

Online Pharmacy Benefits Access for Your Members

By registering for My RxBenefits, your members will gain access to robust information related to their pharmacy benefits.

Members can access their information when it's convenient for them, anytime, 24 hours a day, 7 days a week.

NEW
for January
2024

My RxBenefits will allow members to:

- Access prior authorization status, including explanations of determinations, and view 18 months of previous prior authorization activity
- Receive timely communication and personalized updates for alternative medication therapies related to anti-inflammatory and dermatological conditions
- View 18 months of pharmacy claims (including claims for eligible dependents)
- View, download and email a copy of their ID card
- Access their accounts across multiple devices, including computers, tablets, and cell phones
- Manage their communication preferences
- View pharmacy benefits coverage information
