

UnitedHealthcare PPO Provider Search

Below you will find instructions with screenshots of how to access the UHC's PPO provider network search without signing in as a member.

After 1/1/2024, everyone can create their member portal with UHC. Then thereafter, each time after signing in to the member portal, the UHC's provider network search will become easier to use.

1. Go to: <https://www.uhc.com/find-a-doctor>
2. Select "Search as Guest" on the right hand side.

UnitedHealthcare PPO Provider Search

Once you have the location you would like to find providers in, select “**People**” or you can type the provider’s name in the text box.

If you are looking for a specific provider, write their name in the text box. As you start typing, the provider’s name will start appearing underneath. If you see your provider appear under the text box, this means that your provider is in-network with UCH’s PPO network.

The screenshot shows the UnitedHealthcare PPO Provider Search interface. At the top, there is a navigation bar with the UnitedHealthcare logo, a 'CHOICE PLUS' label, a 'FIND CARE' button, and a 'SAVED' status. Below this, a dark grey bar contains 'CHANGE PLAN >'. The main content area features a back arrow on the left and the heading 'What type of Medical Care can we help you find near:'. Below the heading, the location 'Pearland, TX 77584' is displayed with a 'Change Location >' link. A search bar with the placeholder 'Search for providers and services' and a 'Search' button is present. Underneath, the section 'Find Care by Category' displays five circular icons with corresponding text: 'People' (Doctors, medical groups, and other professionals by specialty), 'Places' (Hospitals, clinics, labs, imaging centers, medical suppliers), 'Services and Treatments' (Providers for office visits, tests, treatments, surgeries), 'Care by Condition' (Find care for common concerns), and 'Cost Estimates' (Treatment for common conditions).

- For Primary Care Providers (PCPs), select “**Primary Care**”.
- For Specialty providers, select “**Specialty Care**”.
