences. In addition, the \$912.00 does not include the Pre-92 Group Health Benefits subsidy which is unique to TAC. Since 2015, the annualized rate of inflation in the U.S. has been 2.67%. The recommendation is to increase the PSR for 2024 by 3.00%.

BE IT RESOLVED:

- 1) That the 2024 Past Service Rate for approved service rendered by ordained Ministers and Full-Time Local Pastors be set at \$939.00 (*reflects a 3.00% increase from the 2023 rate of \$912.00*).
- 2) That the rate for Surviving Spouses be set at 75% of the Past Service Rate.
- 3) That the 2024 Past Service Rate becomes effective January 1, 2024.

2. CRSP Funding Pensions for Current Service

Current Service is that service rendered on and after January 1, 2024, by clergy. Funding for pensions for current service is the responsibility of the salary-paying unit to which the appointment is made. The funding for pensions and a reserve fund is through the Clergy Retirement Security Program (CRSP) administered by Wespath.

WHEREAS the United Methodist Church began in 2007 a new pension program for all years of service beginning January 1, 2007,

THEREFORE, BE IT RESOLVED,

That we affirm the action taken at 2006 session of the Texas Annual Conference which placed the church contribution for each clergy participant according to the following CRSP Funding Plan:

A) Defined Benefit (DB) a/

I. Projected Total Cost to Texas Annual Conference (TAC) would be: $6.2460\% \times \$78,292 \text{ (DAC)} \times 1.07 \times 473.25 \text{ (Eligible Participants)} = \$2,476,246 \text{ (Total DB)}$

II. Plan Compensation of Eligible Participant \div Total TAC Plan Compensation = "Decimal"

III. Funding for Eligible Participant = "Total DB \$" \times "Decimal"

B) Defined Contribution (DC)

1. $2\% \times$ Plan Compensation of Eligible Participant
2. UMPIP – $1\% \times$ Plan Compensation of Eligible Participant

C) Comprehensive Protection Plan (CPP)

$3\% \times$ Plan Compensation of Eligible Participant
(Not to exceed an annual contribution of \$4,697.52)

D) Reserve Fund

$.25\% \times$ Plan Compensation of Eligible Participants

E) Sustentation Fund

$.75\% \times$ Plan Compensation of Eligible Participant

a/ Eligible participants of 473.25 assume CRSP eligibility for 75% appointment and above in 2024.

NOTE:

- 1) The "contribution base" (Plan Compensation) of a clergyperson's salary consists of:
 1. taxable cash salary

2. housing related allowances and utilities
 3. salary-reduction contributions to Internal Revenue Code section 125 or 403(b) plans, and
 4. when a parsonage is provided, 25% of the sum of 1, 2 and 3, or housing allowance in lieu of a parsonage.
- 2) The Denominational Average Compensation in 2024 will be \$78,292. Thus, the maximum CPP contribution by any Texas Conference participant will be 3% of twice the DAC or \$4,697.52.
- 3) The minimum level for participating in CPP in 2024 is a contribution base equal to 25% of the Denominational Average Compensation. In 2024, 25% of DAC will be \$19,573.00. Thus, a cash salary of \$15,658.40 will be necessary to reach this 25% requirement since \$15,658.40 plus 25% (\$3,914.60) for housing = \$19,573.00.

2. The 2022 balance column does not reflect cash of \$1,120,016. The 2021 balance column does not reflect cash of \$895,210.
3. All Conference Board of Pension assets are invested in accordance with the Investment Policy Statement for the Texas Annual Conference United Methodist Church.

Section III. Pre-1982 Years of Service and Ministerial Pension Plan

Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension for their years of ministry with The United Methodist Church prior to 1982. The plan is designed to provide participants with one piece of their overall retirement portfolio.

The Pre-82 Plan was replaced by MPP effective January 1, 1982. The Ministerial Pension Plan (MPP) is a 403(b)-retirement plan administered by Wespeth that provides benefits to eligible United Methodist Church clergy with service from 1982 through 2006.

MPP is part of the Clergy Retirement Security Program (CRSP). MPP was closed to new enrollments and no contributions were made after December 31, 2006. MPP was replaced by CRSP on January 1, 2007. The accounts of clergy who participated in MPP continue to be invested, and benefits are available at retirement or at age 62 for terminated clergy.

Section IV. Housing Resolution

RESOLUTIONS RELATING TO RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS

The Texas Annual Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for retired or disabled clergypersons of the Conference:

WHEREAS, the religious denomination known as The United Methodist Church (the “Church”), of which this Conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

WHEREAS, the practice of the Church and of this Conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

WHEREAS, pensions or other amounts paid to retired and disabled Clergypersons are considered to be deferred compensation and are paid to retired and disabled Clergypersons in consideration of previous active service; and

WHEREAS, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation.

NOW, THEREFORE, BE IT RESOLVED:

THAT an amount equal to **100% of the pension or disability payments** received from plans authorized under *The Book of Discipline of The United Methodist Church* (the “*Discipline*”), which includes all such payments from Wespath, during the years 2023 and 2024 by each retired or disabled Clergyperson who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergyperson; and

THAT the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from Wespath and from a commercial annuity company that provides an annuity arising from benefits accrued under a Wespath plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergyperson rendered to this Conference or that an active, retired or disabled Clergyperson of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergyperson to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such retired or disabled Clergyperson’s pension or disability as part of his or her gross compensation.

NOTE: The rental/housing allowance that may be excluded from a Clergyperson’s gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations there under to the least of:

- (1) the amount of the rental/housing allowance designated by the Clergyperson’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year;
- (2) the amount expended by the Clergyperson to rent or provide a home in such year; or

- (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year.

The housing/rental allowance exclusion is available only to clergy, not to surviving spouses, but the death of a minister during the year does not invalidate the exclusion for the entire year. The exclusion is still available for the part of the year the minister was alive.

Since neither Wespath nor the Texas Annual Conference gives legal tax advice, each minister should consult with his or her own attorney, CPA, or other tax advisor.

Section V. Comprehensive Protection Plan Summary

The current Comprehensive Protection Plan Adoption Agreement was signed by the Texas Conference in 2016 to be effective 1-1-17. It shall be effective until amended by the Conference and agreed to by the Administrator in accordance with the provisions of the Comprehensive Protection Plan. Every year the benefits are communicated by Wespath.

Section VI. Adoption Agreement – Clergy Retirement Security Program (CRSP)

The Clergy Retirement Security Program (CRSP) Adoption Agreement was adopted by the Texas Conference as defined in the Clergy Retirement Security Program Plan Document and agreed to by Wespath for the Plan Year commencing January 1, 2007. It shall be effective until amended by the Conference and agreed to by the Board in accordance with the provisions of the Clergy Retirement Security Program. Previous Adoption Agreements shall remain in effect for the Plan Years to which they apply.

Section VII. Electronic Funds Transfer

An important aspect of the CRSP pension structure is that each Annual Conference is responsible for all pensions-related billing and collections, beginning January 1, 2007. The Board of Pensions, therefore, requires that the Texas Annual Conference utilize Electronic Funds Transfer for pension collections. The Board of Pensions has negotiated an Electronic Funds Transfer (EFT) agreement with Hancock Whitney Bank, the banking institution for the Texas Annual Conference.

Section VIII. The Sustentation Fund

1. Statement of Intent

The Sustentation Fund of the Texas Annual Conference is a fund representing a tangible expression of a collegial relationship among clergy under appointment in the conference to provide transitional aid. The Sustentation Fund will provide temporary financial assistance to clergy who are placed on Medical Leave, Leave of Absence, Emergency Assistance, and to assist local congregations in times of clergy transition. Sustentation Fund payments shall be the responsibility of each local congregation, shall be part of the benefit program through the Conference Board of Pensions, and shall not exceed 0.75% of each clergy's total compensation.

2. Eligibility for Membership

Clergy under appointment who participate in the Wespath program administered by the Texas Annual Conference are eligible.

A. Structure

1. The Board of Pensions is the supervising agency for the Sustentation Fund. The activities of the Sustentation Fund are reported to the Board of Pensions on a semi-annual basis.
2. The Conference Benefits Officer (CBO) of the Texas Annual Conference shall have direct responsibility for the administration of the Sustentation Fund.

3. The Conference Benefits Officer (CBO) of the Texas Annual Conference shall be the custodian of the permanent records of the Sustentation Fund.
4. The Fiscal Officer of the Texas Annual Conference shall manage all resources of the Sustentation Fund by deposit, investment, and dispersal of all funds.

B. Disclaimer

The Sustentation Fund shall not accept responsibility nor does its existence constitute responsibility by the Texas Annual Conference or any of its agencies for any resources beyond the benefits specifically identified in these guidelines which cannot, do not, and will not be extended beyond the range of (12) months length from the beginning of such benefits.

This limitation on the payment of premiums for Group Health Benefits for clergy Medical Leave shall not apply. On recommendation of the Cabinet, and at the determination of the Sustentation Fund Committee based on available resources, assistance in the payment of Group Health Benefits may be extended beyond the original twelve (12) month period.

C. Benefits

The Sustentation Fund is limited to providing cash benefits for the following purposes:

1. For Payment of required CPP contributions for CPP participants who are on Medical Leave and on Leave of Absence when payment of CPP is authorized by the Cabinet.
2. For assistance in payment of Group Health Benefits contributions for persons on Medical Leave and are covered by the Texas Conference's self-insured group health plan. This assistance will be as follows:
 - 60% of contributions to be paid by Sustentation Fund / 40% of contributions to be paid by participant.
3. For assistance in payment of Group Health Benefits contributions for persons on Leave of Absence as requested by the Cabinet. This assistance during the Leave of Absence will be as follows:
 - 60% of contributions to be paid by Sustentation Fund / 40% of contributions to be paid by participant.
4. For payment of benefits to persons re-entering General Ministry on recommendation from and requisition by the Committee on Conference Relations and the Cabinet with concurrence by Sustentation Fund Committee. Pre-approved items will include, but may not be limited to, such services as vocational assessment, counseling, temporary housing, medical insurance protection and shall not exceed \$15,000 per year.
5. For Emergency Assistance as defined by the Cabinet.
6. For providing interim clergy support.

D. Funding and Budgeting

1. The Sustentation Fund shall be funded by contribution of the salary paying unit on behalf of each eligible participant of the Texas Annual Conference on an amount equal to 0.75% of Plan Compensation, which is the basis of the calculation of Pensions through Wespah.
2. When the Sustentation Fund was established in 2006, funds were allocated according to the following percentages: Interim Clergy Support (50%), Group Health Benefits Support for clergy on Medical Leave (25%), and Emergency Relief (25%). An increase in Group Health Benefits costs for clergy on Medical Leave caused that portion of the Sustentation Fund to run a deficit, while the other portions of the fund had a surplus. To address this imbalance, the Board of Pensions eliminated the percentage allocations of the Sustentation Fund effective January 1, 2011, and this action was approved at the 2011 Annual Conference.

E. The Process of Collection of Sustentation Fund Resources

1. The Center for Connectional Resources shall bill each local congregation with eligible clergy serving under appointment.
2. Contributions to the Sustentation Fund shall be in accord with the established procedures of the Texas Annual Conference for pension billing.

4. Long Term Interim Ministers shall be compensated at a minimum level no less than the local congregation's pastoral compensation, but not less than the Conference Average Compensation.

4. Housing will be considered as part of the compensation package, negotiated and included in the covenant.

Section X. 2023 Update from the Board of Pensions

1. UMPIP non-matching contribution remains set at 3% each year through 12/31/24

Due to the termination of the retiree medical benefit for those individuals who were age 55 or younger on January 1, 2017, and to assist under age 55 clergy to accumulate the assets necessary to provide for their own retiree medical coverage, the Board of Pensions instituted an additional 2% contribution to the UMPIP. The UMPIP contribution rate is 3% (1% paid by churches / 2% paid from pension reserves) and has been unchanged since January 1, 2018. The additional 2% contribution to UMPIP from pension reserves is reviewed on an annual basis. Due to the postponement of 2020 General Conference and the subsequent delay of the implementation of the proposed new Wespath Compass Pension Plan, the Board of Pensions is recommending the UMPIP contribution rate of 3% remain in place through 12/31/24. The UMPIP non-matching contribution rate, by year, since 2014:

- 2014 – 2% (1% paid by churches / 1% paid from pension reserves)
- 2015 – 3% (1% paid by churches / 2% paid from pension reserves)
- 2016 – 3% (1% paid by churches / 2% paid from pension reserves)
- 2017 – 2% (1% paid by churches / 1% paid from pension reserves)
- 2018 – 3% (1% paid by churches / 2% paid from pension reserves)
- 2019 – 3% (1% paid by churches / 2% paid from pension reserves)
- 2020 – 3% (1% paid by churches / 2% paid from pension reserves)
- 2021 – 3% (1% paid by churches / 2% paid from pension reserves)
- 2022 – 3% (1% paid by churches / 2% paid from pension reserves)
- 2023 – 3% (1% paid by churches / 2% paid from pension reserves)
- 2024 – 3% (1% paid by churches / 2% paid from pension reserves)

In addition to the UMPIP non-matching contribution, there is a matching contribution feature within the Clergy Retirement Security Plan (CRSP). Clergy personal contributions to UMPIP are matched in an equal amount up to a maximum of 1% of plan compensation. The matching contribution is paid from the pension reserves and is deposited in the participant’s CRSP DC account. In summary, a clergy participant making a 1% personal contribution to UMPIP would accumulate church and pension reserve-paid contributions in 2023 and 2024 as follows:

2023 - 2024		
Contribution	%	Source of Funding
CRSP DC	2.0%	Church
CRSP DC match	1.0%	Reserve
UMPIP non-matching	3.0%	Church 1% / Reserve 2%
Total	6.0%	

The UMPIP non-matching contribution is unique to the Texas Conference. No other conference within the denomination offers such a pension benefit.

2. Retiree Medical HRA Contributions

Contributions to retiree participant HRAs continue to be funded by investment earnings in the Retiree Medical Fund.

3. Comprehensive Funding Plan

Beginning in 2013, annual conferences are required to submit a Comprehensive Funding Plan to Wespath. A Comprehensive Funding Plan is a formal plan that describes how a conference will pay for benefit programs, including those obligations that are dependent on the conference continuing its current benefit programs. The intent of the funding plan is to align benefit design expectations with Conference funding patterns. The plan to be submitted in 2023 will address benefit obligations for plan year 2024.

The development of a Comprehensive Funding Plan stems from the necessity to determine financial viability at the denominational level where benefit plan liabilities are concerned. Long-term financial obligations for the Church were discussed by the Council of Bishops, attendees of the Financial Leadership Forum, and the Sustainability Advisory Board. Wespath has been tasked with compiling conference information regarding funding for long-term obligations for clergy and staff across the denomination.

The timeline requires each conference to obtain a favorable opinion letter from Wespath and approval from its respective Annual Conference ahead of the plan's effective date (i.e., 1-1-24). As of the date of the Board of Pensions 2023 Pre-Conference Journal Report, the Comprehensive Funding Plan for the Texas Conference is presently in draft status. The Comprehensive Funding Plan for the Texas Conference will be submitted to Wespath prior to May 1, 2023. The expectation is the receipt of a favorable opinion letter from Wespath and will be included in the 2023 Annual Conference journal.

Section XI. Review of Pension Reserve, Group Health Reserve and Retiree Medical Reserve

The Texas Annual Conference, UMC, benefits reserves are comprised of three separate reserve pools: (1) Pension Reserve; (2) Group Health Reserve; and (3) Retiree Medical Reserve. The benefits reserves exist to fund, as needed, plan costs related to pension, active medical and retiree medical programs as sponsored by the Texas Annual Conference. The benefit reserves are distinct from the Conference reserves disclosed within the fiscal operations of the Texas Annual Conference. Any use of the reserves, that deviate from costs related to Conference sponsored benefit programs must be approved by CF&A and subsequently the entire body of the Texas Annual Conference.

The market value of the reserves, as of 12-31-22, were as follows:

- Pension Reserve \$ 39.262M
- Group Health Reserve \$ 9.863M
- Retiree Medical Reserve \$ 2.509M *

** Reflects Retiree Medical Plan funded status as of 12/31/2022*

Included in the Board of Pensions Report to Annual Conference 2023 is the review of the Pension Reserve updated for actual 2022 experience. Included in this review is an overview of the resolutions relating to the administration and use of reserve funds. The standing resolutions are as follows:

WHEREAS, the 2007 resolution provided for a review of the "Pension Reserve" to be reported to Annual Conference in 2012,

WHEREAS, the Quadrennial review process determined a need to clarify the purposes and oversight of the "Pension Reserve" for future generations,

THEREFORE, BE IT RESOLVED:

That the "Pension Reserve" be administered by the Board of Pensions including the approval of any use of funds.

That the "Pension Reserve" be used as the account whereby "excess" pension funds (pension receipts *less* pension disbursements) are invested.

That the "Pension Reserve" be used to provide the following:

- Funding to meet increased costs of any defined benefit pension plan due to unfunded liabilities.
- Funding to meet the costs of retiree benefit obligations.
- Funding for pension related initiatives as approved annually by the Annual Conference.
- Funding to meet the costs of Conference Benefits Administration with the amount to be approved annually by the Annual Conference. *
-

** Effective June 1, 2010, Conference Benefits Administration was approved to be funded via the Pension Reserve. This change was made to allow better utilization of current reserves and prevent future cost increases being passed on to the local congregations.*

1. Review of 2022 Results

A. Financial Results for Active Group Health

During 2022, the Group Health Benefit Plan's operating deficit was \$2.6 million compared to a deficit of \$2.7 million in 2021. Over the 4-year period 2019 to 2022, Plan expenses have exceeded receipts by \$12.9 million. Investment income, over the same 4-year period, has been positive thus offsetting \$5.1 million of the \$12.9 million in net expenses.

In 2022, Plan expenses were \$14.9 million up from \$14.3 million in 2021 primarily due to higher prescription drug claims costs. However, a full year's worth of pharmacy rebates, received in 2022, exceeded the higher drug claims cost. The result was a slight overall decline in net expenses for the year. Investment returns in 2022 were -18.1% which resulted in a loss of \$2.7 million. The operating deficit of \$2.6 million, coupled with the investment loss of \$2.7 million, produced the year over year decline in the reserve position of \$5.3 million. As of December 31, 2022, reserves available for Active Group Health was \$9.9 million down from \$15.2 million as of December 31, 2021.

B. Financial Results for the Retiree Medical Plan

The Retiree Medical Plan at the close of 2022 was in a surplus position of \$2.5 million. During the year, negative investment performance eroded the Plan's funded status. Investment returns for the year were -18.0% thus producing losses of \$5.038 million. As a result, the funded ratio fell to 113% in 2022. At the close of 2022, \$1.065 million was withdrawn from the Retiree Medical Reserve to fund retiree HRA accounts.

2. 2023 Updates

A. Eliminate Group Health Apportionment by 2024

In 2020, approval was granted to eliminate Group Health apportionment receipts over a four-year period beginning in 2021. Outlined below, is the approved scheduled reduction in apportionment receipts whereby zero is reached in 2024:

- 2021 \$1,568,000
- 2022 \$1,068,000
- 2023 \$ 568,000
- 2024 \$ 0

In 2023 and 2024, the budget for Group Health apportionment receipts will be \$568,000 and \$0 respectively. The intent of the elimination of the Group Health apportionment funding is to fund 100% of monthly group health contributions through the existing monthly group health draft process (i.e., the existing Electronic Funds Transfer [EFT] presently used for monthly group health contributions). Beginning in 2024, church apportionment payments will no longer be used to fund the Group Health plan. Since historically Group Health apportionments have been assessed to all churches, including those with clergy who are not eligible to participate in the Group Health plan, eliminating the Group Health apportionment and moving to a 100% EFT process over a four-year period will ensure that only churches and clergy participating in the Group Health plan will be paying for those benefits.

Following is the historical record of Group Health apportionment receipts since 2005. Actual and budgeted receipts are shown along with the percent of budgeted collected for the given year:

Group Health Apportionment			
Year	Budget	Actual	Collected
	\$ in millions	\$ in millions	%
2005	3.705	3.592	97.0%
2006	3.717	3.643	98.0%
2007	3.721	3.471	93.3%
2008	3.645	3.382	92.8%
2009	3.503	3.473	99.1%
2010	3.630	3.368	92.8%
2011	3.650	3.410	93.4%
2012	3.614	3.366	93.1%
2013	3.368	3.278	97.3%
2014	3.368	3.252	96.5%
2015	3.368	3.178	94.4%
2016	2.568	2.583	100.6%
2017	2.568	2.329	90.7%
2018	2.568	2.301	89.6%
2019	2.068	1.857	89.8%
2020	2.068	1.865	90.2%
2021	1.568	1.340	85.4%
2022	1.068	1.037	97.1%
2023	0.568	TBD	TBD
2024	-	-	-

The Group Health Plan has been funded through four sources of receipts: church contributions, participant contributions, apportionment collections and investment returns. The elimination of apportionment receipts, as a component of Group Health Plan funding, removed a significant funding component of the Plan. To offset the annual losses of funding, the church contribution was increased effective January 1, 2021.

B. Increase in Church Contribution Rates Offset Loss of Apportionment Funding

The stair-stepped increase in the church contribution rate was enacted in 2021. In 2023 the church contribution rate is 11.20%. In 2024, the church contribution rate will increase to 12.50%. The impact stemming from the church contribution rates have been incorporated into the forecast for the years 2023 through 2024. The gradual increase in the rate was designed to offset the 4-year reduction in church apportionments. The change in the church contribution rates has been implemented as follows to correspond with the elimination of apportionment receipts from future Group Health Plan funding:

<u>Plan Year</u>	<u>Apportionment Budget</u>	<u>Church Contribution Rate</u>
✔ 2021	✔ \$ 1,568,000	9.80%
✔ 2022	✔ \$ 1,068,000	9.80%
✔ 2023	✔ \$ 568,000	11.20%
✔ 2024	✔ \$ 0	12.50%

C. Post-Retirement Medical Liability and Future Funding Requirements

As of December 31, 2022, the estimated TAC Post-Retirement Medical Liability was \$19,308,200. This liability will be recalculated as of January 1, 2023, by external actuaries and will be provided to Annual Conference attendees. The estimated completion date for the next actuarial valuation is March 2023.

As addressed in Section 1.B., the funded ratio of the Postretirement Medical Liability is 113.0%. If the funded status for the Retiree Medical Plan remains in a surplus position, there will be no funding requirement on a go-forward basis.

D. Retiree Medical Subsidy Funding in 2023

Since 2020, the Retiree Medical Reserve has been used to fund all future Health Reimbursement Arrangement (HRA) contributions to retiree participant accounts. The intent is for the reserve balance to be maintained at a level whereby investment returns are ample in meeting the annual contributions made to retiree HRA accounts.

The flat rate contribution of \$190/month (\$2,280/year) per eligible Medicare primary participant (or the scheduled amount based on years of service for first TAC appointment on or after July 1, 2005) remains unchanged in 2023. The 2023 Retiree Medical Subsidy is estimated to be \$1,073,880. An estimated incremental \$5,520 will be paid to clergy who retired prior to 1992 (or to surviving spouses of retirees who retired prior to 1992). In total, the Retiree Medical Fund is expected to distribute \$1,079,400 to retiree participant HRA accounts in 2023.

E. Health Care Reform Reporting & Legislative Changes

The Center for Connectional Resources distributed form 1095B to all participants of the self-funded plan in February 2023 as required under ACA regulations.

F. Wellness Program

The Group Health Benefits Committee encourages all participants to take advantage of the TAC GHB Wellness Program. Participants can reduce their cost for the Group Health Benefits plan by earning cash incentives (up to \$300 annually in the Walking Program, up to \$1,000 for losing the weight to reach a BMI of 25 or less, and \$1,000 annually for maintaining a BMI of 25 or less). The Group Health Plan paid out Wellness and (or) Virgin Pulse walking incentives totaling \$152,889 in 2022.

2023 Group Health Contribution Rates

Change in the 2023 Church Group Health Contribution Rate

The Church Group Health Benefits contribution rate will increase from 9.8% in 2022 to 11.2% of the clergy’s Total Group Health Benefits Compensation as specified on the clergy’s salary sheet for 2023.

This increase in the Church Group Health Benefits contribution rate is being made to offset a further reduction in the Group Health Benefits (GHB) apportionment as part of a pre-approved 4-year plan to eliminate the total \$2M GHB apportionment by January 1, 2024, and replace it with 100% monthly direct billing (EFT). The GHB apportionment was reduced by \$500,000 in 2021 and \$1M in 2022 and will be reduced by \$1.5M in 2023 and \$2M in 2024 to a \$0 GHB apportionment as of 1/1/2024.

No Change in 2023 Clergy Group Health Contribution Rates

Clergy Group Health contribution rates will remain the same in 2023 as they were in 2022 for both the Standard PPO and the High Deductible PPO Plans as specified below. The following Clergy rates are already uploaded into the Individual Summary Page in the 2023 salary sheet system:

Medical Leave Group Health contribution rates will remain the same in 2023 as they were in 2022. Note: The above amounts exclude the employer-paid portion of the monthly contribution which is \$640.00 for the Standard PPO Plan and \$450.00 for the High Deductible Health Plan.

High Deductible PPO Plan and a Health Savings Account

Enrollment in the High Deductible PPO Plan allows you to set up a tax-advantaged Health Savings Account (HSA) to help pay for eligible healthcare expenses today and down the road. Funds in the HSA account can be used to pay for your deductible and any eligible medical expense, even if the expense is not covered by the medical plan. Eligible dental and vision expenses may be reimbursed through an HSA account as well.

Your HSA contributions accumulate in your account, earning interest, until you need them. The funds contributed to the account are not subject to federal income tax, thus reducing your taxable income, and interest you earn on your HSA balance is tax-free. Unused HSA funds roll over from year-to-year, allowing your balance to grow over time.

An HSA is opened like a typical bank account at your preferred bank or financial institution. Another option is to use the online HSA Bank. Go to <https://ioe.hsabank.com/home> for further information. HSA Bank provides you with a debit card to use when paying for qualified healthcare expenses. You can deposit one lump sum for the year (up to the IRS contribution limit) or make smaller deposits throughout the year. Additional information can be found in the brochure in this packet.

Note: You cannot be enrolled in Medicare or Tricare and make contributions to an HSA. Also, the Houston Methodist Hospital write-off of deductibles and co-insurance is not available to TAC High Deductible Health Plan participants due to HSA rules.

Optional Dental/Vision Plans

The Texas Annual Conference Group Health Benefits Plan will continue to offer optional **Dental PPO** and **Vision Coverage** through **Humana in 2023**:

Following are the eligibility requirements to enroll in optional dental and or vision coverage:

1. Employee must be a participant of the Group Health Benefits Plan of the Texas Annual Conference. *Eligible dependents do not have to participate in the medical plan to participate in the TAC Dental PPO and/or Vision plans.*
2. Your salary-paying unit (e.g., your local church) will be drafted for your optional dental/vision coverage along with your medical contributions each month.

There are no increases in the Humana Dental PPO rates or Humana Vision Plan rates for 2023:

2023 Humana Dental / Vision Monthly Premiums		
	Dental PPO	Vision 130
Employee Only	\$29.29	\$7.28
Employee & Spouse	\$65.31	\$14.53
Employee & Child(ren)	\$62.61	\$13.82
Employee & Family	\$100.46	\$21.73

There are no changes to the benefits for the Humana Dental PPO or Vision plans for 2023. Visit www.txcumc.org > **Clergy > Benefits > 2023 Open Enrollment** for details about these plans.

H. Effective 1/1/2024, Marriage and Family Counseling Added as a Covered Benefit under both TAC Medical Plans – 1/1/2024 Termination of the Supplemental Counseling Benefit

The TAC Standard PPO and High Deductible PPO Medical Plans provide unlimited mental health visits in a calendar year for treatment of covered mental health issues. However, marriage and family counseling have not been a covered benefit under either the TAC Standard PPO or High Deductible PPO Medical Plans since marriage and family counseling typically are not covered by most medical plans.

Currently, marriage and family counseling are provided as follows:

1. Employee Assistance Plan (EAP) – The EAP, through Aetna Resources for Living, provides up to 6 counseling visits per issue per calendar year to all TAC active clergy and dependents, including clergy who are not enrolled in the TAC Group Health Benefits Plan. Marriage and family counseling are covered.
2. Supplemental Counseling Benefit – Provides up to 50 counseling visits in a calendar year to participants in the *TAC Standard PPO Plan only* with a \$25 copay and a \$95 plan payment. Charges more than \$120 are the responsibility of the participant. Available to use with appropriately licensed *out-of-network* mental health providers. Marriage and family counseling are covered.

Originally, the Supplemental Counseling Benefit was intended to be offered to participants enrolled in the TAC High Deductible PPO Medical Plan as well as the Standard PPO Medical Plan. However, one of the primary benefits of enrolling in a high deductible plan is to be able to make tax-free contributions into a Health Savings Account (HSA) up to the annual HSA contribution limits. For a high deductible plan to be qualified for

participants to make tax-free HSA contributions, IRS rules require that high deductible plan participants must pay their full annual deductible out-of-pocket before receiving any “substantial” benefits under the plan, except for their annual Wellness exams which are covered prior to meeting the annual deductible.

Since the Supplemental Counseling Benefit provides up to 50 counseling visits in a calendar year, a “substantial” medical benefit is provided without having to first meet the participant’s annual deductible. As a result, the Supplemental Counseling Benefit cannot be offered to TAC High Deductible PPO Plan participants for the plan to remain HSA-qualified.

To provide marriage and family counseling to participants in both TAC medical plans, effective 1/1/2024, *unlimited marriage and family counseling visits will be added as a covered benefit under both the Standard PPO and High Deductible PPO Plans*. The current Supplemental Counseling Benefit will be terminated effective 1/1/2024 since it will be replaced by the new marriage and family counseling benefit provided under both medical plans.

Effective 1/1/2024, cost sharing for ***all mental health counseling visits*** (including but not limited to marriage and family counseling) will be as follows:

- **Standard PPO Plan**
 - There will be a ***\$25 copay*** for all ***in-network mental health counseling visits*** (including marriage and family counseling) under the Standard PPO Plan.
 - ***Out-of-network mental health counseling visits*** (including marriage and family counseling) will be subject to applicable Standard PPO Plan *out-of-network* deductibles and co-insurance.
- **High Deductible PPO Plan**

All mental health counseling visits (including marriage and family counseling) will be subject to in-network and out-of-network deductibles and co-insurance as applicable under the High Deductible PPO Plan.

Other mental health (non-counseling) office visits as well as all other mental health benefits under both the Standard PPO and High Deductible PPO Plans will be subject to applicable Standard PPO and High Deductible PPO Plan cost sharing (copays, deductibles, and co-insurance).

I. Effective 1/1/2024, Hearing Aids Added as a Covered Benefit under both TAC Medical Plans – 1/1/2024 Termination of the Hearing Aid Out-of-Pocket Reimbursement Benefit

The TAC currently provides a Hearing Aid Out-of-Pocket Reimbursement Benefit to Active Clergy and TAC Fiscal Office Lay Employees enrolled in the TAC GHB Plan for hearing aid(s) once every three years for each ear if required (dependents and retirees are not eligible). Eligible hearing aid expenses are reimbursed after payment of a \$250 co-pay on the first \$2,500 of total eligible expenses, including hearing exam and hearing aid(s). The participant pays a 10% co-insurance for eligible expenses that exceed \$2,500. The calendar year deductible applicable to the participant’s PPO plan does not apply to this Hearing Aid Out-of-Pocket Reimbursement Benefit.

Effective 1/1/2024, the current Hearing Aid Out-of-Pocket Reimbursement Benefit will be terminated.

Effective 1/1/2024, hearing aids will be a covered benefit available to Active Clergy and TAC Fiscal Office Lay Employees and dependents as well as under age 65 Early Retirees and dependents enrolled in the TAC Standard PPO and High Deductible PPO Plans. Hearing aid(s) will be covered once every three years for each ear if

required. Applicable Standard PPO and High Deductible PPO Plan in-network and out-of-network deductibles, co-insurance and maximum out-of-pocket expense limits will apply.

Covered benefits include:

- 1) a hearing aid instrument, monaural or binaural, including ear mold(s).
- 2) visit for fitting, counseling, and adjustments;
- 3) the initial battery;
- 4) cords;
- 5) other ancillary equipment.

The following are not covered:

- 1) purchase of batteries or other ancillary equipment except those covered under the terms of the initial hearing aid purchase;
- 2) charges for a hearing aid that exceed the specifications prescribed for correction of a hearing loss;
- 3) replacement parts for hearing aids, repair of a hearing aid after the covered warranty period, and replacement of a hearing aid more than once in any 36-month period;
- 4) surgically implanted hearing devices.

3. Operating Deficits & Continual Decline in Active Medical Plan Reserves

A. Actual Performance 2013 - 2022

Since 2015, the Plan has been operating in a deficit position meaning plan disbursements have exceeded plan receipts. During the ten-year period, 2013 – 2022, plan disbursements have exceeded plan receipts by \$14.4 million. The \$14.4 million of incremental expense has been funded by investment returns and plan reserves. Investment gains and plan reserves have covered \$10.6 million and \$3.8 million of the \$14.4 million deficit respectively.

<i>\$ stated in millions</i>	2013	2014	2015	2016	2017	2018
Reserve Fund (BOY)	\$ 13.7	\$ 16.1	\$ 18.3	\$ 16.9	\$ 16.9	\$ 19.8

Reserve Fund (EOY)	\$ 17.9	\$ 16.5	\$ 15.2	\$ 9.9	\$ 9.9

B. Actual Plan Receipts and Plan Disbursements 2013 - 2022

Plan year 2022 marked the 8th consecutive year where disbursements have exceeded receipts. Since 2018, the average annual operating deficit has been \$2.75 million. The largest deficit was in 2020 where expenses exceeded receipts by \$4.0 million. In the graph below, receipts are shaded in green, and disbursements are shaded in red:

C. Actual Plan Reserve Levels 2013 - 2022

Plan reserves reached a peak of \$19.8 million in 2017. Over the next five plan years (2018 – 2022), the reserve declined by 50% thus ending 2022 with a reserve balance of \$9.9 million. During this five-year period, plan disbursements exceeded plan receipts by \$13.8 million. Positive investment returns of \$3.8 million offset a portion of the \$13.8 million deficit. The remaining balance of the deficit was covered by the release of reserves.

D. Projected Performance 2023 - 2025

Disaffiliation in 2022 has resulted in a decline in the number of covered participants as of January 1, 2023. Plan participation has declined from 524 actives to 317 actives (does not include covered dependents). The reduction in the plan population will reduce plan expenses whereby operating deficits are projected to decline to \$0.8 million and \$1.5 million in 2023 and 2024 respectively. However, expenses are expected to outpace receipts in 2023 and beyond. As of the close of 2024 and 2025, the reserve fund is expected to approach \$8.4 million and \$7.2 million respectively.

\$ stated in millions	10-year period	2023	2024	2025	13-year period

a/ Projected operating deficit in 2023 is reduced from \$1.4M to \$0.8M; reflects accounting impact of decline in IBNR reserve stemming from claims reduction associated with smaller plan population.

4. Recommended Changes to the Active Group Health Plan

In 2022, The Group Health Benefits Committee directed the Center for Connectional Resources Benefits Staff in conjunction with the TAC Benefits Consultants, Alera Group, to research and present proposals for alternatives to the current self-funded Active GHB plan to the Committee for future consideration.

A. Group Health Plan to Remain Self-insured for 2024

Analysis was conducted to determine plan viability under the following design options: (1) remaining self-insured; or (2) remaining self-insured with revised premium rates paid by participants and churches; or (3) outsource to a fully insured plan model. Based on analysis and requests for proposals from 3rd party insurers, the Group Health Benefits Committee recommends continuing to operate the Group Health Plan through the existing self-insured model, as remaining self-insured resulted in significant savings over the fully insured proposals received.

B. Close Operating Deficits (i.e., the expense gap) by Increasing Plan Receipts

2024 – Increase participant paid premiums.

To eliminate the GHB operating deficit, participant paid premiums and church billing rates will be increased in 2024 and 2025 respectively. Historically, participant paid premiums (based on clergy billing rates) have been heavily subsidized for dependent coverage. Effective 1-1-2024, clergy billing rates will be adjusted whereby a greater portion of actual expenses are covered via premium collections for dependent coverage in the plan. In addition, direct billing rates for laity, early retiree, surviving spouse, dependents of Medicare eligible participants and long-term disabled will be adjusted upwards accordingly.

Proposed increases to align dependent rates with industry norms for dependent coverage were considered in 2020 but were delayed due to the unprecedented impact resulting from the COVID pandemic in 2020 and 2021. Rate increases for dependent coverage were once again examined in 2022 but were delayed due to the uncertainty surrounding the disaffiliation process.

The increases in the clergy billing rate and the direct billing rates for all other classes of plan participants is expected to recover roughly \$1 million of the forecasted \$1.5 million operating deficit in 2024.

2025 – Increase the church billing rate to 14.5%.

Effective 1-1-25, the church billing rate will be increased from 12.5% to 14.5%. The increase in the church billing rate to 14.5% is expected to recover the remaining \$0.5 million of the forecasted operating deficit in 2025.

Plan receipts to remain on par with plan disbursements.

On a go-forward basis, participant paid premiums and church billing rates will be reviewed annually to ensure plan receipts remain on par with plan disbursements. Plan reserves and investment returns are available to offset unforeseen claims costs outside of expected year over year increases. Plan reserves and investment returns are no longer anticipated to be a major component of plan funding in future years.

5. Revised Billing Rates, Average Paid Premiums and Participant Share of Costs

A. Billing Rates and Average Paid Premiums 2023 vs. 2024

Billing rates and the average **monthly** premium paid (based on average GHB compensation of \$95,992) for 2023 and 2024 are outlined in the table below. Please note, the 2024 premiums are calculated using the revised rates.

Sample premium amounts below are based TAC average 2023 GHB compensation of \$95,992. Actual premium amounts will vary based on actual clergy compensation.

B. Change in Participant-paid Portion of Costs

The average **monthly** cost to insure each level of coverage, the portion of monthly costs paid by the clergy, the portion of monthly costs paid by the employer (i.e., the church) and the portion paid from plan reserves is outlined in the 2023 table below (costs are calculated using the TAC average 2023 GHB compensation of \$95,992):

2023 Costs	(A) Clergy Paid	(B) Church Paid 11.20%	(C) Paid by Plan Reserves	(A + B + C) Total Cost	% Subsidy

Family	\$ 530	\$ 895	\$ 1,175	\$ 2,600	79.6%

The clergy billing rates, instituted for 2024, have been set to shift a greater percent of the costs for dependent selected coverage to the participant. Also, the rates have been set to entice participation in the High Deductible Plan as an alternative to the Standard PPO Plan. Subsidy levels, where the subsidy percent has been decreased, are reflected in red. Subsidy levels, where the subsidy percent has been increased, are reflected in green. See table below for 2024 cost sharing (costs are calculated using the TAC average 2023 GHB compensation of \$95,992):

6. Active Medical Plan Forecast

The increase in the participant paid premiums in 2024, via revised clergy rates and revised direct billing rates for all other participant categories, and the increase in the church contribution rate to 14.50% in 2025 have been incorporated into the forecast for the years 2024 through 2025. As a result, the operating deficits for 2023, 2024 and 2025 are projected to be \$1.4 million, \$0.5 million, and \$0.0 million, respectively.

As referenced in section 4B. of the report, the changes in the clergy billing rates, changes in the direct billing rates for all other participant categories, and the increase in the church contribution rate in 2025, were instituted to bring plan receipts in line with plan disbursements. As reflected in the forecast, the positive impacts on operating performance are highlighted in green. As of the close of 2025, the goal is to no longer be dependent on the liquidation of plan reserves and investment returns to close the expense gaps that have been common in this plan.

7. Future Active GHB Plan Considerations

As indicated in previous reports, multiple factors have contributed to TAC GHB Plan operating deficits over the past several years, including the higher than average age of clergy and the increase in health care costs associated with an older population; high levels of stress associated with active ministry; the prevalence of chronic conditions such as diabetes, hypertension, and coronary artery disease; and gaps in self-care with regards to medication management and participation in disease management programs. The Group Health Benefits Committee recognizes that a comprehensive, long-term solution is needed to address these issues to provide a sustainable GHB plan in the future for TAC active clergy and families.

Accordingly, the Group Health Benefits Committee has directed the Center for Connectional Resources Benefits Staff in conjunction with the TAC Benefits Consultants, Alera Group, to research and present proposals for alternatives to Boon-Chapman, the current TAC GHB Plan Third Party Administrator (TPA). A change in the TPA is sought to provide a higher level of customer service, claims processing and administrative efficiencies to active TAC GHB Plan participants, as well as evaluate other health care options such as Care Navigation/Coordination, Centers of Excellence, Condition-Specific Point Solutions, and alternative Disease Management and Wellness Programs, with the goal of providing both improved health outcomes for participants as well as long-term mitigation of increasing health care costs.

Proposals for a new TPA will be considered during the 2nd and 3rd quarters of 2023. If warranted, a new TPA will be announced during the open enrollment period for the 2024 plan year. Any change in the TPA will be accompanied by investments in health care solutions, managed within the new TPA contract, aimed at utilizing health care resources most effectively to enhance member engagement and improve participant health outcomes, thereby reducing claims costs over time.

8. Retiree Medical Plan Forecast

The retiree medical plan surplus is projected to grow to 117.9% in 2023; 123.3% in 2024; and 129.2% in 2025. The reserve balances are expected to produce investment returns of 5% thus maintaining levels ample in meeting the annual funding of retiree HRAs. The 2023 – 2025 forecast for the retiree medical plan is reflected in the chart below. The forecast does not comprehend future design changes being contemplated as of the writing of this report.

9. Eligible Active GHB Participant Settlement Payout in lieu of Retiree Medical Subsidy Benefit (TAC GHB Retiree Health Benefits Policy 130)

The Texas Annual Conference (TAC) has provided a Retiree Medical Subsidy to assist retired clergy and their spouses or surviving spouses who are Medicare Primary with the cost of their health care in retirement. The basic subsidy is \$190 per person per month, or \$2,280 per year. Prior to January 1, 2018, the Retiree Medical Subsidy was used to reduce the amount charged retirees each month for their coverage in the TAC Retiree Group Health Plans.

Effective January 1, 2018, the Retiree Medical Subsidy has been provided to eligible Medicare Primary retirees, spouses and surviving spouses through a tax-free Health Reimbursement Arrangement (HRA) Account administered through Via Benefits (previously named OneExchange).

Since the inception of the policy, the TAC GHB Policy 130 Retiree Health Benefits has provided retiree health benefits to eligible TAC retired clergy, spouses and surviving spouses who meet the eligibility criteria as specified in the eligibility provisions of the policy. This is not nor has it been an entitlement or guaranteed benefit as specified on page 6 of the policy, but rather a gift that the TAC has provided to TAC retired clergy to assist with the cost of their health care in retirement.

TAC GHB Policy 130 has been amended as needed by the TAC Group Health Benefits Committee with the approval of the Board of Pensions and with the concurrence of Annual Conference. Prior to 1/1/2017, all active TAC clergy enrolled in the TAC GHB Plan could receive the Retiree Medical Subsidy Benefit at retirement if otherwise eligible; at the time the liability to the TAC was approximately \$24 million which was unsustainable. As a result, Policy 130 was amended effective 1/1/2017 so that only clergy who were 55 years or older as of 1/1/2017 (born prior to 1/1/1962) would be eligible to receive the Retiree Medical Subsidy at retirement. That eliminated approximately half of all active TAC clergy, along with all new hires on or after 1/1/2017, from receiving the Retiree Medical Subsidy (HRA funding) as future retirees.

As of January 1, 2023, there are 475 Medicare eligible individuals (TAC retirees, spouses and surviving spouses) receiving the TAC Retiree Medical Subsidy (HRA funding through Via Benefits). There are currently 56 active clergy and 38 spouse dependents in the active TAC GHB Plan who would be eligible for the TAC Retiree Medical Subsidy (HRA funding through Via Benefits) upon their future retirement date.

The Group Health Benefits Committee is recommending a settlement plan whereby active clergy and spouses currently eligible for the TAC Retiree Medical Subsidy (HRA funding) at a future retirement date (currently 56 clergy + 38 spouses) would receive a lump-sum payment in lieu of receiving the TAC Retiree Medical Subsidy (HRA funding through Via Benefits) at retirement. The lump-sum payment would be made to eligible individuals as of January 1, 2024.

An external actuarial firm, Aon, has determined the aggregate costs of the settlement plan. The costs of the program represent the sum of all payments calculated on a specific eligible individual basis. The total is used to determine a uniform amount that will be paid to each qualified individual. Each eligible individual will receive a payment of \$24,000.00. An eligible couple will receive twice the lump-sum payment of a single eligible individual. The lump-sum payment will be reduced by service percentage for those whose first appointment was on or after July 1, 2005.

The lump sum payment will be considered taxable income for the 2024 tax year. The Conference will gross-up the amount using a rate of 20.0% to cover the tax incurred on the payment. A lump sum payment of \$24,000.00 will be paid out in the amount of \$30,000.00 (\$24,000.00 + 20% gross up). The total lump sum amount for 56 eligible clergy (along with 38 eligible spouses) is \$2,011,200 or \$2,514,000 with the 20% tax gross up. The Retiree Medical Reserve will be the source of funds used to make the payments.

All TAC retirees, spouses and surviving spouses eligible for and receiving the TAC Retiree Medical Subsidy (HRA funding through Via Benefits) prior to 1/1/2024 would continue to receive their Retiree Medical Subsidy (HRA funding) and would not be eligible for or affected by the settlement payout to eligible active TAC GHB clergy and spouses. This would limit eligibility for the TAC Retiree Medical Subsidy (HRA funding through Via Benefits) to current participants as of 1/1/2024.

Once the lump-sum distributions are made to those eligible individuals, the retiree medical benefit (i.e., contribution to HRA account) would be closed to new participants. The plan closure shortens the duration of the existing accrued benefit liability. Benefits of the lump-sum payout to eligible recipients are as follows:

- Cash payment is not limited to reimbursement of health care expenses. Recipients have the flexibility to utilize funds as desired.
- Cash payment is available for immediate investment and future returns.
- Taxes associated with distribution are mitigated by the 20% gross up applied towards the payment.

10. Summary of Active Group Health Plan Status and Forthcoming Changes (see report section)

Present Status

- Plan year 2022 was the 8th consecutive year where disbursements have exceeded receipts. (3A)
- Since 2018, the average annual operating deficit has been \$2.75 million. (3B)
- Largest deficit was in 2020 where expenses exceeded receipts by \$4.0 million. (3B)
- During the period 2018 – 2022, plan reserves declined by 50% and plan disbursements exceeded plan receipts by \$13.8 million thus resulting in a 50% decline in reserve levels. (3C)
- Ending reserve balance for 2022 was \$9.9 million, down from \$19.8 million in 2017. (3C)

Plan Changes Considered (section 4A)

- The Group Health Benefits Committee considered moving the TAC Group Health Plan from its existing self-insured arrangement to a fully insured arrangement with a 3rd party insurance company.
- Committee evaluated various plan designs with Wespeth's Healthflex fully insured plan and an outsourced model with Blue Cross Blue Shield.
- In all cases, the costs would be greater under a fully insured arrangement.
- Committee recommended to continue to operate the Group Health Plan through the existing self-insured model.

Align Plan Receipts with Plan Expenses - Close Operating Deficits by Increasing Plan Receipts (section 4B)

2024

- Clergy billing rates increased so that a greater portion of actual expenses are covered via premium collections for dependent coverage in the plan.
- Direct billing rates for laity, early retiree, surviving spouse, dependents of Medicare eligible participants and long-term disabled will be increased accordingly.
- Increases in the clergy billing rate and the direct billing rates for all other classes of plan participants is expected to recover roughly \$1 million of the forecasted \$1.5 million operating deficit.

2025

- Church billing rate will be increased from 12.5% to 14.5%.
- Increase in the church billing rate to 14.5% is expected to recover the remaining \$0.5 million of the forecasted operating deficit.

All invested funds reflect the Social Investment Guidelines as provided for by Wespath and follows the Investment Policy Statement adopted by both the Group Health Benefits Committee and the Board of Pensions.

All reserves are invested according to the Investment Policy Statement (IPS) under the supervision of the Investment Committee. The Group Health Benefits Committee with the concurrence of the Board of Pensions and CF&A and the approval of Annual Conference has complete discretion regarding how these funds will be utilized. While budgeted (forecasted) amounts are anticipated to be accurate, the Group Health Benefits Committee reserves the right to spend part of their reserves in the provision of budgeted programs in the event revenues decrease or expenses escalate. The Group Health Benefits Committee is a sub-committee of the Board of Pensions which according to the Discipline has over-all responsibility for the funding (in conjunction with CF&A) and provision of both pension and health care benefits to clergy.

The Group Health Benefits Plan has a self-insured PPO and a self-insured prescription drug plan which covers clergy and laity. Retirees and surviving spouses over the age of 65 who meet the eligibility requirements are provided a contribution toward the cost of their medical insurance as provided for in Group Health Benefits Policy 130. The Group Health Benefits Plan is not a form of entitlement, and it should be noted that the Group Health Benefits Committee under the direction of and subject to the approval of the Board of Pensions, with the concurrence of Annual Conference, reserves the right to amend or possibly eliminate both the active and retiree benefits.

Joint Committee on Medical Leave
Barbara Kilby, Benefits Manager
Rev. Robert Besser, Benefits Officer

The Joint Committee on Medical Leave in conjunction with the Cabinet approves medical leave for clergy members of the conference who are unable to perform their ministerial work due to health matters and disabling conditions.

The committee considers each case anonymously. If approved for medical leave, the clergy person receives short-term or long-term medical leave benefits as eligible when unable to work because of a health issue or disability.

There are three options for medical leave for clergy in the Texas Annual Conference as designated in the Group Health Benefits Policy 136, found at: <https://www.txcumc.org/wp-content/uploads/2022/11/GHB136LOABenefits.pdf>.

We are grateful to the members of this committee and their dedication to this holy work.

Archives & History
Rev. Bill Hedges, Archivist

The Archives Center was built in 2017 after the closure of the Dornbush Historical Library at Lon Morris College in Jacksonville, Texas. It is located at the junction of State Highway 105 East and Loop North 336E in Conroe, Texas and shares the campus with the Texas Annual Conference Mission Center (Depot).

The Archives Center is the depository of the records of the Texas Annual Conference and its predecessors since 1840 as well as articles, books and documents pertaining to the South-Central Jurisdiction and General Conference of the United Methodist Church. We are governed by the Director of Connectional Resources in Houston and the Commission on Archives and History.

Within our collection one can find copies of the Disciplines, the General Minutes of the Methodist Church, the Annual Journals of the East Texas, Texas and Trinity Conferences since 1840 to the present, District records, copies of Local Church historical records and books on Methodist history.

We follow the guidelines of the General Commission on Archives and History in Madison, N.J. for our collection in the receiving, accessing, cataloging and disposal, if need be, of materials sent to us. We cooperate with historians and archivists in other Annual Conferences by sharing data that might be of value to them.

Of special note are the "Finding Aids" listing the data collected, such as when the churches and districts were first organized, when and where the bishops held the Conferences and the clergy who were appointed by them. The Archives Centers maintains a list of clergy who served in the Texas Annual Conference since 1840. Using the data from the Journal we can also offer a list of pastors who have served a given church or circuit.

This is a summary of our work at the Archives Center, and we would be happy to assist you in any way. To make a virtual visit to the Center in Conroe please go to <https://www.tscumc.org/connectional-resources/archives-history/> We look forward to showing you around.

Here are some of the things I have worked on since the last Annual Conference:

- I discovered an article in the TUMHS Heritage Journal, Vol. 17, 2021 about the history of the church, written by Rev. Thomas A. Hill.
- Accessed and entered Methodist Trivia in 6.4.11
- Accessed and entered Archivist's Research Project lists.
- Accessed collection of papers dealing with the building of the Archives Center building, Dr. Faulk Landrum, Wm. Hardt, and others.
- Accessed and entered the following lists in 11.3.30
 - TAC Metro Plan, 2006
 - Albert Outler, Ordination Sermon, 1981
 - Disciplines; History of Disciplinary Questions
 - TAC Settings, 1840-2021
 - Texas United Methodist Historical Society History
 - 100 Years of History of the Methodist Hospital, Houston
 - "Welcome to the Archives" by Bill B. Hedges, Archivist, 2022

Committee on Episcopacy
Dr. Deborah Vaughn, Chair

During June 2022, with the announcement of Bishop Scott Jones’ retirement effective December 31st, 2022, the Texas Annual Conference Committee on Episcopacy immediately began our endeavors to: plan a celebration to extend appreciation to Bishop Jones and Mary Lou Reece for their service, explore and inform the South Central Jurisdiction’s Committee on Episcopacy and our Conference Delegation of our Conference’s needs regarding new episcopal leadership, and upon her assignment and arrival, participate in welcoming our new bishop and her husband, Bishop Cynthia Fierro Harvey and Dean Harvey.

The Committee is grateful for everyone who supported both the dinner at the Marriott Westchase and the worship service (hosted by First UMC, Westchase) in honor of Bishop Jones and Mary Lou in December.

The Committee is also grateful for everyone who participated in the various meetings, gatherings, and conversations, as well as those who submitted responses to the online survey regarding the state of our Conference and the direction forward. The input received by the Committee was invaluable and welcomed tools in the preparation of our report.

Upon Bishop Harvey’s appointment, we were excited to share an evening with her and Dean Harvey hosted by St. Paul’s UMC, Houston in December, and to later express our welcome to the episcopal residence upon their arrival. We look forward to supporting her as she moves our Conference forward.

Finally, we extend special thanks to Rev. Will Reed, our Conference Properties Manager, for his oversight of the episcopal residence, especially during the busy time of transition.

Committee on Episcopal Residence
Rev. Dr. Will Reed

The Episcopal residence is well maintained and meets the needs of Bishop Cynthia Fiero Harvey and her family. The residence is assessed and maintained by the Texas Conference Board of Trustees and the Council on Finance and Administration who keep it in excellent repair. Prior to Bishop Harvey and Dean moving into the residence in late 2022, all the interior walls were painted, the exterior was power washed and painted in some areas, the garage was painted, the HVAC system was checked and filters replaced, several lights were repaired and updated, the Ice Maker and Kitchen Vent were replaced, the water heater was repaired, Internet access was updated, a window was repaired, landscaping was updated, and the entire house was professionally cleaned.

The episcopal residence is a beautiful home for our episcopal leader and is located close to the offices of the Texas Annual Conference.

The Center for Connectional Resources would like to express its gratitude to Hal Sharp, Chair of the Board of Trustees, and all who work so faithfully to care for our Episcopal residence.

<p>Safe Sanctuary Committee Rev. Reagan Seaton, Chairperson</p>

Our Safe Sanctuary Committee started in 2021 with 3 goals for this quadrennium: first, to rewrite the Conference Safe Sanctuary policy and provide quality examples to churches of all sizes; second, to investigate and find the best background check software that meets the needs of the conference and churches; and third, to provide training in writing a safe sanctuary policy, running background checks, and training youth, adults, and children around safe sanctuary.

First, we are almost done with the new Safe Sanctuary Policy for the Conference. We plan to have that ready for everyone by the Summer of 2023. We also have been working to have sample policies for churches of different sizes. Those should be on our conference website by Annual Conference 2023. As a reminder, we are asking every church to turn in their Safe Sanctuary Policy during Charge Conference of 2023. Please make sure you are looking these over and have them ready for the Fall.

Second, we have done thorough research on background check companies. Due to our size, the number of users, and the number of background checks we run, we have not found a company that can meet our needs without causing exuberant costs to the Annual Conference and local churches. We will continue to look for new companies but for the time being there will be no change to our background check company.

Finally, due to disaffiliation, we will be pushing back our training around Safe Sanctuary. Our priority will be to develop the training to write a safe sanctuary policy. Then we will work on running background checks, and training youth, adults, and children around safe sanctuary.

As we work through these three areas, we will update the conference website to reflect more information. We want churches and pastors to have the resources to truly make churches and ministries safe for all people. Thank you in advance for your support in this call to holy living.

Presently, there are no Safe Sanctuary actions that require a vote.

In 2022, *U.S. News & World Report* named Houston Methodist Hospital to its Honor Roll, a list of the top hospitals in the country. This is the sixth time – and the fourth consecutive year - that Houston Methodist Hospital has been named to the Honor Roll and it is also the 11th year in a row it’s been named the No. 1 hospital in Texas. The rankings are based on scores in patient care, patient safety, outcomes, nursing, advanced technology and reputation. U.S. News has ranked Houston Methodist Hospital as one of the top hospitals in the country for the past 30 years. Six of the ranked specialties appear in the top 20, and two were ranked in the top 10. Among its community hospitals, Houston Methodist Sugar Land was ranked No. 5 in Houston and No. 9 in Texas.

Houston Methodist continued to also treat COVID-19 patients along with non-COVID-19 patients in 2022. It has been a true leader on all fronts of battling this virus. Since the beginning of the pandemic in March 2020, the system has treated more than 38,000 COVID-19 inpatients. Physicians, nurses and staff have worked tirelessly through five different surges of COVID-19 patients. It’s no wonder our hospitals continue to be recognized as some of the best in the country and our admission numbers have been strong.

In 2022, Houston Methodist Hospital and all six of our community hospitals were all recognized as top performers in the Bernard A. Birnbaum, MD, Quality Leadership annual rankings from Vizient. The top performer designation recognizes hospitals in different categories that demonstrate excellence in delivering high-quality care based on measures in the Vizient Quality and Accountability ranking system. All seven Houston Methodist hospitals also received an “A” Leapfrog Hospital Safety Grade in 2022. The Leapfrog Hospital Safety Grade is the only hospital rating focused exclusively on hospital safety. The safety grade provides consumers with critical information on how likely they are to experience accidents, injuries, errors or harm while in the hospital.

Client Profile

Emmanuel was born in Liberia, and entered the United States in 1998 on a student visa. He was a victim of the Liberian Civil War, and became an orphan as a child and took refuge in another country. When he came to the United States, his host family consulted with an attorney who advised keeping Emmanuel on a student visa until he finished graduate school in 2014. After one year of being in the United States, Emmanuel was deprived of the opportunity to apply for asylum, even though he would have likely won his case. After his student visa expired, Emmanuel applied for Temporary Protected Status (TPS), and later he was eventually able to get his residency (green card) through a rare immigration program called the Liberian Refugee Immigration Fairness (LRIF). Ultimately, the program allowed Emmanuel to fast track to becoming a U.S. citizen, and on January 6, 2023, he took the Oath of Allegiance to the United States after being in the country for nearly 25 years.

2023 Projects & Goals

- JFAI plans to expand its Asylum Project to provide immigration legal services to individuals and families seeking asylum. The Asylum Project is currently supported by the United Methodist Committee on Relief (UMCOR) and the Houston Immigration Legal Services Collaborative (HILSC).
- JFAI returned to in-person legal clinics at St. Luke's UMC Gethsemane Campus. The legal clinics are held once a month.
- JFAI initiated a new Refugee Assistance Legal Clinic, also at St. Luke's UMC Gethsemane Campus. This clinic will serve the specific legal needs of refugees in the Gulfton and Sharpstown neighborhoods.

Lakeview Methodist Conference Center
Josh Pulver, President & CEO

Greetings from the Holy Grounds of Lakeview! We are grateful for the opportunity to continue partnering with each of you in ministry. A lot has changed and is changing for Lakeview; however, our mission continues to be the same. Lakeview has been a constant for Methodists, East Texans, Aggies, and each person that has visited this beautiful place that God created. That will not change.

The changes in the denomination have had a major impact on Lakeview. The most frequent question we have heard from people is whether or not they would be allowed to come to Lakeview. The answer to that question will always be YES. Lakeview always has and always will be open to everyone regardless of their denominational affiliation.

Texas A&M announced in January that they will be relocating Fish Camp to a new facility near College Station in the future. This presents a major challenge for Lakeview, but also allows us to refocus and plan for the future.

As you know, we have spent a lot of time working on the Lakeview Plan. We feel this is still a great plan for Lakeview to move forward. During our verbal report, you will hear of the steps we will be taking into the future. Your continued support is key in helping Lakeview continue and expand our ministry.

We pray to see you and your students at camp this summer. Our theme is “Shine” and will focus on Matthew 5:14-16 as we learn about shining God’s light everywhere we go. Our staff is focusing on worship and enhancing the Spiritual aspects of camp this year. Please contact Josh Pulver or Drew Walker with any questions about camp.

Thank you for your dedication to Christ and to camp ministry. As always, I am eager to come share with you and your congregation the powerful ways that Lakeview can be in ministry with you.

Methodist Children’s Home
Mr. Trey Oakley, President & CEO

Greetings from Methodist Children’s Home (MCH) and the more than 10,000 children, youth and families we serve each year. We appreciate your continued friendship through the Texas Annual Conference. In light of changes occurring in the church, and as an independent 501c3 organization, your continued voluntary support of our vision to empower all we serve to experience life to the fullest is as important as ever.

I invite each of you to visit our website at MCH.org. There you can download stories, identify resources, view a transparent listing of our financial resources and services delivered, find out how to refer a child for placement, or learn more about a call to join our ministry.

Your support provides the resources needed to offer the care, programs and talented individuals needed to positively impact the lives of those we serve through residential care on the Waco campus and Boys Ranch and through 14 MCH Family Outreach offices, including Bryan/College Station, Houston and Tyler in the Texas Conference.

We are now in our 133rd year serving children, youth and families. Here are a few highlights of the past year:

- The MCH Board of Directors unanimously approved a proposal to begin a master planning process for the MCH Boys Ranch. This includes expansion of programs and examining how MCH can be even more effective in meeting the needs of children through residential placement.
- For the 10th consecutive time since 1986, MCH earned national reaccreditation from the Council on Accreditation (COA). MCH was evaluated on more than 800 standards, which examined all areas of our operations.
- Secured multiple million-dollar gifts for the Stone and Harris Homes on the Waco campus, and construction is underway. These new homes are the 10th and 11th new additions and complete Phase 4 of the multiyear Building Hope Capital Campaign.
- Raised more than \$900,000 in support of the launch of the 14th MCH Family Outreach office, which will be located in the Permian Basin and open in 2023.

- Strengthened the “Together We Flourish” initiative designed to maximize and steward our resources for ministry through collective impact, generosity and support in order to achieve the MCH vision and mission in a greater way. This initiative guides us as we seek out collaborations with other organizations and strengthen the cohesion between our ministry programs.
- MCH leadership attended the 2022 United Methodist Association (UMA) Conference in Savannah, Georgia. President and CEO Trey Oakley, Vice President for Programs Traci Wagner, and Community Engagement and Training Specialist John Warren presented at the conference.
- Launched a new Emergent Services program with MCH Family Outreach. Emergent Services allows staff to offer referral consultation, assistance and support in an efficient and impactful manner.
- Strengthened our partnership with the Fostering Collective in Tyler, which consists of more than 40 East Texas agencies, churches and groups that serve families. We also hosted one of the Collective’s monthly prayer meetings at our Family Outreach office in Tyler.
- Launched a pilot program to provide free professional counseling services for individuals and families. The program is initially being offered through the MCH Family Outreach offices in Abilene and Waco, with hopes of expanding to other MCH Family Outreach locations.
- MCH recognized Stephanie Cummings, residential supervisor on the Waco campus, who received the award for “General Residential Operation Staff of the Year” from the Texas Alliance of Child and Family Services. She was later recognized at the TACFS Administrators Conference.
- Children, youth and families enjoyed fun summer activities across our residential and Family Outreach programs. Youth participated in faith formation camps, volunteer opportunities and service-based mission trips.
- The MCH football team was named Texas Private School of the Week by Dave Campbell’s Texas Football. The Bulldogs were recognized for their 46-40 win against state champion Wylie Prep in Week 3.
- Dedicated the Florence C. Howard Prayer Labyrinth on the Waco campus. The prayer labyrinth is a space for outdoor worship, personal spiritual growth and contemplation.

Our achievements in the past and those yet to come are directly related to the many individuals and congregations throughout our service area, including the Texas Annual Conference, who support our work and ministry through financial gifts, prayers, advocacy and service on the Board of Directors. Let us continue realizing the great work already being done and begin to witness how God is going to move in the next chapter at MCH. May God continue to bless MCH and the ministries of the Texas Annual Conference.

<p>Methodist Retirement Communities Alan Brown, President & CEO</p>

Methodist Retirement Communities (MRC) celebrated its 60th year in 2022. It was a great time of reflection and celebration with special events throughout the year on all of our campuses. Through the years we have never wavered from our mission of honoring and serving older adults as an expression of Christ’s love, and we are grateful to the Texas Annual Conference and our continued Covenant of Connection.

2022 was also a year of moving past many of the limitations of the pandemic and getting back to the things that make life good. We once again enjoyed the ability to gather together and enjoy the blessings of fellowship and

experiencing life together. Our campuses are places of great engagement for our residents and staff, and they have a deep family bond.

MRC Board

MRC is blessed to have a dedicated group of board members (listed at the end of this document) that freely give of their time, talent and treasure to cast a vision of faith-based, quality services for older adults. Ms. Alyce Anne Baggett of Lufkin currently serves as the Chair.

Mission, Vision and Planning

Our strategic plan continues to guide us as we look to the future. As MRC moves forward, our work will be framed by:

Mission

We honor and serve older adults as an expression of Christ's love.

Vision

To transform the aging experience through innovation and heart

Strategic Initiatives

1. Explore new housing and health care models and pursue options for serving the middle market and underserved populations.
2. Become the "community of choice" in our service areas for residents and employees.
3. Grow the level of philanthropic support for MRC.
4. Strengthen MRC's advocacy and community engagement initiatives.

Action plans for each of these initiatives will lead us to reach and engage more older adults with diverse services and a purpose driven work force.

The MRC Family

MRC has grown to a system with assets of over \$430 million and an annual operating budget of \$110 million. Every day, approximately 2,075 people are being served on our 13 campuses. We continue to serve residents in many settings, with a focus on providing each person an opportunity to enjoy life through engagement and meaningful relationships.

- Independent Living homes and apartments, at a wide range of price points, offer a variety of programs, activities and services.
 - Some are HUD subsidized for those with restricted income levels.
 - Some are rentals for those with limited assets.
 - Some have mostly refundable entry fees for those planning for all future possibilities while preserving their estate.
- Assisted Living apartments for those seeking three meals a day and help with various activities of daily living such as bathing, medication monitoring, toileting, dressing, eating and other activities.
- Memory Support suites for those with forgetfulness where specialized programs and activities are available to assist with specific needs and to facilitate dignified living.
- Long-term Skilled Nursing units for those needing 24/7 nursing care.
- Short-term rehabilitation units for those needing an optimal place for recovery, or even preparation ahead of a needed surgery.

- Home Health to help individuals remain in the most independent setting possible.

- Total units:

Residential Homes/Apartments	801
Assisted Living (AL) Apartments	261
AL Memory Support Apartments	318
Nursing & Rehab Beds	294
HUD Subsidized Apartments	<u>319</u>
Total Homes/Apartments/Beds	<u>1,993</u>
Home Health Agencies	2

Growth

Our newest community, Stevenson Oaks, opened in May 2022 and includes:

- 172 residential Independent Living apartment homes, 40 Assisted Living apartment homes, 24 Memory Support suites for those living with forgetfulness, and an Outpatient Rehab Center that will help residents remain in their homes within their community.

Quality

- MRC communities continue to perform with excellence and often superior outcomes in the many surveys we routinely encounter every year as part of the strong regulatory environment in which we operate.
 - This further solidifies our long-standing reputation as an organization whose services, programs, housing, care and activities represent quality to residents.
 - This also results in hospitals and managed care organizations viewing MRC communities as the place to send those seeking rehab.
- An example of this superior quality is the CMS (Centers for Medicare and Medicaid Services) grading system for the healthcare/nursing home sections of our communities. CMS rates everyone 1-5 stars, with 5 being the best; and we are extremely proud that MRC communities all rate at a 4 or 5.
- MRC continues to exceed nationwide benchmarks in resident and employee engagement.

Philanthropy

Psalm 71:9

***Do not cast me off in the time of old age;
Do not forsake me when my strength fails.***

MRC began with a gift of property and cash. We could not begin to do what we do without the generous support of donors. Many older adults cannot afford services when they need them and some have resources, but simply outlive them. In 2022, we provided over \$3.4 million in benevolence support through our Covenant Fund. The amount of support we can provide is only limited by the gifts we receive.

We are especially grateful for the TAC’s support of a Mother’s Day offering to benefit the Covenant Fund. Last year we received gifts from 39 churches/church groups. Thank you! The need for benevolent support increases each year and we encourage more churches to consider participating in this offering.

Those that lead and are a part of MRC understand the importance of financial gifts to support the Covenant Fund and other things that set us apart. 100% of our Board, 100% of our Executive Team, 100% of our campus Executive Teams, and 41% of all employees make financial gifts to MRC.

Human Resources

Every day over 1,000 employees work to provide quality services to our residents and their families while exemplifying the values that define MRC as a faith-based organization. These values are defined by our ICARE program that all employees learn and follow as they serve each day.

- ICARE is an acronym for Integrity, Compassion, Accountability, Respect and Excellence.
 - Every potential new employee coming into the system is evaluated with regard to these values.
 - Every employee is evaluated annually to reflect on how well each conducted themselves according to these values.
 - Consistently throughout the year, a variety of mandatory training classes are held to reinforce ICARE values with each employee.
 - New and different ICARE programs are implemented throughout the year to keep a focus on these values.
 - Employees and residents alike are encouraged to submit “ICARE” cards that identify specific employee(s) who have been observed exhibiting one or more of the ICARE values. The number of cards turned in are tabulated by each community to help ensure a constant focus on these values.
 - In lieu of Employee of the Year, we select an ICARE Champion of the year for each community. These Champions are presented to the Board of Directors at a special luncheon during the February board meeting.

MRC is committed to supporting and helping our employees continue to grow. In 2022 we expanded and initiated the following:

Talent Acquisition

MRC created a talent acquisition team for centralized employee recruitment. This team reaches new pools of potential applicants and builds relationships with those applicants quickly. People are finding purpose driven work at MRC. Open positions have been reduced by 28% and employee turnover has decreased by 5%.

Employee Scholarship Fund

The Employee Scholarship Program is active at 4 of our campuses and will expand to others in 2023. The program at each of these communities is fully resident driven and primarily resident funded. For 2022, scholarships totaling \$59,137 were awarded to 23 employees. Being able to give and receive the gift of education makes us all stronger.

Employee Emergency Fund

The Employee Emergency Fund was created in February 2021 to assist employees in financial need as a result of an emergency or crisis situation. In 2022, 444 employees contributed to the fund and 21 employees received assistance totaling \$19,052. This is a great way for all of us to help each other in difficult times.

1.02. *Member.* The corporation has no members.

1.03. *Principal Place of Business.* The principal place of business of the Corporation will be located at 1440 Lake Front Circle, Suite 140, The Woodlands, Texas 77380. The Corporation may have such other offices, either within or without the State of Texas, as the Board of Directors may determine or as the affairs of the Corporation may require from time to time.

1.04. *Registered Office and Registered Agent.* The Corporation will have and continuously maintain in the State of Texas a registered office and a registered agent whose office is the Corporation’s registered office, as required by the Texas Business Organizations Code (the “Code”). The registered office may, but need not be, identical with the principal office of the Corporation in the State of Texas and the address of the registered office may be changed from time to time by the Board of Directors in accordance with applicable law.

ARTICLE 2 BOARD OF DIRECTORS

2.01. *Classes, Powers, Number and Term of Office.* The property and affairs of MRC will be managed and controlled by the Board of Directors, and subject to the restrictions imposed by law, by the Certificate of Formation or by these Bylaws, the Board of Directors will exercise all of the powers of MRC. The Board of Directors will consist of two (2) classes of Directors; “Elected Directors” and “Ex-Officio Directors.” At least one half (1/2) or fifty percent (50%) of the Board of Directors will be members of the United Methodist Church. The Elected Directors and the voting Ex-Officio Director will be entitled to vote on all MRC matters at any annual, regular or special meetings of the Board of Directors.

2.02. *Elected Directors.* The number of Elected Directors will be no fewer than five (5) and no greater than twenty (20), as determined by the Board of Directors. Elected Directors will be entitled to vote on all MRC matters at any annual, regular or special meeting. The number of Elected Directors may be increased or decreased (providing that such decrease does not have the effect of shortening the term of any incumbent Elected Director) from time to time by majority vote of the then-qualified voting members of the Board of Directors.

- (a) Elected Directors will consist of duly-elected members from MRC Crestview, MRC PineCrest, MRC TownCreek d/b/a Creekside, and MRC Cornerstone boards, MRC Foundation and possible other related entities and members at large. There will be no fewer than one (1) from each affiliated entity, where residents are being serviced, elected to the MRC Board. The balance of the directors will be at-large members.
- (b) Unless a position is specifically determined and stated otherwise by the Board for purposes of staggering terms, the term of office for an Elected Director will be three (3) years, effective July 1 following his or her election. No Elected Director will serve more than three (3) consecutive three (3) year terms plus any partial term he or she has served due to a vacancy in the Board of

Directors; provided, however, that a Chairperson, Vice Chairperson or Immediate Past Chairperson may remain on the Board while continuing to serve as Chairperson, Vice Chairperson or Immediate Past Chairperson, including during successive officer terms in such position; and further provided that an Elected Director who has served three (3) consecutive three (3) year terms may, after a lapse of one (1) year, be elected to a new term. Director terms will be staggered as evenly as possible. For purposes of staggering the terms, the Board may choose at its discretion, subject to majority vote, to elect a Director for less than a three (3) year term.

- (c) Elected Directors will be (i) nominated by the Governance Committee of the Board of Directors, (ii) elected by majority vote of the Board of Directors then in office, and (iii) ratified by the Texas Annual Conference of the United Methodist Church.
- (d) An Elected Director will hold office until his or her respective (i) expiration of term of office as provided for in these Bylaws, (ii) resignation, (iii) removal, or (iv) death. In any event, an Elected Director will continue to serve until his or her respective successor will have been elected and qualified. Any Elected Director who fails to attend at least two consecutive board meetings per term year (July 1 through June 30) without due cause or with unexcused absences will be deemed to have resigned as an Elected Director.
- (e) Any Elected Director may resign at any time. Such resignation will be made in writing and will take effect at the time specified therein, or, if no time is specified, at the time of its receipt by the President or Secretary. The acceptance of a resignation will not be necessary to make it effective, unless expressly provided in the resignation.
- (f) Any Elected Director may be removed from office at any time with or without cause, by the vote of the majority of the directors then in office. Such removal will be without prejudice to the contract rights, if any, of the individual so removed.
- (g) Any vacancy occurring among the Elected Directors, whether by increase in number of Elected Directors or otherwise, will be filled by majority vote of the Board of Directors then in office, though less than a quorum, upon nomination of the Governance Committee.

2.03. *Ex-Officio Directors.* The Board of Directors of MRC will include the following Ex-Officio Directors, with voting rights as stated:

- (a) The Resident Bishop of the Texas Annual Conference or the Bishop's designee shall have voting rights;
- (b) The President of MRC will be non-voting.

Ex-Officio Directors will serve so long as they remain in the positions qualifying them as ex-officio directors. The Elected Directors and the Ex-Officio Directors are referred to collectively as the "Board of Directors," the "Board," or the "MRC Board."

2.04. *Meetings of Directors.* The Board of Directors may hold their meetings and may have an office and keep the books of MRC at such place or places in the State of Texas, or outside the State of Texas, as the Board of Directors may from time to time determine, provided, however, in the absence of any such determination, such place will be the registered office of MRC in the State of Texas.

2.05. *Annual Meeting.* The annual meeting of the Board of Directors ("Annual Meeting") will be held at such time and place as designated from time to time by the Board of Directors and as stated in the notice for such meeting. Notice of the Annual Meeting is required.

2.06. *Regular Meetings.* Regular meetings of the Board of Directors will be held quarterly at a time and place as designated from time to time by the Board of Directors and stated in the notice for such meeting.

Notice of the regular meetings will be given to each Director as required.

2.07. *Special Meetings.* Special meetings of the Board of Directors ("Special Meetings") will be held at such time and place as designated from time to time by the Chairperson or the Vice Chairperson in the absence or disability of the Chairperson, the President, or by the written request of a majority of the directors. Notice of Special Meetings will be required.

Unless otherwise indicated in the notice thereof, any and all matters pertaining to the purposes of MRC may be considered and acted upon at a Special Meeting, including but not limited to personnel matters described under Section 7.04. At any meeting at which every Director will be present, even though without any notice, any matter pertaining to the purposes of MRC may be considered and acted upon.

2.08. *Quorum.* One-half (1/2) of the directors, excluding Ex-Officio Directors, will constitute a quorum.

2.09. *Proxies.* A director may not vote by proxy.

2.10. *Compensation of Directors.* Persons serving as directors will not receive any salary or compensation for their services as directors; provided, however, that nothing contained herein will be construed to preclude any director from receiving compensation in a reasonable amount for personal services rendered (other than services rendered as a "Director") that are reasonable and necessary in carrying out MRC's purposes as the Board of Directors may from time to time determine. A director will be entitled to reimbursement for reasonable expenses incurred by him or her in carrying out his or her duties as a director.

2.11. *Duties of Directors.* A director will discharge the director's duties in good faith, with ordinary care, and in a manner the director reasonably believes to be in the best interest of MRC. In the discharge of any duty imposed or power conferred on a director, the director may in good faith rely on information, opinions, reports, or statements, including financial statements and other financial data, concerning MRC or another person that were prepared or presented by one (1) or more officers or employees of MRC; legal counsel, public accountants; or other persons acting solely in their professional capacity and not as volunteer directors as to matters the director reasonably believes are within the person's professional or expert competence. A director is not liable to MRC or any other person for any action taken or not taken as a director if the director acted in compliance with this Section.

2.12. *Actions of Board of Directors.* The Board of Directors will try to act by consensus. However, the vote of a majority of directors present and voting at a meeting at which a quorum is present will be sufficient to constitute the act of the Board of Directors unless the act of a greater number is required by law or the Bylaws. A director who is present at a meeting and abstains from a vote is considered to be present and voting for the purpose of determining the decision of the Board of Directors.

ARTICLE 3 OFFICERS

3.01. *Titles and Term of Office.* The officers of MRC will be a Chairperson, Vice Chairperson, Immediate Past Chairperson, President, Secretary, Treasurer, and such other officers and assistant officers as the Board of Directors may from time to time elect or appoint. One person may hold more than one office, except that the Chairperson will not hold the office of Secretary. The MRC President who will hold office of

President so long as he/she is the MRC President and, as such, Subsections (a) – (d) below do not apply to the position of President, it being understood that the President's role as an officer is subject to the terms of his/her employment as determined by the Board. If the Secretary and/or Treasurer are staff, they will not have terms and will hold office as appointed by the Board.

- (a) The term of office for each officer will be a one-year period commencing on July 1 following the Annual Meeting of the Board of Directors at which each such officer is elected. No officer may serve more than three (3) consecutive one-year terms in the same office unless the reason for a specific one-time exception is approved by the appropriate Board.
- (b) All officers will hold office until their respective (a) expiration of term of office as provided for in these Bylaws, (b) resignation, (c) removal, or (d) death. In any event, a duly-elected officer will serve in the office to which he or she is elected until his or her respective successor will have been elected and qualified.
- (c) Any officer may resign at any time. Such resignation will be made in writing and will take effect at the time specified therein, or, if no time is specified, at the time of its receipt by the President or Secretary. The acceptance of a resignation will not be necessary to make it effective, unless expressly provided in the resignation.
- (d) All officers will be subject to removal, with or without cause, at any time by a majority vote of the Board of Directors then in office. A vacancy in the office of any officer, whether by increase in the number of offices or otherwise, will be filled by a majority vote of the Board of Directors then in office.

3.02. *Chairperson.* The Chairperson will preside at all regular and special meetings of the Board of Directors and the Executive Committee. He or she will appoint special committees as authorized by the Board of Directors, will appoint the chairpersons of committees and will perform all other duties incident to the office as required by the Bylaws or assigned to him or her from time to time by the Board of Directors. The Chairperson of the MRC Board may designate the Vice-Chairperson or any MRC Executive Committee Member to act in the Chairperson's capacity with full authority of the MRC Chairperson's office, including voting privileges. Such designation and its scope and duration shall be communicated in writing to the President of MRC. The Chairperson of any meeting of the Board of Directors will determine the procedure at the meeting, including, without limitation, conduct of the discussion and the order of business.

3.03 *Vice Chairperson.* The Vice Chairperson will have such powers and duties as may be assigned to him or her by the Board of Directors including the performance of the duties of the Chairperson upon the death, absence or resignation of the Chairperson or upon the Chairperson's inability to perform the duties of his or her office. Any action taken by the Vice Chairperson in the performance of the duties of the Chairperson will be conclusive evidence of the Chairperson's absence or inability to act at the time such action was taken.

3.04 *Immediate Past Chairperson.* The Immediate Past Chairperson will have such powers and duties as may be assigned to him or her by the Board of Directors.

3.05 *Treasurer.* The Treasurer, with the support of any appointed Assistant Treasurer, will oversee all the funds and securities of MRC and will see that proper records of all financial transactions of MRC are faithfully kept. The Treasurer and all others who oversee or handle MRC's funds will, if required by the Board of Directors, be bonded with approved sureties in such form and amount as the Board of Directors may require. The financial records will be audited annually by a certified public accountant approved by the Board of

Directors, Finance Committee or Board appointed Committee such as an Audit Committee, if one exists, and as provided for in Section 6.02. The individual serving as Treasurer may also serve as Secretary. A Treasurer or Assistant Treasurer, if a staff member, will have no voting rights.

3.06 *Secretary.* The Secretary will keep the minutes of all meetings of the Board of Directors in books provided for that purpose and will have such other powers and duties as may be assigned to him or her by the Board of Directors. The individual serving as Secretary may also serve as Treasurer. A Secretary, if a staff member, will have no voting rights.

The President may execute any deeds, mortgages, bonds, contracts, or other instruments that the Board of Directors has authorized to be executed. The President may designate other executives to execute local, operational contracts of a short-term nature; generally, not exceeding one year. The specific duties, the term of service and the compensation of the President will be designated by the Board of Directors. As provided in Article 2 of these Bylaws, the President will be an Ex-Officio non-voting member of the Board of Directors. The President will select, employ, retain and direct such personnel as the Board of Directors or the Executive Committee may authorize for the efficient and effective operation of MRC and its related entities, it being understood that such authority does not restrict the ability of the Board of Directors or the Executive Committee to engage outside consultants, legal advisors, or others as necessary to carry out its duties.

As chief executive officer under the supervision and direction of the Board of Directors, the President will carry on the general affairs of the Corporation. It will be his or her duty to approve the expenditure of the monies appropriated by the Board of Directors in accordance with the budget approved by the Board. Actions of the Executive Committee may be ratified by the Board of Directors at subsequent meetings. The Executive Committee will adopt its own rules of procedure. The Executive Committee will keep regular minutes of the transactions of its meetings, will cause such minutes to be recorded in books kept for that purpose in the office of MRC, and will report the same to the Board of Directors from time to time. The President will attend Executive Committee meetings as required by the Executive Committee.

Regular Meetings of the Executive Committee may be held between regular meetings of the Board. Special Meetings of the Executive Committee may be called by the Chairperson, by the Vice Chairperson in the absence, death or disability of the Chairperson. - (c) The term of office for each Committee Chair will be a one-year period commencing on July 1 following the Annual Meeting of the Board of Directors at which such Committee Chair is appointed. Finance will oversee and review annual budgets that are submitted by MRC management to the Board of Directors for approval and adoption.

5.04. *The Governance Committee.* The Governance Committee ("Governance" or "Governance Committee") will consist of five (5) or more members, at least two (2) of whom must be members of the Executive Committee. Governance will give thought throughout the year to replacing directors whose terms will expire within the current year with men or women who are particularly qualified to bring the finest possible leadership to MRC. When submitting nominations, Governance will assess the qualifications for membership on MRC and MRC affiliate/subsidiary boards. Such assessment will include, but not be limited to, the leadership needs of affiliate boards and their business cycle. These and other considerations to be made may be expressed in a Nominations Philosophy Statement which will be in keeping with MRC's core values.

- (a) At the Annual Meeting of the Board of Directors, Governance will submit the names of nominees for election to the Board of Directors at least fifty percent (50%) of whom will be members of the United Methodist Church. After election by majority vote of the Board of Directors, Governance will be responsible for presenting the names of the directors to the Texas Annual Conference for ratification by the next session of the Texas Annual Conference. If the immediate past Chair of the MRC Board is unable to serve, the MRC Chairperson will nominate another Board member to serve upon the ratification of the MRC Board.

- (c) Meet at such times and at such place or places as may be provided by such rules or by resolution of the Board of Directors; and
- (d) Keep minutes of its meetings and report to the Board of Directors at its next succeeding meeting.

At every meeting of any such committee, the presence of a half of all the members thereof will constitute a quorum, and the affirmative vote of a majority of the members present will be necessary for the adoption by it of any action, unless otherwise expressly provided in the committee's rules or procedures or these Bylaws or by the Board of Directors.

The Board of Directors may designate one (1) or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of such committee. In the absence or disqualification of a member of a committee, the member or members present at any meeting of such committee and not disqualified from voting, whether or not constituting a quorum, may unanimously appoint the designated alternate director to act at that meeting, in the place of the absent or disqualified member.

6.04. *Decision Without Meeting.* Any action required by the Code to be taken at a meeting of the directors of Corporation or any action that may be taken at a meeting of the directors of any committee may be taken without a meeting if a consent in writing, setting forth the action to be taken, is signed by a sufficient number of directors or committee members as would be necessary to take that action at a meeting at which all of the directors, or members of the committee were present and voted, as required by the Code. The consent must have the date of each director's or committee member's signature. Prompt notice of the taking of any action by directors or a committee without a meeting by less than unanimous written consent will be given to all directors or committee members who did not consent in writing to the action.

6.10. *Prohibited Acts.* As long as MRC is in existence, and except with the prior approval of the Board of Directors, no Director, officer, or committee member of MRC will:

- (a) Do any act in violation of the Bylaws or a binding obligation of MRC.

- (c) Do any act that would make it impossible or unnecessarily difficult to carry on the intended or ordinary business of MRC.
- (d) Receive an improper personal benefit from the operation of MRC.
- (e) Use the assets of MRC, directly or indirectly, for any purpose other than carrying on the business of MRC.
- (f) Wrongfully transfer or dispose of MRC property, including intangible property such as good will.

ARTICLE 7 TRANSACTIONS AND CONFLICT OF INTEREST

7.01. *Duality of Interest.* Any duality of interest or possible conflict of interest on the part of any member of the Board of Directors will be disclosed to the other directors and made a matter of record (i) through an annual procedure and (ii) when such interest or conflict becomes a matter of the Board of Directors or Executive Committee action.

7.02. *Procedure.* Conflict of interest may exist when the interests or activities of any director, officer or staff member may be seen as competing with the interests or activities of MRC, or the director, officer or staff member derives a financial or other material gain as a result of a direct or indirect relationship.

- (a) Any possible conflict of interest will be disclosed to the Board of Directors by the person concerned, if that person is a director or the President of MRC, or to the President, or to such person or persons as he or she may designate, if the person is a member of the staff.
- (b) When any conflict of interest is relevant to a matter requiring action by the Board of Directors, the interested person will call it to the attention of the Board of Directors or its appropriate committee and such person will not vote on the matter; provided, however, any director disclosing a possible conflict of interest may be counted in determining the presence of a quorum at a meeting of the Board of Directors or a committee thereof.
- (c) Unless requested to remain present during the meeting, the person having the conflict will retire from the room in which the Board or its committee is meeting and will not participate in the final deliberation or decision regarding the matter under consideration. However, that person will provide the Board or committee with any and all relevant information.
- (d) The minutes of the meeting of the Board or committee will reflect that the conflict of interest was disclosed and that the interested person was not present during the final discussion or vote and did not vote. When there is doubt as to whether a conflict of interest exists, the matter will be resolved by a vote of the Board of Directors or its committee, excluding the person concerning whose situation the doubt has arisen.
- (e) A copy of this conflict of interest Bylaw will be furnished each director, officer and senior staff member who is presently serving MRC, or who may hereafter become associated with MRC. This policy will be reviewed annually for the information and guidance of directors, officers and staff members. Any new directors, officers or staff members will be advised of this policy upon undertaking the duties of such office.

7.03. *Loans to Officers and Directors Prohibited.* MRC will not make any loan to a director or officer of MRC. Any director voting for or assenting to the making of any such loan and any director or officer

participating in the making thereof will be jointly and severally liable to MRC for the amount of such loan until repayment thereof.

A director, officer, or committee member of MRC may lend money to and otherwise transact business with MRC except as otherwise provided by the Bylaws, Certificate of Formation, and all applicable laws. Such a person transacting business with MRC has the same rights and obligations relating to those matters as other persons transacting business with MRC. MRC will not borrow money from or otherwise transact business with a director, officer, or committee member of MRC unless the transaction is described fully in a legally binding instrument and is in the best interests of MRC. MRC will not borrow money from or otherwise transact business with the director, officer, or committee member of MRC without full disclosure of all relevant facts and without the approval of the Board of Directors, not including the vote of any person having a personal interest in the transaction.

7.04. Personnel and Performance Matters. For the avoidance of doubt, any officer, director, or committee member that is employed by, or is contracted with MRC has a conflict of interest for purposes of any meeting of the Board or any committee thereof, or any discussion within a meeting, involving his or her own performance, employment, or contract, whether such meeting or discussion is held by the full Board of Directors, or by any committee thereof. By way of example but not limitation, meeting and discussion topics that trigger the recusal obligations hereunder may include the following: (a) setting personal goals, (b) evaluating performance, (c) considering disciplinary action up to and including termination, (d) deciding raise or bonus amounts, and (e) discussing or changing a job description. Unless requested to attend such meeting or discussion by the Chairperson of the Board or the Committee Chair, as applicable, the employee or contractor will not attend the meeting (if the sole purpose of the meeting is to discuss the performance, employment or contract matter), or will leave the meeting for such portions of the meeting relating to the individual's performance, employment or contract (if such discussion is part of a meeting that involves additional matters). If the employee or contractor in question fails to recuse himself or herself as required hereunder, he or she will do so upon request of the Chairperson of Committee Chair, as applicable. Furthermore, no subordinate of the recused employee or contractor shall participate in the meeting or discussion of the performance, employment or contract of the recused employee or contractor. In addition, to the extent that the Board or any committee thereof desires to discuss the performance of a director that is not employed by or contracted with MRC (e.g. a volunteer director), the director that is the subject of the discussion shall recuse himself or herself from the meeting or discussion. Following any meeting governed by this Section 7.04, the Chairperson of the Board or the Committee Chair, as applicable, will inform the recused individual that was the subject of the discussion about the outcome of the meeting.

In accordance with this Section 7.04, and for the avoidance of doubt, it shall not be necessary for purposes of satisfying meeting notice requirements under these Bylaws to share with the employee, contractor or director in question, or his or her subordinates, any performance, employment or contract-related information that will be discussed during the meeting or discussion. To the extent of any inconsistency between any provision of these Bylaws and this Section 7.04, this Section 7.04 shall control.

ARTICLE 8 INDEMNIFICATION

Pursuant to Chapter 8 of the Code, the Corporation will provide mandatory and permissive indemnification.

The Corporation will indemnify a governing person or a former governing person against reasonable expenses actually incurred by the person in connection with a proceeding in which the person is a respondent because the person is or was a governing person if the person is wholly successful on the merits or otherwise in the defense of the proceeding, as mandated in Chapter 8, Subchapter B of the Code.

To the fullest extent permitted by law, the Corporation may pursuant to the Code, indemnify a person who was, is, or is threatened to be made a named defendant or respondent in litigation or other proceedings because the person is or was a director or other person related to the Corporation as provided by Chapter 8, Subchapter C of the Code governing permissive indemnification. Such indemnification may include, without limitation, advancing the indemnified party his or her reasonable expenses.

ARTICLE 9 AMENDMENTS

Any such amendment must be ratified by the Texas Annual Conference at its next session following adoption of the amendment.

<p>Providence Place Dr. Judith Bell, President & CEO</p>
--

Bishop and the members of the Texas Annual Conference, thank you on behalf of our Board of Directors, staff, and those on our campus who are working hard to achieve their own personal level of success. Your dedication in partnership with the ministry of Providence Place is immeasurable.

The year of 2023 marks 128 years of service; all possible because of your loyal and faithful support from individual donors and United Methodist Churches throughout the Texas Annual Conference. Every day, we have the wonderful opportunity to see God's hand in our ministries as the lives of the women, children and families are transformed.

Providence Place works to end the cycle of generational trauma through innovative services and continues to evolve its programs and services to meet the ever-changing needs of those we serve. The world is changing; inflation has caused new uncertainties for many. Families are struggling with the rising costs of gas, food, diapers and formula. Providence Place serves over 2,000 individuals each year; 100% of those we serve are living day-to-day trying to make ends meet.

The relationship between Providence Place and Texas Annual Conference, along with individual donors and individual churches has been lifechanging in so many ways. Together, we have helped young women facing unplanned pregnancies, provided a home for countless young adults, offered hope and restoration for survivors of complex trauma, and created loving homes for children in foster care. What makes our programs unique is our ability to serve women, children and families using a trauma informed care model. This commitment to women and families started with our founder, Madame Volino, when she first sought help from Travis Park Methodist Church in San Antonio and changed her life from a brothel owner to a sanctuary for women and young children in need. Without a doubt, churches and their congregants have played a significant role in the success of Providence Place for 128 years; something we will never forget.

I encourage you to call to arrange a speaker for your congregation or church group, and request offering materials for an annual church offering. We couldn't continue these ministries without you and we would love to come and share the stories of Providence Place! If we could be a resource to you, contact our Mission Advancement Team at (210) 696-2410 or at mission.advancement@provplace.org. Also, please visit our website at www.provplace.org to learn more about these special ministries and to hear first-hand stories from those we have served.

Texas Methodist Foundation
Rev. Lisa Greenwood, President

Texas Methodist Foundation ended 2022 with deep gratitude for the many investors, philanthropists, borrowers, and leaders we have been blessed to serve in ministry. In 2022 TMF honored Tom Locke for 33-years of service, awarding him the Medallion of Merit at his retirement celebration in November. Over the last five years, TMF has cumulatively invested over \$130.1 million of revenue and endowment distributions in Methodist churches and nonprofits across Texas and New Mexico. During this time of change, and with our new President & CEO, Rev. Lisa Greenwood, we remain steadfast in our commitment to partnering with the Texas Annual Conference of the United Methodist Church, walking alongside congregations, together creating cultures of purpose, generosity, and courage.

Rev. Melvin Amerson and Rev. Mark Woodward are Texas Senior Area Representatives and the primary contact and bridge between congregations, clergy and laity, and Texas Methodist Foundation. As partners in ministry, Melvin and Mark connect members of the Texas Conference to relevant resources available at Texas Methodist Foundation.

TMF, headquartered in Austin, serves Methodist individuals, churches, and agencies within the six annual conferences in Texas and New Mexico. We appreciate the opportunity to report some of the ways we served Methodists last year.

Within the Texas Conference

- Loans to churches in the Texas Conference totaled \$92.3 million at the end of 2022.
- Churches and agencies, not including individuals, within the Texas Conference had \$55.9 million invested in the Methodist Loan Fund.

Throughout Texas and New Mexico

- As of December 31, 2022, total assets under management by TMF were \$647.9 million.
- Methodist Loan Fund investments ended the year at \$312.2 million, and our loan portfolio at \$290.4 million.
- Total gifts to TMF's ministries equaled \$1.2 million, including gifts to Leadership Ministry, Grants, and TMF's Undesignated Endowment.
- Total gifts to TMF for the benefit of others ended 2022 at \$1.8 million, including all planned giving Endowments, Charitable Gift Annuities, Trusts, Donor-Advised Funds.
- In 2022, the TMF Grants Ministry funded approximately \$2.03 million in support of 82 churches and nonprofits. Of that total, TMF granted \$1.49 million from its restricted permanent endowment funds, and the remainder from its operating budget.
- TMF's Leadership Ministry works to equip leaders for deep change through conversations of courage, learning, and innovation. Some of these conversations take the form of ongoing peer groups and others as stand-alone conversations around an adaptive issue. These peer relationships offer fresh perspectives, renew their sense of calling and embolden them for courageous leadership.
- In 2022, 25 clergy from the Texas Conference participated in a TMF peer learning group. To date, 64 clergy from TAC have been a part of a TMF group.
- In March 2023, TMF hosted a gathering exploring innovative ministry with 75+ leaders in Houston, including 15 from the Texas Conference.
- Fueled by the desire to encourage and support, the TMF team of Area Representatives continues to remain steadfast and loyal to those they serve. As walk-beside partners in ministry, the Area Representative team equips and empowers faith communities by providing financial best practices, inspiring cultures of generosity, and cultivating strategies of legacy giving (often initiated by the workshop Putting Your House in Order). Churches who desire to nurture purpose and innovation embrace a process of discernment guided by this question, "What difference is God calling us to make in this time and in this place?" Engaging both informal conversation and contract services church leadership use Holy Conversations (4-6 months with a team of 7-9) and Holy Excavations (half-day workshop with 25-30 people) to explore their call.

Texas United Methodist College Association
Michael Hutchison, President

The Texas United Methodist College Association exists to advocate for our Texas Methodist college students attending one of the six United Methodist institutions of higher learning in Texas. Gifts received from our Annual Conference partners are passed along to deserving students through the Texas Methodist Scholarship Program. During the 2022-23 academic year, we awarded over \$172,000 in scholarship support through this program to students at Huston-Tillotson University, McMurry University, Southern Methodist University, Southwestern University, Texas Wesleyan University and Wiley College. These scholarships are given on the basis of financial need and oftentimes make the difference in a student attending college and persisting to graduation. The importance of these specific scholarships cannot be overstated especially given the impact on **access** and **affordability** for those who receive these funds.

The students receiving support through the Texas Methodist Scholarship Program represent a wide range of vocational interests. Attending United Methodist institutions, they have the opportunity to develop their faith and find a career path leading to a life of service and contribution to the greater good. It is our hope that in supporting our Methodist students at our own institutions that they will contribute to the growth of the Church, whether that be as an ordained minister, in another church-related role or as active laity. By encouraging their exploration of faith, we know that some will enter the ministry – whether that be a direct path out of college to seminary or as second-career ministers, which is increasingly the norm.

On behalf of the Texas Methodist Scholarship recipients, we would like to express our appreciation to the Texas Conference for your continued generous support of this vitally important program. UM ARMY
Brian Smith, Executive Director

Our Mission

To provide Christ-centered missions that serve people in need and promote spiritual growth and leadership development in youth and young adults.

Our Vision

Young people growing in Christian faith and transforming the world by serving people in need.

Our Story

U.M. ARMY started here in the Texas Annual Conference in 1979 when Houston area churches combined their youth groups for a summer youth mission trip to Athens, TX, where they stayed at First United Methodist Church. They spent a week providing free home repairs for people in need in the community. What started as one summer mission trip, has grown into a National organization, with Scott Atnip as Executive Director, with four established regions hosting youth mission trips throughout Texas, Louisiana, and the North Eastern United States. But our mission has remained the same for the nearly half century of ministry: to put youth and young adults in a position to impact the lives of those around them.

As an organization, U.M. ARMY is happy to announce the development and release of a new name in order to better serve those across all faith communities. We will still be “U.M. ARMY,” but it now stands for *United in Mission: Action Reach-out Ministry by Youth*. Everything you know and love about U.M. ARMY has stayed the same.

The region serving the Texas & Louisiana Annual Conferences, U.M. ARMY – TX/LA with Jack Matthews serving as Regional Director, is looking forward to Summer 2023 and the opportunities it will bring. Our goal for the 2023 season is to have youth and adult participants throughout the TAC and LAC at about 25 host churches. With trip options for college groups, high school groups, junior high groups, and our growing mixed age opportunities for groups with 6th through 12th grade students, we have something for everyone!

The 2023 summer will be our 45th season of providing summer youth missions. Our success is a result of God’s blessing and our being faithful to God’s call to “raise up a child in the way he should go” and to serve people in need. Our success is also a result of the ongoing support of the Texas Annual Conference and all of the churches that support our program, and for that we are extremely grateful.

The support of the Texas Annual Conference, pastors, churches, and thousands of youth and adult participants has been invaluable in the growth and success of this program. It is no accident that U.M. ARMY had its start in this Annual Conference. The TAC has provided the platform for this organization to expand beyond Texas, to the glory of God. With your continued support, U.M. ARMY will continue to grow and impact the lives of those around us.

Wesley Community Center
Ms. Amy Corron, President & CEO

Throughout the year, the residual effects from the pandemic and inflation continued to impact our clients' well-being. The demand for basic assistance -food, rent, and utilities - remained high. Despite the hurdles, we welcomed many clients, including more children, back in the building.

Facilities Expansion: Due to the increasing interest in Wesley Community Center's workforce development and adult education services, we are embarking on a facilities expansion. A capital campaign is underway to raise \$4.2 million for a new Workforce and Adult Education building. We have currently raised \$1.8 million towards this goal and with plans to begin construction in early 2024. This new facility will allow us to run more of our workforce trainings, GED, ESL, and digital literacy classes to meet the needs of the community.

This additional funding allowed us to add new staff positions and expand our upskilling programs. Wesley now offers preparatory classes for Medical Assistant, LVN, Pharmacy Technician, and Sterile Processing. Clients completing these prep classes earn scholarships to local community colleges to complete their training.

Basic Needs – Emergency Services

This year, we have continued to see high demand for emergency services. We expect to end the year having provided over 7,000 households with financial assistance. Families are still struggling to find work and to pay their bills due to the rise in costs of gas and groceries.

The food pantry continues to provide high quality, safe and efficient services for thousands of individuals.

As of the end of 2022, we had 145 seniors enrolled in our program. We were able to reopen our in-person seniors program in March of 2022, much to the delight of both seniors and staff. Average daily attendance is around 50 seniors. Seniors have participated in Bingo-cise (exercise bingo), digital literacy, financial seminars, games, dances, and festive holiday parties.

Services for Children and Youth

Early Childhood Education

At the end of 2022, Wesley is currently served 102 children in Early Head Start and Pre-K. Wesley was able to provide safe, quality early childhood education for families so parents could continue to work. We held a variety of parent engagement activities monthly.

Youth Services

Over the year, we served a total of 86 children, unduplicated. Our numbers of students are back to our pre-pandemic levels. Students participate in after school during the year and summer camp, as well as camp during breaks.

INSTITUTIONS OF HIGHER LEARNING REPORTS

Africa University

James H. Salley, Associate Vice Chancellor for Institutional Advancement

United Methodists worldwide celebrated an 'Ebenezer' moment in the ministry of Africa University in 2022, marking 30 years of faithfulness, generosity, growth, and impact within and beyond The United Methodist Church. God's presence and provision in the life of Africa University are evident, thanks to the prayers and generous support of the Texas Conference. Thank you! The Texas Conference invested 85.68 percent of its share of general

church giving to support the day-to-day operations of Africa University. At 83.7 percent overall in 2022, giving to the Africa University Fund (AUF) remained resilient in all five jurisdictions in the United States.

Supported by strong missional engagement and investment by Texas United Methodists and church members across the denomination, Africa University embraced new opportunities as it emerged from pandemic-related restrictions in 2022.

- **Enrollment:** Strategic recruitment and retention initiatives, including blended learning options, technology upgrades, and additional mental health support and financial aid, helped Africa University achieve a total enrollment at 2,791 students in August 2022. Female students comprised 58 percent of the student population and 23 African nations were represented.
- **Academic Growth:** Africa University launched its first new academic unit in almost twenty years—The School of Law—with a pioneer cohort of 20 students pursuing the Bachelor of Laws (Honors) (LLBS) degree program. The institution has five new undergraduate and graduate programs approved for implementation by the Zimbabwe Council for Higher Education (ZIMCHE), the national accreditation and quality assurance agency.
- **Infrastructure expansion:** Construction of a new residence hall for female students at Africa University is ongoing. Funding to build and equip the facility was provided by the East Ohio Conference (EOC). The EOC’s *Teach * Reach * Bless* campaign raised more than \$1.5 million.

Africa University’s year-long 30th anniversary program culminated in October 2022 with a gathering of more than 3,000 people at its main campus in Mutare, Zimbabwe. Amidst the commemoration and joyful thanksgiving livestreamed to the world, the Rev. Dr. Peter Mageto was formally installed as the fifth vice chancellor (president) of the institution.

Mageto, a Kenyan and academician specializing in theological ethics, echoed the gratitude of the students, faculty, staff, trustees, and alumni of Africa University for the incalculable sum of answered prayers that are the Africa University story. His inaugural address highlighted the optimism and commitment to purpose that are the foundation of the university’s unfolding vision.

“Today, Africa University turns 30. The number 30 is in itself a blessed figure. Thirty was the age of our Lord Jesus Christ when he commenced his ministry here on earth. It gives us great faith to be walking resolutely towards the fourth decade,” Mageto said.

Thank you, Texas Conference, for nurturing change leaders and building an enduring legacy through the ministry of Africa University. Let us continue to journey together—learning, leading, and serving God, all the time, everywhere.

Candler School of Theology
Jan Love, Dean

Since 1914, **Candler School of Theology at Emory University** has educated faithful and creative leaders for the church's ministries throughout the world. An official seminary of The United Methodist Church, Candler holds true to the Methodist value of ecumenical openness, enthusiastically welcoming students from more than 42 denominations, with nearly half of Master of Divinity students coming from the Wesleyan tradition, including United Methodist, African Methodist Episcopal, African Methodist Episcopal Zion, Christian Methodist Episcopal, Wesleyan, Free Methodist, Church of the Nazarene, and others. Our student body reflects the diversity and breadth of the Christian faithful, with an enrollment of 417 from 16 countries and 33 states, and 43% persons of color. This diversity is a blessing, enriching our life together and providing a "learning laboratory" for ministry in the 21st century—ministry that cultivates community across difference, welcomes all to contribute and belong, and embodies Christ's love in and among us.

Candler offers six single degrees and ten dual degrees, most of which are available in hybrid or online formats so students can remain rooted in their home communities as they pursue their degrees. Our new hybrid Master of Divinity blending online classes and in-person intensives launches in Fall 2023, and our successful Doctor of Ministry—with its high 87% completion rate—is 90% online. Hybrid and online options are also available in the Master of Religious Leadership and the Master of Religion and Public Life programs. Plus, Candler's Teaching Parish program allows student pastors to earn contextual education credit as they serve their churches. We are excited that these flexible learning formats make a first-rate Candler education possible for even more people who are called to ministry.

Alleviating student debt through generous financial aid is a top priority for Candler. In 2021-2022, we awarded \$7.3 million in scholarship support, with 100% of MDiv students receiving aid. All MDiv students who are certified candidates for ordained ministry in the UMC receive full-tuition scholarships, and all MDiv, MTS, MRL, and ThM students receive a scholarship covering at least 50% of tuition. MDiv students also complete a financial literacy program to strengthen their financial and budgeting skills and reduce debt.

Candler was recently honored as one of 16 theological schools to receive a "Pathways to Tomorrow" grant from Lilly Endowment Inc. The \$5 million grant will support Candler in establishing a set of initiatives to create an interconnected continuum of offerings for the education of pastoral leaders. This will position Candler as a hub of theological learning with multiple entry points, including The Candler Foundry, our innovative program to make theological education accessible to the public, the United Methodist Course of Study, undergraduate classes, and a new venture, La Mesa Academy for Theological Studies. Set to launch in Fall 2023, La Mesa Academy will offer diplomas in pastoral leadership via a two-year hybrid program with courses in Spanish and English. An optional third year of study will be offered to those aspiring to continue to a graduate professional degree at Candler.

This year, we welcomed the Rev. Dr. Brett Opalinski as Assistant Dean of Methodist Studies, a position made available by the retirement of the Rev. Dr. Anne Burkholder. Brett is an elder in full connection in the Florida Annual Conference and most recently served for nine years as senior pastor of Christ Church United Methodist in Ft. Lauderdale. In addition to other pastoral appointments, he has held a variety of leadership roles in the Florida Conference, including chair of the Board of Ordained Ministry. He is deeply committed to working with students in discerning their call, spiritual formation, and guiding them through the commissioning and ordination process.

Candler’s ability to fulfill our mission to provide the church with the faithful and creative leaders it needs depends upon your prayers, partnership, and support. Thank you for the countless ways you advance this essential ministry in the life of our denomination. We invite you to visit us online at candler.emory.edu.

Drew University Theological School
Edwin David Aponte, Interim Dean

Drew educates and mentors pastors, preachers, deacons, activists, teachers, thought leaders, and change agents. In Fall 2022 Drew welcomed 77 new students, and as of February 2023 Drew has a total enrollment of 408 students. Many Drew students are just beginning their ministry, while others come to graduate theological education with substantial ministry experience. The latter reflects a growing trend among all theological schools in the United States and Canada. During 2022, Drew classes met on campus in Madison, New Jersey, but also some classes met exclusively online, while other met in hybrid fashion, i.e., partially online, partially in-person. This was also the case with chapel worship. This reflects both our ongoing emergence from the Covid-19 pandemic lockdown, but also Drew leaning into what it means to be a global school with a global student population. With 35% of students coming from 28 different countries Drew Theological School is truly global and diverse in theology, vocations, age, as well as racial, ethnic, national, and international identities. Drew’s interdisciplinary degree programs foster out-of-the-box thinking, provide real-world apprenticeships, promotes adaptive leadership skills, and encourages innovation through a team-taught core courses reflecting the integration of the theological disciplines and practices characteristic of the life of faith. The faculty articulated shared values are infused across the teaching and learning at Drew: a commitment to anti-racism; gender and sexual-identity equality; eco-sustainability and environmental justice; and interfaith understanding and cooperation. The Theological School has seen an increase in United Methodist students. Moreover, Drew has many United Methodist Global Fellows who chose to pursue education for ministry at Drew. UMC graduates are serving in conferences across the United States as well as in our regional conferences in Greater New Jersey, Eastern Pennsylvania, and New York Annual Conference.

Duke Divinity School
Edgardo Colón-Emeric, Dean

Duke Divinity School has continued in its commitment to form ministers of the gospel who will seek God’s justice and mercy. Our faculty have been leaders in the Duke Climate Initiative participating with colleagues from the Nicholas School for the Environment in the event “Pastoral Care for Climate Change: Weaving Together Science and Theology for Justice.” Divinity faculty have also co-taught a university course titled “Let’s Talk about Climate Change,” and welcomed 30 young faith leaders to understand better how to engage their faith communities in the fight for our climate.

The Office of Black Church Studies, commemorating its 50th anniversary year, hosted “Justice Ministry Reimagined: Reentry Simulation” for pastors, students, and lay leaders to learn more about how to support people reentering the community after incarceration. We launched the Prison Engagement Initiative with the Kenan Institute for Ethics. Divinity faculty taught a “Trauma Engaged Duke” seminar and led the team Developing Best Practices for Trauma-Informed Teaching and Learning.

We welcomed 226 entering students from 35 different states and eight other countries. The Master of Divinity program gained 88 residential students and 42 in the hybrid program. The Master of Arts in Christian Practice enrolled 13 new students; the Doctor of Ministry, 28; Master of Theology, six; Master of Theological Studies, 22; the Doctor of Theology welcomed six residential. The Certificate in Theology and Health Care welcomed four residential students and 16 in the hybrid program. Across all degree programs, 30 percent of the incoming class identified as a race or ethnicity other than white. Black students made up 18 percent of all students; Latinx students, six percent; Asian students, five percent; and American Indian students, one percent. Fifty-seven percent of students in the incoming class are female.

DDS continued to build on its rich tradition of ecumenical engagement, with Dean Colón-Emeric participating in the Methodist-Roman Catholic International Commission Dialogue meeting with Pope Francis at the Vatican. Student Eliza Love, M.Div.’23, was awarded the \$10,000 Bossey Institute scholarship from the United Methodist Church Council of Bishops to attend the World Council of Church Ecumenical Institute.

Three new associate deans have accepted appointments: Daniel Castelo as associate dean for Academic Formation; Jung Choi as associate dean for Global and Intercultural Formation; and Sangwoo Kim as associate dean for Vocational Formation. Linda Coley has also joined as the executive director for the Ormond Center.

The Ormond Center launched the Community Craft Collaborative to create resources for equipping lay and congregational leaders. The Certificate in Conflict Transformation and Reconciliation provides a learning opportunity for pastors and other church leaders seeking theological and practical skills to foster reconciliation in their congregations and surrounding communities. We celebrate the expansion of our connection to UMC colleges through a partnership with Wesleyan College in Macon, Ga., to enable qualified undergraduates to take courses through the Duke Accelerated Pastoral Formation Program.

Convocation & Pastors' School returned to an in-person format for the first time since 2019 with the theme, ***Creativity & Courage: From Trauma to Tough Hope***. Professional dancers, visual artists, musicians, and scholars guided participants in facing brokenness and sin honestly, as they offered glimpses of "the beauty of holiness."

We continue to be grateful for our partnership with this annual conference. To learn more about Duke Divinity School, please visit our website at www.divinity.duke.edu.

Gammon Theological Seminary
Candace M. Lewis, President-Dean

Gammon Theological Seminary is the Interdenominational Theological Center's United Methodist constituent member in Atlanta, Georgia. The Interdenominational Theological Center (ITC) is a Christian Africentric ecumenical consortium of seminaries and fellowships that educate students to commit to practicing justice and

peace through a liberating and transforming spirituality to become leaders in the church and local/global communities. Gammon was founded in 1883, bearing the name of the Rev. Elijah H. Gammon, a generous clergyman, businessman, and philanthropist. Rev. Elijah H. Gammon invested and endowed the founding of Gammon Seminary in partnership with Bishop Henry Warren and the Freedman's Aid Society. Gammon has educated Black Clergy for almost 140 years, with graduates serving every level of the church, including Bishops, Superintendents, General church leaders, Conference staff, and Clergy in every jurisdiction. Today, Gammon Theological Seminary is the only predominately Black Seminary of the thirteen approved United Methodist-related Theological Institutions. The ITC's accreditation is with the Association of Theological Schools and the Southern Association of Colleges and Schools Commission on Colleges. Gammon/ITC offers the following degree programs: the Master of Divinity, the Master of Arts in Religion and Education, and the Doctor of Ministry. The support given to The United Methodist Ministerial Education Fund by United Methodist Conferences continues to enable Gammon students to be grounded in the Wesleyan tradition of theological education. Our 17th President/Dean, Rev. Dr. Candace M Lewis, is the first woman to lead the Seminary in our 139-year history. Dr. Lewis and the Gammon staff team continue to lead innovatively in chartering a "Brand New Day" for Gammon's recruitment, retention, research and resources, fund development, and scholarship endowments in her first two years of service.

Our new initiatives and celebrations this year, 2022-2023, at Gammon include:

- **We established The Rev. Walter H. McKelvey Endowed Scholarship Fund with the South Carolina Methodist Foundation.** Dr. McKelvey was Gammon's 14th President/Dean, serving from 1997-2010. Under Dr. McKelvey's leadership, Gammon's enrollment and graduation rate increased, and buildings were renovated. Our initial goal is to raise \$100,000.00. We have already received a matching fund pledge of \$50,000.00 from Dr. Loretta F. McKelvey (wife of the late Rev. McKelvey).
- **Spring 2023 – International Student travel.** Gammon students traveled to Belfast, Ireland, with the North Georgia Conference as a part of the Rethinking Conflict experience. Gammon students also traveled to Johannesburg, South Africa, on the Doctor of Ministry Immersion experience.
- **Commissioned two National Research Projects,** the first one related to the Impact of COVID on UMC BIPOC Clergy in partnership with Wespeth Benefits and Investments – CFWI – Clergy Financial Wellbeing Initiative. The second research project is "Perspectives" The Future of Blacks in the United Methodist Church—public release of research reports of the Gammon Research Institute scheduled for Summer 2023.

The greatest challenge facing Gammon Seminary is the rising cost of theological education and the significant debt our students incur as they answer their call to full-time ministry. Therefore, Gammon is committed to raising a million dollars in the next two years to offer full-tuition scholarships to students called and committed to full-time ministry in the United Methodist Church. We are grateful to this Annual Conference for your support of theological education and your commitment to ensuring pastoral leadership is theologically trained to lead us forward in the Wesleyan tradition.

Perkins School of Theology
Southern Methodist University
Bishop Michael McKee, Dean ad interim

Perkins celebrates our vital connections with the Texas Annual Conference of The United Methodist Church.

- Forty-six (46) students affiliated with the Texas Annual Conference are enrolled at Perkins, including: 28 Master of Divinity students, 8 Master of Arts of Ministry students, 3 Master of Theological Studies students, 3 Doctor of Ministry students, 1 Master of Theology student, 1 Doctoral of Pastoral Ministry student and 2 non-major students.
- During the 2022-23 academic year, 30 students from the Texas Annual Conference received funding from the PACE (Perkins Annual Conference Endowment) grant, with the average overall financial aid award per student totaling \$4,336.60.
- Thirteen (13) Perkins students from the Texas Annual Conference currently are taking part in internships.

Enrollment Update

Enrollment at Perkins for the 2022-23 academic year totaled 257 students. The hybrid Houston-Galveston Extension Program, in its fifth year of providing a combination of online and residential classes leading to the M.Div. and M.A.M. degrees, totaled 96 students during the 2022-23 academic year.

Institutional Highlights

- Craig C. Hill, who became the 11th dean of Perkins School of Theology in July 2016, retired as dean December 31, 2022, due to medical reasons. Hill, the Leighton K. Farrell Endowed Dean and Professor of New Testament, will remain a member of the Perkins faculty until December 31, 2023. During his years at Perkins, he led a thorough study and reorganization of the Office of Enrollment Management, doubling new student enrollment from 2016-17 to 2019-20. Under his leadership, financial aid to students increased by 50 percent. He also reinvigorated the Houston-Galveston extension site as a hybrid program. Hill broadened academic offerings to include the development of the Baptist House of Studies, the Black/Africana Studies and a healthcare chaplaincy program.
- Bishop Michael McKee began his service as Dean of Perkins School of Theology *ad interim* effective January 1, 2023. He will serve until a permanent dean has been named. Bishop McKee previously served as episcopal leader of the North Texas Annual Conference since his election by the South Central Jurisdiction in 2012, from which he retired on January 1, 2023. As interim dean, he will provide leadership development with students and alumni and, at a time of particular challenge within the Methodist denomination, will further strengthen SMU's ties with donors, congregations and institutions within our region as well as nationally.
- Perkins was honored to have Bishop Cynthia Fierro Harvey preach a Chapel service during the first week of classes for our Houston/Galveston in January 2023. That same week, Bishop McKee traveled to Houston to visit with our hybrid students for the first time as interim dean.
- The inaugural William J. Abraham Memorial Lecture took place Oct. 17 in Perkins Chapel, with Dr. Fred Aquino delivering the lecture and a reception following in the Blue Room in Bridwell Library. Bridwell Library (SMU Libraries) and Perkins School of Theology established the annual Memorial Lecture to bring a scholar to the SMU campus each year to engage in a topic related to Abraham's work of the scholar's choosing. Dr. Abraham, 73, died suddenly in October 2021. He was the Albert Cook Outler Professor of Wesley Studies at Perkins from 1995 until his retirement in May 2021.

- Bishop Ruben Saenz Jr. (M.Div. '97; D.Min. '09) was honored as the 2022 recipient of the Perkins Distinguished Alumnus/a Award. Saenz, a native of south Texas and lifelong United Methodist, was elected bishop in 2016 at the South Central Jurisdictional Conference. He currently serves as episcopal leader of the North Texas and Central Texas annual conferences. The banquet, which took place Nov. 14, also recognized the 2021 Award recipient, Evelyn Parker, and the 2020 Award recipients, the Rev. Donald W. Underwood and the Rev. Dr. Sidney G. Hall, III.
- Eight congregations were selected for the second cohort of the Lilly Endowment-funded Testimony HQ initiative to develop thriving congregations through the practice of testimony as community engagement. These congregations were selected from applications submitted from churches within a 350-mile radius of Dallas. The cohort congregations will each receive up to \$5,000 in grant funding to support their Testimony HQ work from January through December 2023. The following year, in 2024, each of these churches will mentor a church selected to participate in the third cohort.
- An anonymous donor gifted to Perkins and Bridwell Library a Heritage Edition of the St. John's Bible. Only 299 copies are being produced, with only a few copies in the State of Texas. Renowned calligrapher Donald Jackson produced the hand-written, hand-illuminated Bible. The volumes are bound – by hand – in a single piece of Italian calfskin leather and adorned with a solid silver clasp. The headbands are handsewn in Pakistan. Each volume is numbered and initialed by Donald Jackson and protected in a burgundy clamshell box.
- Perkins is continuing its curriculum review process, chaired by Dr. Rebekah Miles, as it seeks refinement in its degree programs that will enhance flexibility for students while also providing opportunities to engage with the school's degree concentrations. We hope to implement the revised curriculum beginning Fall 2024.
- Following a formal campus visit by a seven-member review committee in September, the University Senate of the General Board for Higher Education and Ministry provided SMU and Perkins School of Theology a positive recommendation with regard to institutional integrity, well-structured programs, sound management and clearly defined church relationships. This review process takes place once every 10 years.
- Dr. Rebekah Miles and Dr. Ted Campbell were formally installed as the holders of two endowed chairs: Miles as the Susanna Wesley Centennial Professor of Practical Theology and Ethics and Campbell as the Albert Cook Outler Professor of Wesley Studies. Not only do the two chairs involve professorial positions, but the new chairholders also received an engraved desk chair as part of the formal installation ceremony. Miles and Campbell also each delivered a lecture on a topic of their choosing as part of the installation.
- Dr. Bruce Marshall, Lehman Professor of Christian Doctrine, was awarded the 2023 Altshuler Distinguished Teaching Award. Bestowed annually since 2001, the award recognizes four SMU faculty members for their notable commitment to and achievements in fostering student learning. These are teachers whose concerns for higher education go beyond classroom boundaries and often the boundaries of their own disciplines. In student mentoring, in discussions about teaching, and in continuous reflection about their own successes and ways to improve, they represent the highest achievement in reaching the goals of higher education.
- Rev. Dr. Elias H. Lopez (M.Div. '10, D.Min. '18) joined the faculty and staff as Associate Director of the Intern Program. Dr. Lopez brings a strong background in pastoral care and theology to this position. Prior to Perkins, he served as Director of Pastoral Care at Methodist Health System in Dallas, leading a team of 36 chaplains in providing spiritual support to the entire healthcare system.

- We are saddened to announce the death of Kenneth Hart, Professor Emeritus of Sacred Music and former Director of the Sacred Music program from 1987 to 2005. Among his scholarship, he wrote and published the 2014 volume titled *A Day for Dancing: The Life and Music of Lloyd Pfautsch*.

The highlights listed above are reflective of the vibrant engagement of Perkins faculty, staff and students. Our mission is to equip persons for faithful leadership and Christian ministry in a changing church and society; to educate those seeking a deeper understanding of the Christian faith; and to strengthen the church, academy, and world through service, scholarship, and advocacy. We thank our many colleagues, friends and alumni in the Texas Annual Conference of The United Methodist Church for your generous support, including referrals of prospective students.

Saint Paul School of Theology
Neil Blair, President

Educating tomorrow's leaders by offering on-campus, online, and hybrid learning courses at a FLEXible schedule, Saint Paul School of Theology is a seminary serving a diverse community committed to the formation of people for innovative, creative ministry through rigorous academic life. Grounded in the academic study of faith and ministry, theology is practiced in a traditional classroom and in remote spaces. Our contextual curriculum features Ministry Collaboration Groups, Practicums, Spiritual Formation Retreats, and Seminars. Students learn from dedicated faculty, experienced pastors, and community leaders about best ministry practices leaving our graduates with the tools and first-hand experience necessary to meet the needs of a changing world.

We continue to implement the changes the last few years have integrated into our daily lives. Our weekly chapel service utilizes a hybrid format, where participants may join in-person or online, allowing staff and students to come together as one institution where all are invited to create a sacred atmosphere from wherever they are. In addition, Saint Paul offers weekly Spiritual Formation allowing students to engage in spiritual practices led by Rev. Jen Logsdon-Kellogg. Some practices will take us outdoors or to other sacred spaces, and others will have us connect with community leaders.

Saint Paul welcomed over 30 new students for the 2022-2023 academic year. Enrollment remained solid for the Master of Divinity (MDiv) degree program with promising growth on our Oklahoma campus. With COVID-19 restrictions lifted yet monitored, prospective students returned to in-person visits on both campuses, experiencing community meals, worship, and the newly implemented "Hammock ministry" on the Oklahoma campus. The Admissions team continues to expand travel to meet new students, including the Carolinas, Washington, D.C., and various parts of Texas.

This year we have focused on strengthening the Master of Arts in Christian Ministry by creating two specializations: Women, Society, and Church; and Social Justice and Advocacy. In each case, the student takes 22 hours of MACM required courses, and then the remaining 12 hours of the degree are comprised of courses focusing upon the specialization. The two existing specializations, Prophetic Witness and Service; and Deacon Ministries, will continue to be offered as well. The Women, Society, and Church Studies specialization is also available in the MDiv program, as is a specialization in Wesleyan Studies.

Saint Paul staff and faculty continue contributing to the academy, church, and society. This year, we welcomed Rev. Dr. Sharon Betsworth as our new Vice President for Academic Affairs and Dean and Professor of New

Testament. The faculty of Saint Paul School of Theology maintains high standards of scholarship, research, publication, and engagement. Over the past year, their many activities and publications have been so numerous that space permits only sharing selected highlights.

- Rev. Dr. Sharon Betsworth co-authored a journal article with Julie Faith Parker, "'Where Have All the Young Girls Gone?' Discovering the Girls of the Bible through Childist Analysis of Exodus 2 and Mark 5–7," in *Journal of Feminist Studies in Religion* 38, no. 2 (Fall 2022).
- Dr. Casey Sigmon, Assistant Professor of Preaching and Worship and Director of Contextual Education, was the keynote speaker for the United Methodist Church Missouri Preaching Academy "Offering the Word to a Digital World." She published "Failure to Discern the Online/Hybrid Body: A Captivity of the Eucharist" for the special issue of *Currents in Theology and Mission: Eucharist and Online Worship: Toward Extended Theological Reflection*, vol. 50, no. 1 (2023) and published the chapter "Liturgical Authority and the Table in the Christian Church (Disciples of Christ)" in *Liturgical Authority in Free Church Traditions*, edited by Sarah Johnson and Andrew Wymer, Calvin Worship and Witness Series.
- Dr. Joshua Bartholomew, Assistant Professor of Ethics, Church, and Society, led a "Race, Liberation, and Political Economics" series at Second Presbyterian. He also spoke at The Open Table KC on "Race, Liberation, and Economics."
- Dr. Amy Oden, Adjunct Professor of Early Church History and Spirituality, was a guest speaker at numerous events around the country this year, including at a Five Day Academy for Spiritual Formation in Oklahoma, the Beyond Conference in St. Louis, and the Academy for Spiritual Formation in Alabama.

In October, Saint Paul hosted a forum on "Innovative, Creative Ministry" featuring alumni Matt Austin '18, Fabian Gonzalez '20, Bo Ireland '18, Matt Patrick '18, & Abby Peper '22, with each sharing their personal stories of innovation in ministry. In November, Saint Paul Evangelical Society, led by Dr. Israel Kamudzandu, hosted a forum given by Rev. Mike Slaughter, former lead pastor at Ginghamburg Church, on "Spiritual Awakening: the here and the not yet." Later in the year, the Evangelical Society hosted a lecture featuring Dr. Cheryl Bridges Johns, Visiting Professor of Pentecostal Studies and Director of the Global Pentecostal House of Study at United Theological Seminary. And on May 12, Saint Paul again held a hybrid commencement celebration via Zoom, allowing graduates to come together from both campuses with attendees viewing from around the country. During the ceremony, we honored the 2023 Distinguished Graduate Award Winner and Commencement Speaker Bishop Delores J. "Dee" Williamston.

Saint Paul Board of Trustees changed leadership this year as long-time faculty and board member Rev. Dr. Tex Sample concluded his term as chair of the Board. Dr. Amy Hogan, Professor of Education and Dean of the School of Education at Ottawa University, has succeeded him as chair. Dr. Hogan possesses a deep reservoir of experience in teaching, research, and accreditation. In response to President Neil Blair's announcement that he will retire on December 31, 2023, Dr. Hogan appointed a search committee composed of faculty, staff, students, and trustees charged with identifying Saint Paul's next president. The search committee is currently conferring with Saint Paul's constituent groups to prepare the position prospectus that will describe Saint Paul's needs and aspirations to candidates.

In September 2022, Saint Paul School of Theology hosted a review team from the Higher Learning Commission (HLC), one of Saint Paul's primary accreditation agencies, as part of the Seminary's regular reaffirmation cycle. On November 18, 2022, the Higher Learning Commission notified Saint Paul that the Commission "continued the accreditation of Saint Paul School of Theology with the next Reaffirmation of Accreditation in 2028-2029." The Seminary's Board of Trustees also devoted considerable time to improving its governance capacity. For example,

in April 2022, trustees invested a significant portion of their meeting in a facilitated Emotional Intelligence and Trust-Building workshop. The workshop was led by Gail Parker, a noted management consultant who has worked with clients such as KPMG, Goldman Sachs, and Disney, among many others. In October 2022, former executive director of the Association of Theological Schools, Dan Aleshire, offered an overview of demographic and enrollment trends in the nation's seminaries, focusing on how those trends affect institutions' diversity, equity, and inclusion initiatives. As these activities suggest, the Board remains deeply committed to enhancing its capabilities to guide Saint Paul effectively and knowledgeably.

We are happy to report that Saint Paul School of Theology is financially sound. We operate with a balanced budget, no debt, and an endowment 9-10 times the size of our annual expenses. As always, we continue to be grateful for donations from the community that provide technology, scholarships, and evolving academic programs to students. As of the close of 2022, over one hundred alumni and friends of Saint Paul contributed more than \$60,000 to create the Tex and Peggy Sample Endowed Scholarship Fund honoring the life and work of Tex and Peggy Sample. Sustainability has been our focus over the past five years, and we have achieved our goal. Investments in our future bring exciting new opportunities for our students, staff, and faculty. Our significant technological investments have allowed us to maintain a hybrid educational delivery model providing a flexible working arrangement for our students.

We are continuing to enhance our partnership with Zoom and Neat. Late last Spring, in conjunction with our Neat Board electronic whiteboards and Neat Bars, we implemented Neat's newest product, their Neat Bar Pros, in our large classrooms. These new bars are designed to offer a superior video and audio experience in large spaces and the ability to output to multiple large screens to enhance the overall classroom experience significantly. We have rolled out additional Zoom Room Neat Boards in numerous common areas to encourage ad-hoc use of the technology for breakout groups and other miscellaneous meetings between our two campuses and remote students. One of the best features of this technology is its ability to receive automatic real-time over-the-air features upgrades. Several significant enhancements have rolled out this past year, including improved voice cancellation, Zoom Room Breakout Groups, real-time Closed Captions with transcripts, and updated use of AI to split each in-classroom student into their individual zoomed-in Zoom window. In addition, our Neat equipment continuously monitors several environmental factors within our classrooms; air quality, temperature, humidity, VOC, and CO2, as well as being able to tell if the classrooms are occupied and how many individuals are in the room. We can also monitor the audio/video quality and network connectivity in each of our classrooms, as well as the connection quality for all remote students attending the class. We are excited about the additional enhancements that will come to our classrooms from Neat and Zoom over this next year and look forward to our continued partnership with Neat and Zoom on this groundbreaking technology.

Saint Paul School of Theology is blessed to be your partner in ministry and help those seeking to discover more and answer the call. We are grateful for your support of our students and our seminary. May we continue to live into the call of Jesus Christ to be faithful witnesses for generations to come.

Southern Methodist University
R. Gerald Turner, President

Southern Methodist University (SMU) has served as a nonsectarian institution of higher learning since its founding in 1911 by the citizens of Dallas and the Methodist Episcopal Church, South. SMU's mission is to expand knowledge through research and teaching and to serve as an igniter and facilitator of growth in Dallas and North

Texas. With continued Methodist representation on the Board of Trustees and by welcoming students of all faiths, SMU is reaching a higher level of accomplishment and global recognition in our second century of shaping world changers. Consistent with the University's appreciation of our Wesleyan heritage, SMU voluntarily submits this report to the Texas Annual Conference.

Students, faculty, and staff

Each year SMU continues to attract more academically qualified and diverse students. The 1,639 students of the Class of 2026 entered with the highest grade-point average (3.71) of any previous first-year class. Equally important, nearly a third of these incoming students (32%) identified as being from an underrepresented background. Just over 100 of these new Mustangs had their tuition fully met through SMU's scholarship for high-achieving Texas students who are eligible for federal Pell grants. Most of them (59%) come to Dallas from other states, 38% are homegrown Texans and 3% are international students.

As our incoming students reach new heights of academic excellence, research by our faculty members, graduate students, and even undergraduates benefits our region and the world around us. SMU remains committed to our goal of becoming a Research One (R1) institution in the Carnegie Classification system, which will further elevate our national rankings and reputation.

Rankings

SMU continues to receive strong recognition and high rankings among prestigious reviewers, including:

- Top 20% best national universities by *U.S. News & World Report* (2023). Also cited among the Top Performers on Social Mobility and Best Colleges for Veterans and Best Value Schools (2023).
- Top 12% (No. 94 out of 796) of U.S. public and private universities by the *Wall Street Journal/Times Higher Education* (2022).
- One of the nation's best institutions for undergraduate education by *The Princeton Review's* The Best 388 Colleges and among its 2023 Best Colleges: Region by Region.
- Top 5% best nationwide colleges (91 out of 2,241) by College Factual (2023). Also, SMU alumni ranked among the top 10% in pay for graduates across a range of fields.
- SMU's Perkins Chapel at No. 16 out of 35 of the nation's most beautiful college churches and chapels by College Rank.
- "Higher research activity" as classified by the Carnegie Foundation for the Advancement of Teaching.

Capital campaign and research funding

Momentum is growing as the University moves into the second year of the comprehensive campaign *SMU Ignited: Boldly Shaping Tomorrow*. As of March 1, 2023, donors have contributed over \$991 million to this multiyear \$1.5 billion campaign to attract and support outstanding students and faculty, explore new fields and cutting-edge technologies, and positively impact Dallas and the world beyond.

In fiscal year 2023, SMU received nearly \$46 million in external funding for domestic and global research. Current funding agencies include the National Science Foundation, National Institutes of Health, U.S. Department of Education, U.S. Department of Energy, Google, and Toyota USA Foundation.

Perkins School of Theology

After six and a half years of service, Craig Hill retired as dean of the Perkins School of Theology on December 31, 2022, but is continuing as a member of the faculty until December 31, 2023. We are pleased to have Bishop Michael McKee '78 serving as interim dean until a successor is brought aboard.

The Caren and Vin Prothro Organ project is fully funded. The 1927 Skinner organ has been restored, and installation of this rare instrument in our Perkins Chapel should be completed by November 2023.

SMU remains grateful for the enduring work of our Perkins School of Theology in the instruction and training of clergy for all Wesleyan traditions and other denominations. We ask for your prayers and continued support as we strive to further our mission to make a positive impact on the world around us.

Southwestern University
Laura E. Skandera Trombley, President

Southwestern University continues to rank among the best liberal arts institutions in the nation. In 2022, Southwestern rose 13 places in *U.S. News & World Report's* Best Colleges rankings, the biggest single-year jump in school history. The publication ranked the University 85th among national liberal arts colleges and first among national undergraduate liberal arts colleges in Texas. Southwestern also ranked 44th in the social mobility category, which measures how well schools graduated students who received federal Pell Grants.

Southwestern officially closed the class of 2026 in June, marking one of the earliest dates the University has finalized its incoming class in institutional history. A record 5,557 applicants competed for a spot, an increase of 17% over last year. Southwestern ultimately welcomed 436 first-year students for a total enrollment of 1,483 in fall 2022. The University's acceptance rate fell by 7%, and Southwestern also met its academic and diversity goals, with more than 25% of incoming students identifying as Hispanic for the third year in a row.

Our world-class faculty of scholar-teachers celebrated a number of accomplishments in 2022. Ten faculty members received Sam Taylor Fellowships from the United Methodist General Board of Higher Education and Ministry. Jessica Hower (history) published *Mary I in Writing: Letters, Literature, and Representation* and *Writing Mary I: History, Historiography, and Fiction*, a two-volume edited collection. Michael Gesinski (chemistry and biochemistry) was awarded a \$16,000 grant from Organic Syntheses Inc. to fund student research on gold catalysis. Jennifer Stokes (kinesiology) received the 2022 Early Career Award in Education Research from the American Physiological Society Teaching Section.

Our students received several honors and recognitions. Thirty-four students were inducted into Southwestern's chapter of the Phi Beta Kappa honor society. Two students were awarded scholarships from the Texas United Methodist College Association, two students received Benjamin Gilman International Scholarships, and one student was named a Newman Civic Fellow. Three recent graduates were selected as 2022–2023 Fulbright award winners.

In athletics, Southwestern finished second for the SCAC President's Trophy. The Pirates garnered 76 all-conference selections, including 38 first-team selections, 19 second-team selections, and 19 honorable mention selections, as well as four SCAC Coach of the Year awards. The Pirates also earned three All-America honors in

2022 and six All-Region selections. Men's golf won the SCAC Championship. Three programs earned NCAA Tournament bids.

In 2022, Southwestern hosted the 40th Brown Symposium, which featured five distinguished experts who spoke on the theme of attraction. More than 250 students, mentored by 52 faculty and staff, led panels, presented posters, gave performances, and set up exhibitions during the 23rd annual Research and Creative Works Symposium. Southwestern recognized the class of 2022 during its Commencement Convocation in May, with Southwestern alumna and applied mathematician Cassandra M. McZeal '92 serving as the keynote speaker.

Ratification of Trustees

As stated in the University By-Laws, "Conference trustees are nominated by the University's board of trustees, upon recommendation to the board's trusteeship committee, and elected by their respective conferences." Conference confirmation of "trustees at large" is no longer required by the By-Laws. The following names are submitted to the Texas Conference for re-election:

- Dr. Cassandra M. McZeal nominated by the Board of Trustees for election to a three-year term concluding 2027.

Conclusion

I would like to take this opportunity to personally invite you to visit Southwestern and experience, in person, our vibrant intellectual community.

United Theological Seminary
Dr. Kent Millard, President

United Theological Seminary celebrated rising enrollment in the 2022-2023 academic year. In the previous year, 464 students were enrolled at United; in 2022-2023, the seminary is serving 541 students, a 17% increase. A diverse community of many denominations, races and nationalities, United welcomed students from 36 states, 21 countries, and 43 denominations, with 42% of students identifying as United Methodist.* The Seminary prepared 103 Course of Study students** and served 10 students through the Hispanic Christian Academy, a 3-year online course of ministry program for Hispanic/Latino lay pastors and leaders serving United Methodist congregations.

Houses of Study

In large part, this enrollment growth is a result of the seminary's House of Study initiative, which is supported by a \$1 million grant from Lilly Endowment Inc.'s Pathways for Tomorrow Initiative. As of 2022-2023, the Seminary has established five Houses of Study that are equipping master's students for the unique ministry needs of the communities, movements and denominations in which they serve:

- Fresh Expressions, directed by Dr. Michael Beck;
- Full Gospel Baptist Fellowship, directed by Bishop Lisa Weah;
- Global Methodist, directed by Rev. Gregory Stover;

- Global Pentecostal, directed by Dr. Cheryl Bridges Johns;
- and Hispanic, directed by Dr. Jorge Ochoa.

The largest of these communities is the Hispanic House of Study (Casa de Estudios Hispana), which is meeting a need for Hispanic/Latino pastors and church leaders ready to pursue a Master of Divinity in their native language. Nearly 50 students from across the United States and Latin America, including students from Mexico, Cuba, Columbia, and Peru, started in the online program in the 2022-2023 academic year.

As United continues to expand its offerings to support church leaders, it is preparing to launch three new Houses of Study in the 2023-2024 academic year: a Korean House of Study, taught 100% in Korean for Korean-speaking students, led by Dr. Seok Jae Jeon; an African Methodist Episcopal Zion House of Study led by Bishop Eric Leake; and a Global Lutheran House of Study led by Dr. Richard Blue, Dr. Tom Thorstad and Dr. Dan Landin.

Doctor of Ministry

The Seminary is also seeing growth in its Doctor of Ministry program. In 2022-2023, the Doctor of Ministry program has grown to 250 students, an increase of 32% over the past five years.* Doctoral students at United are actively engaged in ministry and seeking to become more effective leaders for the Church through a Doctor of Ministry degree. Students identify a need within their congregations or communities and, with the support of a peer group, mentor and United faculty, they develop a model of ministry to address the challenge.

Bishop Bruce Ough Innovation Center

Launched in Fall 2021, the Bishop Bruce Ough Innovation Center, directed by Rev. Sue Nilson Kibbey, is connecting with pastors, ministry leaders and congregational members hungry to bring God’s renewal to their faith communities. In the past year alone, the Innovation Center has engaged more than 1,000 participants through more than 40 live webinars, training events and courses. The Innovation Center has also partnered with The Center for Spiritual Formation, a connectional ministry of the Susquehanna Conference of The United Methodist Church, to offer a two-year online training course for those called to the ministry of spiritual direction. In addition, the Center is partnering with two United Methodist conferences to provide its Breakthrough Prayer Initiative training for all clergy in these conferences. Through these and other new opportunities, the Innovation Center seeks to set the stage for the increased vitality of leaders and congregations everywhere.
